Ferro Held For Theft In Conn.

Officer Buchanan Gets Wanted Man

Arthur Ferro, 26, formerly of Post Street, who faces trial for the Kingston Laundry robbery of last year, yesterday became a two-time loser to Kingston police vigilance within a year.

Wanted as an alleged fugitive from Connecticut, Ferro was spotted and arrested by Officer Francis Buchanan, who had chased him out Hurley Avenue. He is charged with theft of a fur piece and money from a Hartford home.

Ferro was arrested last April 23 in Milford, Conn., as the suspected fourth person in the Kingston Laundry stickup of Nov. 14, 1957.

Three Caught Uptown

That arrest, District Attorney Howard C. St. John said, was due to persistent work by detectives Clarence Brophy, now retired, and Frank Sammons.

The two detectives were responsible for the capture of three teenagers who were in the laundry holdup. They were caught uptown only a few hours after they had made off with only $56 from the laundry.

The trio told police that the fourth person with them was one John Diego, 19, of Albany. The three, John Harris, 16, Gerald Schlesinger, 17, and Marcus Sorgman, 16, all of Dorchester, Mass., said they had gone by plane from Boston to Albany and met Diego there.

Trailed to Milford

After determining last spring that a fourth had been on the plane, Ferro, who police said also used the alias, Rizzo, was traced to Milford and brought back here where he was due to be tried on a first degree robbery charge.

A trial was due to be held after a decision on a pending motion for inspection of grand jury minutes. Ferro has been represented by Attorney Hubert A. Richter. The three teenagers were dealt with as youthful offenders.

Information given local police indicates that Ferro is charged with having taken a fox fur piece and slightly more than $1,500 from the home of Kate Van Winkle, 232 Kenyon Street, Hartford.

Ferro was due to appear before County Judge Louis G. Bruhn this afternoon to determine whether he would waive extradition or would be held to await the requisition of the Governor of Connecticut.

Ready to Go Home

Officer Buchanan, who had been on duty yesterday at Washington and Lucas Avenues, was about to go home in his own car at 4 p. m., when he saw Ferro and chased him.

A block west on Washington Avenue he yelled to Special Officer William Ballard, who is in charge of parking meters, to notify police headquarters of the chase. Officers Leonard Ellsworth, Edward Leonard, Robert Bonesteel and Leon Fitzgerald were dispatched to the area in two patrol cars. Buchanan had stopped Ferro on Hurley Avenue near Coffey Place when they arrived.

Several minutes before Buchanan spotted Ferro, Officer John Crespino reported that he had been seen driving a car with an Ulster County license number.

Fourth Makes Dash

Detectives Brophy and Sammons caught the three teenagers in November, 1957, on Fair Street a few hours after the laundry stickup. They found one of them seated in a car and

State PSC Head, B. F. Feinberg, Is Seriously Ill

PHOENIX, Ariz. (AP) — Benjamin F. Feinberg, chairman of the Public Service Commission of New York State, is seriously ill in a hospital here.

The 70-year-old official was admitted Monday to Good Samaritan Hospital for treatment of a respiratory ailment.

The hospital said Wednesday his condition was poor.

Assemblyman Robert J. Feinberg of Plattsburgh, N. Y., a son, said, however, that there was some improvement Wednesday.

The younger Feinberg flew to the father's bedside with two other members of the family, Mrs. Irving T. Bergman of Lawrence, L. I. and Mrs. Norman S. Weiss of Albany, N. Y.

Benjamin Feinberg was attending a meeting of the National Assn. of Railroad and Utilities Commissioners when he became ill. He was president of that organization in 1955-56.

Feinberg, a Republican, was a state senator in New York from 1933 to 1949 and was Senate majority leader the last five years of that tenure.

He was appointed to the Public Service Commission by Gov. Thomas E. Dewey in 1949.

Feinberg's wife died in 1953.

Scheme to End Occupation

Reds Plan Taking Over Transportation Routes

BONN, Germany (AP) — Soviet Ambassador Andrei Smirnov told Chancellor Konrad Adenauer today what the Russians intend to do "to realize the liquidation of the occupation status of Berlin."

Neither Smirnov nor the Bonn government disclosed what was said. But Soviet sources in Berlin said the Russians will give East Germany's Communist regime control of the West's land, air and rail routes to the isolated old capital.

Cites Defense Promise

In West Berlin, Mayor Willy Brandt told the city's Parliament the Western Allies have promised "clearly and without reservation" to defend the Communist-threatened city.

There was no inkling when the Russians might make their move. The crisis was set boiling 10 days ago by Soviet Premier Nikita Khrushchev in a Moscow declaration saying the Russians intended to end the four-power occupation of Berlin.

Comes As Surprise

Smirnov's visit to Adenauer came as a surprise. Some Western diplomats said they thought the move rather weakened the Russian argument that all Berlin properly belongs to their puppet East German government.

Western officials here had been expecting some kind of formal notice from the Russians to the Americans, British and French who with the Soviet Union have been occupying Berlin for 13 years.

Bonn and its Western Allies have long maintained that West Berlin, although surrounded by East German territory, is within the Western orbit and will remain so until all Germany is reunified through free elections.

Same Tactics

A Western diplomat said Moscow's tactics about Berlin were similar to those displayed during the Middle East and Far East crises.

"They try to get everybody excited," he said. "What they would like to hear is a lot of talk about Berlin not being important enough to go to war about."

But, he asserted, the Western Powers—including West Germany — are determined to stand fast and not panic.

Smirnov saw the West German leader for more than an hour. It was believed to be the first information given to a Western statesman on what the Soviet Union intends to do about Berlin since Premier Khrushchev 10 days ago called for an end to the four-power occupation.

Both Keep Silent

Neither the West Germans nor the Soviet Embassy disclosed what the plans were.

Soviet sources in Berlin say their government, in cancelling its occupation status in Berlin, will turn over to the East German regime the control the Russians have exercised over the West's land, air and rail routes to garrisons in West Berlin.

Britain, the United States and France, who have 10,000 troops there, would then have to make arrangements concerning his traffic with the East German government, a government which they do not recognize because they do not consider it is representative.

Harriman Plans To Present Party Program for '59

ALBANY, N. Y. (AP) — Gov. Harriman will present a Democratic party program to the incoming Republican administration of Nelson A. Rockefeller.

The governor met Wednesday with his cabinet to discuss party proposals to be made in the 1959 Legislature, which convenes Jan. 7.

Incumbent heads of state departments and agencies will draft bills to implement the program. The measures will be introduced in the Legislature by the Democratic minority leaders.

The governor and the minority leaders will issue a public statement detailing the Democratic program.

Republicans followed a similar procedure under Harriman's administration but do not plan to continue it this year.

The GOP had controlled the Legislature and, in the Nov. 4 election, added control of the executive branch. Republican legislative leaders plan to work out a joint program with Rockefeller.

Charles Van Devander, Harriman's press secretary, said the governor and his aides also discussed Wednesday "the orderly transfer of functions to the new administration."

Van Devander reported that the governor had instructed each department head to contact his successor and assist him in taking office.

The Harriman cabinet will hold in December its last meeting before leaving office.

Scientists Express High Hopes for Anti-TB Serum

CHAPEL HILL, N.C. (AP) — Two research scientists have expressed high hopes for a new anti-tuberculosis vaccine they developed.

They announced Wednesday that seven years of tests with animals and humans indicated the vaccine, R1, is safe and reasonably effective.

Dr. Stuart Willis, chief investigator in the project, said however that six more years of testing will be required to establish the vaccine's effectiveness in humans.

Willis' co-worker, Dr. H. Mac Vandiviere, said new methods of TB treatment have drastically reduced the death rate from the disease—although the number of TB cases has declined very little.

Both men are employed by the State Sanitorium System, which embraces the state's TB hospitals.

Safety of the vaccine has been demonstrated through tests with 6,000 animals, Willis said. "At the present time, 1,600 people have been included in human studies evaluating R1, confirming the findings in animals as to its safety," he added.

"The true value of the vaccine will, of course, not be known until it has been tried with large numbers of people in a country such as Haiti where the death rate is almost 50 times greater than it is here and exposure to TB is certain," Vandiviere said.

Arms Cache Stacked for Irish Rebels

NEW YORK (AP) — A rookie patrolman, tracing a bullet in possession of a school student, turned up a varied arms cache assertedly destined for the outlawed Irish Republican Army.

The arms — including machine guns, hand grenades and other weapons — were found Wednesday in the basement of a two-story residence in the Bronx.

Booked on a charge of violating the Sullivan antiweapons law was Henry Barrett, 51, who resides in the Bronx home with his wife and eight sons.

List of Weapons

Police said Barrett, who came here from County Cork, Ireland, in 1929, admitted the arms were to go to the I. R. A. which seeks to unite Ireland by force.

Taken from the Barrett home were such weapons as a 60-millimeter mortar, two 29-millimeter cannon, a number of burp guns, live hand grenades, and two Browning machine guns. Also, police said, they recovered numerous cases of ammunition.

Was Tracing Bullet

The arms haul resulted from the work of patrolman Robert Crowley, 22, who began an investigation after his younger brother showed him a 50-caliber bullet given him by a classmate at St. Helena's Roman Catholic School in the Bronx.

After questioning pupils at the school, Crowley went to Barrett's home. Then he called in other officers.

Police said markings on the arms cases indicated that much of the cache had been shipped to Barrett, a newspaper handler, from Canada and Norway.

Authorities said Barrett at first admitted the arms were slated for the I. R. A., then suddenly stopped talking and demanded a lawyer.

O'Dwyer His Lawyer

Bronx Dist. Atty. Irvin Goldsmith said Barrett has been a sympathizer with the Irish revolutionists since he was 15 years old.

Train Runs Into Plane On Tracks

Jet Overshot Field Just Before Crash

EL TORO, Calif. (AP)—A jet fighter plane overshot an airfield and crashed on railroad tracks Wednesday. Seconds later, a seven-car passenger train plowed into the plane.

The train sent the jet cartwheeling through the air. The plane came to rest against a lounge car containing 30 passengers. Jet fuel exploded in flames.

Pilot Is Bruised

The locomotive and four cars were derailed. Three sections of track were torn up. But no one was seriously injured.

The plane's pilot, who suffered only bruises, was the most seriously hurt.

"I'd say the good Lord had his arm around a lot of people," said a spokesman at the El Toro Marine Corps Air Station, where the jet was practicing landings.

Hero of the near-disaster was Pat Schamber, brakeman on the Santa Fe's San Diegan, bound to San Diego from Los Angeles with 130 passengers and crew.

He dragged the stunned pilot, Marine 2nd Lt. Phillip M. Schmidt, 23, from the wreckage. When they were about 50 feet away the F4D skyray burst into flames.

Schmidt, practicing a power-off landing, overshot a steel cable across the runway on which the plane was to hook. The jet bounced over an 8-foot fence, streaked across a beanfield, sheared off a power pole and slammed onto the railroad tracks.

Just Sees Dust Cloud

The train was approaching at 75 miles an hour.

"I saw nothing but a cloud of dust on the tracks about 250 feet ahead of me," said engineer William Ryder, 63. "I put on the emergency brake. Two or three seconds later came the impact. It took another 125 yards to bring the train to a halt."

The pilot, son of Mr. and Mrs. William M. Schmidt Cincinnati, was taken to the station hospital for observation.

Light With 'Walk' Signal Installed at Broadway, O'Reilly

A three-phase traffic light with a "walk" signal was installed at Broadway and O'Reilly Street as part of the city's 1958 traffic-control improvement program.

The light replaces the older type two-phase signal, and its "walk" signal will be of assistance to school pupils, factory employes and others who use the intersection daily.

Mayor Edwin F. Radel said today that the improvement program is due to continue next year. Among improvements, he indicated, will be installation of new lights at Broadway and East Chester and Hasbrouck and East Chester.

Civil Service Head Balks

Ave's Appointee Won't 'Freeze' Albany Jobs

By CHARLES DUMAS
Associated Press Staff Writer

ALBANY, N. Y. (AP) — The Democratic president of the State Civil Service Commission has blocked an attempt by Gov. Harriman's administration to freeze Democratic appointees into their state jobs, the Associated Press learned today.

Commissioner Alexander A. Falk, an appointee of Gov. Harriman, has informed the governor and several of his department heads that he will not go along with a political job freeze.

It was learned that various agency chiefs had asked Falk to transfer up to 50 jobs from the non-competitive class — that is, patronage — into the competitive civil service ranks. This would give them job-retention rights.

Aked About 50 Jobs

It was reported that Harriman, Democratic State Chairman Michael H. Prendergast and Tammany Hall leader Carmine DeSapio discussed Falk's attitude Wednesday at a private conference here.

In 1954, Falk, then a minority member of the three-member commission, posted vigorous objections when the outgoing Republican administration of former Gov. Thomas E. Dewey froze 28 Republicans into their jobs. Falk said he was opposed to it in principle.

His only comment today was: "My position remains unchanged."

It was understood that the job-freeze question would not be put into a formal vote in the commission this time. The Republican member, Mary Goode Krone, would be likely to side with Falk. In 1954, however, she voted in favor of freezing the Republicans.

Since Harriman's election defeat by Republican Nelson A. Rockefeller, Falk reportedly has received at least 10 requests in writing and approximately 35 orally from agency heads seeking to cement their appointees into the civil service ranks.

Falk has told them and memcivil service ranks.

bers of the governor's staff, as well, that he will not approve such requests.

It was not learned which appointees are involved.

The third member of the commission, William H. Morgan, of Cortland, another Democratic appointee of Harriman, was not available for comment on what his position might be.

Start Being Made In Manpower Cut For Military Units

WASHINGTON (AP) — The Eisenhower administration, after postponing action because of two war scares, is beginning an across-the-board cut in military manpower.

Secretary of Defense McElroy announced orders Wednesday for a reduction of some 71,000 in Army, Navy, Air Force and Marine Corps manpower. At the same time, the Army reduced its draft call for January.

The Pentagon plan is to trim the over-all strength of the armed services from 2,506,282 to 2,525,000 by June 30 when the current fiscal year ends.

Under the cutback program announced by McElroy, the Army faces the biggest cut—31,793 men —in seeking a June strength goal of 870,000.

The Marines, with an estimated strength of 189,361, will have to drop about 14,000 men. The Navy must cut back by about 11,000 to reach a 630,000 level. The Air Force, now estimated at 863,000 men, must reduce by about 13,800.

The Army cut its January draft call to 9,000 men. That is 2,000 below the number it has called up the last several months.

Zborowski Perjury Case Is To Go to U. S. Jury Today

NEW YORK (AP) — A federal jury today receives the case of Mark Zborowski, admitted former Russian agent charged with perjury.

The former Harvard research assistant, a Russian-born anthropologist, is accused of having lied when he told a federal grand jury that he did not know Jack Soble, confessed Soviet spy.

Soble, serving a seven-year prison term, has testified he met Zborowski 40 to 50 times.

In summing up Wednesday, Frederick Nathan, attorney for Zborowski, contended that Soble's testimony was an attempt to gain favor with parole authorities and to prevent deportation.

Speaking for the prosecution, Asst. U. S. Atty. Herbert C. Kantor said Soble had been one of Zborowski's contacts for transmitting information.

"It is difficult to believe it possible," Kantor said, "that the defendant could know his first and third contacts in transmitting information to Russian agents and not know the middle contact, namely, Jack Soble."

Zborowski later admitted knowing Soble. The defendant has maintained, however, that when he appeared before the grand jury he knew Soble only by an alias.

Nathan speculated Wednesday that Soble might still be a loyal Communist on a mission to destroy Zborowski because the defendant "told the NKVD to go to hell." The NKVD is the Soviet secret police, for whom Zborowski has admitted working in this country and abroad.

Cutters, Copter in Lake Hunt

Hope Is Men May Have Found Land

CHARLEVOIX, Mich. (AP) — With but the faintest flicker of hope, grim sailors searched in still angry waters among tiny islands at the top of Lake Michigan today for 15 men still missing from a big ship which a howling storm sent to the bottom Tuesday night.

Only two survivors, who rod out a near-freezing 14 hours on a tiny raft, have been found. They said two who made the raft with them disappeared as mountainous waves flung it topsy turvey at least three times.

18 Bodies Recovered

Eighteen bodies have been recovered.

The 615 - foot Carl D. Bradley, which carried a crew of 35, broke in two and went down off Gull Island, some 45 miles northwest of this Michigan resort. Some half a dozen uninhabited islands are scattered to the north and east of the scene.

The 180-foot Coast Guard cutters Sundew and Hollyhock bucked 40-mile winds today in pushing to the islands. Three helicopters and two amphibians also were buffeted as they searched from aloft.

Winds ranged up to 70 miles when the Bradley broke up. It was 40 degrees that night; just as cold Wednesday night.

Survival Doubted

Veteran seafarers said none could have survived through even the first day. They were amazed two made it overnight, and a physician described their survival as "an amazing piece of human endurance."

But if by chance some made it to land alive, they still might be alive. That was the one flicker of faint hope today' searchers had, although planes could spot no one or any footprints on any of the islands.

Two Tell Grim Story

The grim story of the storm-battered sinking of the freighter was told Wednesday night by the two survivors of the Great Lakes' greatest disaster since 1953.

Frank Mays and Elmer Fleming, the survivors, were thrown from their 4x8-foot raft three times in Tuesday's ink - black night. But each time they managed to find it again and climb aboard again, clinging for their lives, hoping they could last until daylight.

Fleming and Mays told their stories from hospital beds here Wednesday night. They had been brought in by the Sundew, which also brought the bodies of eight of their fellow seamen.

Mays and Fleming told of the terror and confusion on the sinking Bradley, once the largest freighters on the Great Lakes, and of their praying and shivering on the tossing raft in near-freezing temperatures.

Fleming, the Bradley's first mate and a 43-year-old veteran of sailing the Great Lakes, did most of the talking.

Says Stern Was Sagging

"I was in the pilot house on watch with the captain," he said. "We heard a thud. Then the alarm bell started ringing.

"Something spun us around," he said. "Then we looked down on the deck. It wasn't hard to see something was wrong. The stern was sagging."

Fleming managed to get off a distress signal on the Bradley's radio. Then he was in the cold water. It was almost sundown.

"We climbed on the raft and held on with all we had."

At first there were four on the raft, a firmly built orange-painted wooden structure with a low metal railing and metal pontoons.

"We lost one of them when the raft took a complete flip," Fleming said. "I swam until I got back to it. Then I helped the others get back on."

Never Been So Cold

Twice more the waves whipped up by a 60-mile-an-hour wind lifted the raft and overturned it.

"I've never been so cold in my life," Fleming said. "Ice was be-

Palenville Woman Killed in Crash With Milk Truck

PALENVILLE, N. Y. (AP)—Mrs. Gertrude Keyworth, 46, of Palenville, was killed Wednesday when her automobile and a trailer truck collided.

Pasquale Spezio, 48, of Brooklyn, driver of the milk-tanker truck, was not injured, State Police reported. Mrs. Keyworth was alone.

The accident occurred at the intersection of Routes 32 and 23A in Greene County.

Reformed Church Will Join Union Services

The Reformed Church of Woodstock is participating in the Union Thanksgiving services being held in the Woodstock Lutheran Church Sunday at 11 a. m. The nursery facilities of the Reformed Church will be available in the Reformed Church parsonage during the services. Sunday School will be held as usual.

Christian Endeavor meets at 7 p. m. Sunday to discuss "A Riot Over Paul."

There will be a work-bee at the church and parsonage on Saturday, Nov. 22, beginning at 1:30 p. m. As many men as can are urged to be present to give the church the "fall cleaning."

Thanksgiving services will be held in the church on Wednesday evening, Nov. 26, at 7:30 p. m. Pastor Olson will preach, the Senior Choir will sing an anthem, and the service will introduce the Thanksgiving season and spirit.

Plan Special Music For Union Services

Special music is being planned by the choirs of Christ Lutheran Church for the annual union Thanksgiving service on Sunday, Nov. 23, at 11 a. m.

The Rev. G. Oliver Sands, pastor, will conduct the services. The Rev. Garnett M. Wilder of the Methodist Church is to bring the Thanksgiving message. The Rev. Wayne C. Olson of the Dutch Reformed will read the scripture and offer prayer.

It is hoped that many from all three churches will be present to show their thankfulness that God has been good to us here in this beautiful village. Let us praise His Dear Name always!

At 9:45 a. m. the Sunday School convenes with classes for all ages. The Adult Bible class topic for discussion is "Why Men Oppose Jesus" based on St. Mark 2:18-28. The Heart of the Bible group, meeting in the parsonage, are studying Moses and the Judges.

Men of the church are invited to a meeting in Rhinebeck Friday at 8 p. m. to form a conference group.

Women's Guild Works On Several Projects

The Young Women's Guild of Christ Lutheran Church, meeting with Mrs. Erwin Holumzer, worked on several projects for their pre-Christmas sale of toys, jewelry, etc. They plan a wide variety of baked goods also for the sale to be held on Dec. 6 in the vacant store in the Longyear building.

* * *

All Sunday School members of the Junior age and above are invited to attend all Youth choir rehearsals on Thursday evenings at 7 p. m. to get ready for the Christmas pageant, "O Come, O Come, Emmanuel."

Senior choir rehearses Thursdays at 7:45 p. m. except on Thanksgiving Day.

Luther League meets Monday at 7:30 at the home of Albert C. Holumzer.

Is Our Woodstock Included in This?

The following is printed with obeisance to Phyllis McGinley of the New Yorker staff:

Matter of Nomenclature

In states where Yankee stock's the broodstock,
There's usually a town called Woodstock,
And one's forever passing through
A Milford, either plain or new,
A Springfield, small or else immense.
A Canaan, Westport, Providence.
They differ somewhat as to fame,
But their antiques all cost the same.

Methodists Plan Joint Services

The churches of the Woodstock Methodist Parish will join together in a special service of Thanksgiving on the morning of Thanksgiving Day at 9 a. m. This service will dramatize the significance of a gratitude in our own lines. Symbolic acts of dedication will be performed for the entire congregation.

In past years this has proved to be an especially meaningful and inspiring service, and everyone is cordially invited to make a special effort to express gratitude on this traditional day. Coffee and donuts will be served at the fellowship period following the services.

* * *

The ladies of the Woodstock Woman's Society will sponsor a Christmas tea and bazaar in the church hall on Saturday, Nov. 22, from 1 to 4:30 p. m. The tea will provide a fellowship hour and the bazaar will feature Christmas gifts and a delicious food table.

* * *

The young people of the Shady church will sponsor a variety show in the church hall on Saturday, Nov. 22, at 7:30 p. m. Those who remember the hilarious minstrel show presented by this group last year will not want to miss this entertaining evening. Tickets will be sold at the door.

Youth Rally Slated Sunday in Woodstock

The young people of the churches of the Kingston Methodist Sub-District will meet for a youth rally at the Methodist Church of Woodstock on Sunday, Nov. 23, at 4:30 p. m.

The rally will feature the International Christian Youth Exchange, a project currently being considered by the Methodist young people of this area, in which they will sponsor a young person from abroad who will live in one of our communities for a year.

The young people are now learning a great deal about this project, hopeing that we might be able to enter this kind of movement toward international understanding.

The rally will also feature recreation and fellowship. Each young person is requested to bring his own sack supper. Drinks will be sold at the church.

State Director Adult Education Due in Woodstock

Carl Benenati of the New York State Adult Education Department will be in Woodstock Monday to discuss the local setup at the Woodstock school.

Benenati and Principal Walter S. Van Wagenen will visit the Woodstock Guild in (relation) to their Adult Education classes.

Several other interesting school developments announced by Principal Van Wagenen include:

Dr. Hans J. Cohn has examined all school children as required by school law.

Mrs. McCormack, the school nurse, will be at the school one day a week. Audiometer tests started Wednesday. Any physical defects found by Dr. Cohn and Mrs. McCormack will be reported to parents.

Most pupils in all the grades joined the Junior Red Cross and each room filled one or more boxes with useful items for some foreign boy or girl.

Four New Paltz State Teachers College cadet teachers recently spent a morning listening in on classes and spent their last hour being briefed by Principal Van Wagenen, who quizzed them on what they had seen and why.

Junior League Program

The Junior League of Kingston put on a very entertaining program for grades 1-4 last Wednesday afternoon in the school auditorium. Thanks are extended to the Junior League and to Mrs. Paul Perlman for making the arrangements.

The Onteora High School student photographer has been here and has taken class pictures to be used in (their) yearbook.

School was dismissed last Thursday and Friday at noon for Parent-Teacher conferences in the afternoon. Better than 90 per cent of the parents attended.

Work has started on the Christmas program to be given Saturday night, Dec. 20.

Frank F. Hancock has been teacher representative to the Onteora Central School Building Committee and has sat in on several of their meetings.

Principal Van Wagenen, along with Principal Baines of West Hurley attend executive meetings every Monday afternoon at the Onteora Central School. They met with other principals and school officials to discuss school problems.

The school photographer was at the school last Thursday to take individual student pictures which should be ready for delivery about two weeks before Christmas.

School will be out next Wednesday at 12:15 p. m. for the Thanksgiving recess.

Pre-School Section

The Pre-School section of the Onteora PTA will have its next meeting on Tuesday, Nov. 25, at 8 p. m. in the school cafeteria. All parents of pre-school children in the district are invited to attend.

A film entitled "Terrible Twos and Trusting Threes" will be viewed and Mrs. Hazel Osborn, school nurse; Mrs. Florence Epstein, kindergarten teacher; and Miss Hazel Steed, executive secretary of the Ulster County TB and Health Association, will discuss the film.

Catskill Chorus To Sing Sunday

The Catskill Hudson Community Chorus will give a concert at the Woodstock Reformed Church on Sunday afternoon, Nov. 30, at 3:30 p. m. This mixed chorus, which will sing a program of "Carols of All Nations," is under the direction of Rolland E. Heermance of Saugerties.

The accompanist will be Miss Mildred Rupplein of Cornwallville. Soloists will be Mrs. DeWitt Brown and Frank Thomas.

The program follows:

Behold That Star, Fred Waring Series; Four Slovak Christmas Carols, Kountz; The Rose and the Lily, Montani; The Holly and the Ivy, Boughton; I Saw Three Ships, Parker and Shaw; Come, Hasten, Ye Shepherds, Ehret; Sing We to Christ, The King, Chaplin-Niles; Shout, O Earth, in Joyful Chorus, Whitehead; The Christ of the Snow, Gaul; Christ Was Born on Christmas Day, Parker and Shaw; Silent Night, Gruber-Wetzel; A Merry Christmas, Warrell.

Illness Delays Hearing

NEW YORK (AP)—A deportation hearing for Carlo Gambino, one of those at the Apalachin, N. Y., gangland convention a year ago, was postponed Wednesday indefinitely because he still is in Flower-Fifth Avenue Hospital.

Gambino, 56, of Brooklyn, was taken to the hospital last Nov. 3, when, in the midst of a previous hearing in the Immigration and Naturalization Service Building, he suffered what was reported to be a heart attack.

Rudy W. Frank Symbol of Courage

Beats Polio Handicap, Wins Scholarship; Likes Writing

Rudy Walter Frank, 16, of Shandaken, an honor graduate of Onteora Central School last June, plans to enter college next fall to study journalism.

If he attains that ambition—and there is every reason to believe his keen intellect and human understanding augurs well for him—his work will reflect the emotions of which news is made for young Rudy has lived many of those emotions. He is a polio victim.

John H. Moehle, supervising principal at Onteora, describes the young man with accolades—"a brilliant mind, a gifted youngster and a keen wit."

Gets Highest Mark

His principal's laudatory comments have basis in fact for as Moehle indicated Rudy received the highest score in a State College Regents Scholarship examination in Ulster County last June.

Furthermore, he scored in the top one per cent of students in the United States who took the college board exams, Moehle pridefully noted.

It is a scholastic record accomplished in the face of adverse physical conditions which have blighted five of the 16 years Rudy has lived.

Born in New York's Manhattan on March 5, 1942, the son of Mr. and Mrs. Rudolph W. Frank, the family moved to Ulster County when he was one-year-old. His father is a plumbing contractor in Shandaken, and there are three other children—Heidi, 15, Nancy, 12, and Peggy, 5.

Afflicted with polio in October, 1953, Rudy spent two periods at the New York State Rehabilitation Hospital at Haverstraw. "Eleven months the first time," he said amiably, "and then I went back again."

One year of his schooling at Onteora was accomplished "by remote school." Through the efforts of Moehle and the New York Telephone Company, an intercommunication system which connected with his classes at Onteora was installed in his home.

By pushing a button and listening to a receiver, Rudy was able to receive his lessons and could, in turn communicate with his classroom. With his sharp perception, Rudy never found the "remote control" education a handicap.

Wins Scholarship

Graduated last June as an honor student, he received a New York State Regents scholarship "good for any school in the state." He, however, chose the University of Illinois and "the State Department of Vocational Rehabilitation has offered me a scholarship up to $6,000 at Illinois."

The campus and environment of the Illinois school prompted his decision to attend there and he plans to enter in September, 1959. He is returning to Haverstraw on Monday, Nov. 24 "for a few months" to participate in a rehabilitation program.

Writing Now

He took a college entrance course at Onteora, where he was a member of the Honor Society, and, at the moment, plans a journalism career. He has been writing for some area weekly newspapers, a source which has prompted Rudy's interest in journalism.

The road ahead seems bright for a talented youngster who has faced adversity philosophically.

BIG MONEY—A minor monument to 17th-century Swedish "square dealing" is this seven-inch-square coin found on the shores of the Baltic Sea in Nida, Russia. The one-daler piece, which has five seals on its face, was issued in Sweden in 1685. It weighs three pounds.

Korean Vets May Soon Convert GI Insurance Policy

Korean conflict veterans will soon be able to convert their previously non-convertible term GI insurance to permanent GI policies, Charles L. Culver Counselor of the New York State Division of Veterans Affairs and Howard C. Shurter Director of the Ulster County Veterans Service Agency announced today.

The affected term GI policies they explained, are identifiable by the letters "RS" which precede the policy numbers. Beginning next January, a new statute (Public Law 85-896) will provide the thousands of "RS" policyholders with three options:

1. To convert their "RS" term policies to permanent plans of GI insurance.
2. To exchange their "RS" term policies for a "limited convertible term policy carrying a lower premium rate, but which —after September 1, 1960—cannot be renewed by persons who have passed their 50th birthday.
3. To keep their "RS" term policies at the currently established premium rates, which increase every five years.

The maximum amount of the new-type insurance will be limited in each case by the face amount of the veteran's present "RS" policy.

Culver and Shurter listed the types of permanent insurance to be available under the new law as: ordinary life, 20-pay life, 30-pay life, 20-year endowment, endowment at age 60, and endowment at age 65.

The new type policies—like the "RS" policies they may replace—will not yield dividends.

Only "RS" policyholders will be affected by the new law. It does not re-open GI insurance, they stated.

The Veterans Officials urged Korean veterans affected by this change to visit the Ulster County Veterans Service Agency located at 32 Main Street for complete information concerning the policy conversion.

THE FORGOTTEN WAR

Time spins by so rapidly that even World War II is on the way to becoming a blurred memory. But World War I can almost be classed as the forgotten war of the century.

It is now 40 years since that bloody conflict ended. The men who fought it and still live are in their late 50's, 60's and even the 70's.

Yet in our focus upon the things of the present we should not lose sight of the heavy sacrifices free men made in that struggle. They are not lessened by the fact that other men had to make new sacrifices in World War II, nor by the fact that today we once again stand in peril from still another tyranny.

American casualties in the first great war—360,000—were of course but a third of our total in World War II. But in the latter war we fought for nearly four years, while in the earlier one our participation extended for only a year and a half.

It was our allies who suffered most cruelly in World War I. In the grinding trench warfare of the era, battlefield victories were measured in square yards taken. The cost in human life crushed or shattered was close to incredible.

In the first Battle of the Somme in France, from July 1 to Nov. 30, 1916, three million men struggled as British and French armies sought to break German defenses at a vital point. When it was all over, there were 750,000 Allied casualties and 500,000 German.

Thus from that one five-month battle the combatants suffered casualties totaling 25 per cent more than all U.S. casualties in the entire span of World War II. The bravest fighters went down in waves before the deadly machine gun.

And the net gain to the Allies was 200 square miles of French territory—an area roughly the size of Chicago.

The heroic French defense of the fortress of Verdun also saw brutal combat. Casualties on both sides came to 500,000 in nine months. Today the Red Chinese can pour 35,000 shells a day into Quemoy, but they do not sustain such an assault for long. Against the concentrated target of Verdun the Germans poured 8,000 shells a day for three solid months.

The exhausted, sorely tried winners of World War I did not, as they hoped to do, make the world safe for freedom and democracy. But free men did not fight and die in vain. Had they not triumphed, German militarism would have. And we would never had the choice we had in 1939-45 and now have again against communism—to fight in new ways on new fields to save our cherished freedom.

Merchants in Knoxville, Tenn., gave up plans for a Santa school when only five applicants showed up. What did they expect? Everyone old enough to believe in Santa Claus knows that he lives at the North Pole.

PERSPECTIVE

There's nothing like a whingding of a storm to put the size of this country back in perspective. A reading of any one day's roundup on the nation's weather — the knowledge that some are basking in the sun while others are bailing out the cellar or burrowing through snowdrifts—expands one's appreciation of the vastness of this land of ours.

It puts distances back in proper perspective in a jet-shrunken age.

Alaska persists in embarrassing Texas. Now it turns out that population increases make Alaska not only the biggest state but the fastest growing.

It seems evident that the Communist cold war strategy is to turn the heat on when there appears to be no risk of starting a catastrophic fire.

A lot of people who are willing to tell the truth don't know it.

'These Days'

By GEORGE SOKOLSKY

J. EDGAR HOOVER

Slowly, it builds up. First, it appeared in "The Nation"; then we heard it was coming to the "New York Post"; then it actually appeared in "The Worker." It will move round and round like a black wind—the attack of J. Edgar Hoover.

What is it that those engaged in this are trying to prove? It is that the FBI is no better than the secret police of Soviet Russia; that we are, in effect, a police state. What has thus far been brought to the surface is nothing, but the boom of the Big Lie fills the air; it will be repeated and repeated.

"The Nation" is supposed to be a great liberal organ. It once was. This much is evident: it dislikes J. Edgar Hoover, an entire issue's worth. In the investigation of Harvey Matusow, it was shown that R. Lawrence Siegel, general counsel for "The Nation," Hadassah R. Shapiro, his associate, and the assistant to the publisher of the magazine, Martin Solow, were indicted. The following reason was given at the time by Thomas A. Bolan, of the U. S. Attorney's office:

In the springtime of 1954, Carey McWilliams put Matusow in touch with Siegel. Siegel had a number of meetings with Matusow (prior to the latter's recantations in January 1955) and recorded the substance of his convversations in contemporaneous typewritten memoranda. When asked to produce the memoranda by the grand jury, Siegell instead destroyed them and created fictitious memoranda in their place which he passed on to the grand jury as originals. When the grand jury asked to see the shorthand notes for the memoranda, he had the original notes destroyed and had his secretary write fictitious notes to correspond to the fictitious memoranda. Miss Shapiro aided him in this scheme. On July 13, 1955, they were indicted for obstructing justice and perjury.

In January 1958, Siegel was convicted of three counts of obstructing justice and four counts of perjury; Shapiro was convicted of two counts of perjury and three of obstructing justice. Siegel was fined and given a suspended sentence and Shapiro a suspended sentence. Both were subsequently disbarred.

Certainly anyone may criticize any public official and many are deserving of criticism. Furthermore, the FBI is not sacrosanct and if it is in error, its errors should be corrected. But the persistent attack upon J. Edgar Hoover and the FBI, emanating from the same quarters over a period of years, looks like revenge. It gives the appearance of a relentless effort to destroy an American institution.

In this effort appears the curious character, Paul Hughes, who posed as a secret investigator for Senator Joe McCarthy and who collected nearly $11,000 over a period of a year from Senator McCarthy's opponents. Hughes was indicted for perjury, for testifying, among other things, before the grand jury that Joseph L. Rauh, Jr., a Washington, D. C. lawyer and a leader in the A.D.A., knew that the information he obtained from Hughes was false.

Rauh and James Wechsler, editor of the "New York Post," were called before the grand jury in this matter. In the Hughes trial the question arose as to whether Rauh had told Wechsler that he, Rauh, had planted a secret informer on Senator McCarthy's staff. Bolan claimed that Wechsler had told him that Rauh had told him (Wechsler) all about the Hughes project without disclosing Hughes' name. Wechsler subsequently denied Bolan's account of the incident, corroborating Rauh and claiming that Wechsler reached his own conclusions by deductions and inference, which is, indeed, a feat.

Subsequently Wechsler testified again and it would appear from all the back and forth of this business that Rauh had given Wechsler considerable information in the Hughes case.

I'm refreshing my own memory and the memories of my readers concerning these and other matters only because I am searching for a reason for the persistent attacks on Hoover. Nothing new or startling was brought forth by "The Nation" report; most of it appeared years ago in Max Lowenthal's book. The "New York Post" profile is still in the making. "The Worker" article was a rehash of "The Nation" material. Precisely why, at this time, are these people ganging up on Hoover?

The reason will soon enough appear. Maybe, someone wants to have a look at the FBI files or maybe someone wants Hoovers job, or maybe someone wants to destroy America's foremost police organization.

Dread Diseases Topple But The Common Cold Goes On

BY EDWIN P. JORDAN, M.D.
Written for NEA Service

"In view of all the remarkable advances which have taken place in the treatment of disease, it may seem surprising that more progress has not been made in the control of the common cold. Indeed, people complain more about this failure than they do about any other disease which has remained unconquered.

"There are many reasons why ordinary colds are still with us.

"Most colds are caused by viruses which, while they are living organisms somewhat similar to bacteria or ordinary germs, are not affected by chemical and other preparations, such as the sulfa drugs or penicillin which are so helpful in many germ diseases.

"About all that the sulfas or penicillin can do for the common cold is to attack the germs which often follow an ordinary cold and which produce such complications as sinus trouble. Even here the results are not always satisfactory.

"Another reason why colds are not controlled better is because several different strains or kinds of viruses may be responsible for identical symptoms. If this is true, infection with one strain of cold virus may not leave any immunity or resistance to another.

"Consequently, when a number of viruses are floating around in the air a person could get one cold right after another.

"Because colds as a rule are not serious, people are much more careless with colds than they are when they have most other diseases. Few people go to bed at once as soon as the first signs of a cold appear. It is probably during this stage that colds are more infectious to others and the possibilities of spreading are therefore greatly increased.

"Also, people with colds do not always stay in bed until they have passed the infectious stage or until they have become entirely well. Not only may this infect others but it keeps the victim rundown for a long time.

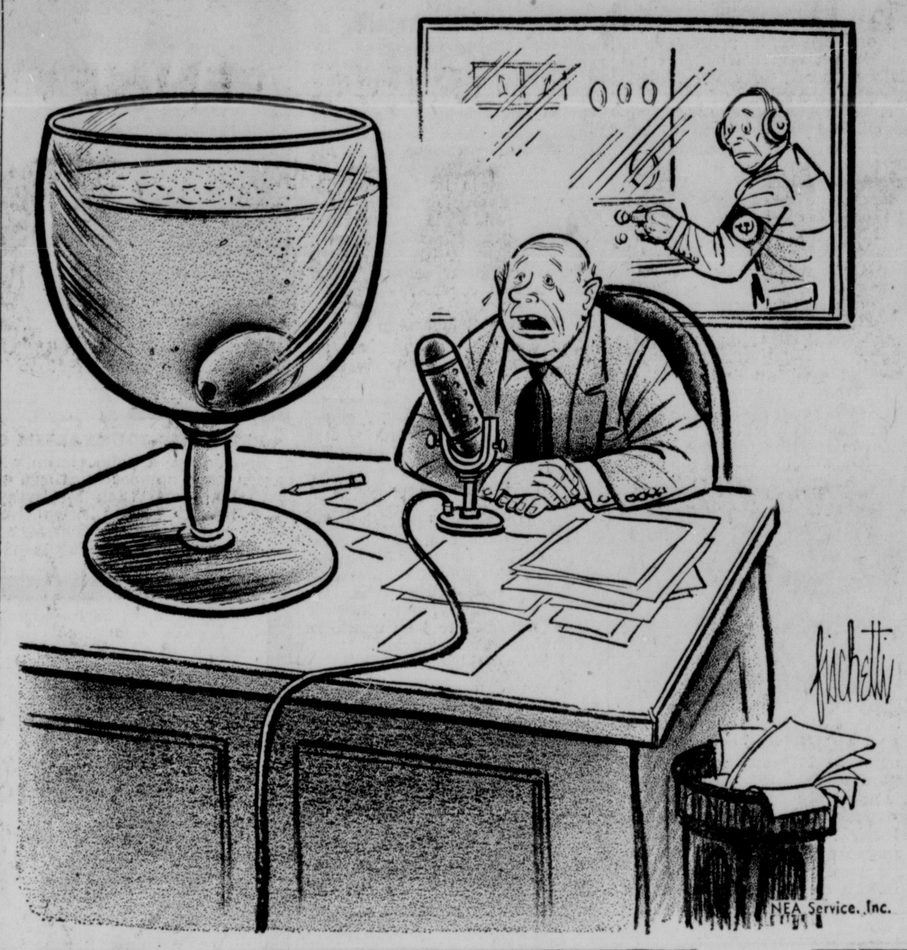
"Crowding provides ideal conditions for the spread of the common cold. The infectious agent is coughed and sneezed into the air and floats around for a long time where it is breathed in by whoever is present. Crowded rooms, theatres, movies all greatly increase the chances of spread of colds from one person to another."

The foregoing paragraphs constituted most of a column which I wrote in 1946. Unfortunately, it is still essentially accurate. To date we have neither good means of preventing the common cold, nor of treating it with great success.

True, something has been learned beyond doubt in the past 12 years, but it still looks as though it will be some time before this pesky illness can be eliminated.

Vending machine designers promise push-button shopping for housewives. This will give time for more put-button work—putting buttons back on shirts.

"I'll Set the One-Drink-a-Comrade Example Myself"



Washington News

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON — (NEA) — In spite of all the secret Gaither reports, Rockefeller reports and the Pentagon reorganization bill passed by the last Congress, the problems of the U. S. armed services are just what they always have been.

This is not to get a lot more bang per buck, as some military experts would have you believe. It is how to get a lot more bucks out of Congress for bigger bangs.

While politicians wrestled these last few months with getting a new Congress elected, the admirals, generals and their civilian secretaries have been trying to decide how much to ask that new Congress for, come next January.

The amount has been going up steadily these last four "peacetime" years—since Korean fighting stopped. It can hardly fail to rise again in fiscal 1960.

PART OF THE INCREASE comes from inflation. No one will say how much. But there is general realization prices have been going up and will go still higher. So have military pay and allowances.

The armed services are fully aware that the new super weapons aren't going to cost any less money.

For a time there was some belief that these super weapons might require fewer men. But even that idea of manpower economy is rapidly being dissipated.

In 1957 the President asked Congress for defense appropriations of 36 billion dollars. Congress appropriated 34 billion. Actual expenditures were over 39 billion for the full fiscal year 1958. This shows how much economizing there was.

In 1958 the President asked Congress for 38 billion dollars. Congress appropriated 39 billion.

Incidentally, that extra billion dollars which Congress appropriated and which some administration officials said was unnecessary, is going to be obligated.

CONGRESS WAS JUST A little smarter than the Defense Department in anticipating requirements. Actual expenses for this fiscal year will be close to 41 billion.

So for the next fiscal year beginning July 1, the talk now is of requests for 42 billion dollars.

This is still believed to be about ten per cent shy of what the Army, Navy and Air Force would like to have, if they could get all they wanted.

There is some Pentagon belief that the country could afford defense budgets of 45 or 46 billion. Officials will say off the record that they'd be a lot more comfortable—that defense would be more secure—if they had this extra obligational authority.

A military budget of this size is contemplated only within the framework of raising the additional four billion dollars by higher taxes. There is no thought of trying to finance added defense on borrowed money—leaving the bills to be paid for by the next generation.

THE REASON THE HIGHER figures were not submitted to Acting Secretary of Defense Donald A. Quarles on Oct. 1 is that the three service secretaries were not told to present cost estimates on everything they wanted or needed.

Instead, the Secretaries of the Army, Navy Air Force were given guidelines on the defense budget that President Eisenhower and Secretary of Defense Neil McElroy would like to submit to the new Congress.

These guidelines are understood to have the approval of Secretary of Treasury Robert Anderson, the Budget Bureau and the National Security Council.

They are based on a belief that in view of the existing Far East and Middle East situations, it will be impossible to cut back defense appropriations next year.

Mitchell Viewed as Placing Restrictions on Rights Bill

By DAVID LAWRENCE

WASHINGTON — The people of Norfolk, Va., went to the polls this week—and voted overwhelmingly against a petition to reopen the city's high school on an "integrated" basis.

Nearly 60 per cent of those who voted preferred to have the schools stay closed rather than see "integration" introduced.

This was the expression of the people of a supposedly sovereign state. But, unfortunately, what the people in a local community may wish to do about the management of their public schools is no longer their sovereign right. This has been taken away from them by decision of the Supreme Court which declares that the states have no right to control their own public schools if the Federal courts at any time wish to rule on what is or is not a proper basis for the admission of pupils.

Right of Free Speech

The people of Norfolk are in for some severe condemnation now. They will be called exponents of a "treasonous" spirit —to quote Secretary of Labor Mitchell. They will be called "deciples" of Orval Faubus, though, of course, he is not Governor of Virginia but of a state hundreds of miles away.

The Eisenhower administration is supposedly "liberal" and presumably dedicated to the idea that in a democracy the people have a right to express themselves. But the Secretary of Labor would apparently deny the Governor of any state the right to express himself on his "prejudices." Time and again it has been said that in America the people may speak freely and that their spokesmen in public office shall not be deprived of the right to express any viewpoint whatsoever. But the Secretary of Labor said in a public speech on Tuesday of this week:

"I think every man has a right to his own prejudices—certainly we all have them about one thing or another—but no man, in any office or position but especially in an influential position, has a right to inflict his prejudices upon the people at large.

"And to make political capital out of prejudice is to insult the American people. As I have said before, to seek personal gain from other men's distress is treasonous to the spirit in which America was founded.

"But while such men often have the headlines, the others have the history books. In a world that is two-thirds nonwhite, that is, for the most part, illiterate, hungry and yearning for spiritual sustenance, we can no longer hide out Faubuses."

Stands by Charge

The foregoing quotation was in the text formally released in advance by the office of the Secretary of Labor, but The Associated Press explains that, when Mr. Mitchell spoke in New York before the National Urban League, he "did not mention Faubus." He said later he cut his speech for brevity but stood by his charge against Mr. Faubus. Did he mean to call the "prejudices" of the Arkansas Governor "treasonous?"

It has become customary for many of the critics of "segregation" to blame it all on Gov. Faubus. It's easier to do that than to face the fact that the people in a secret ballot have several times indorsed their Governor's position. Secretary Mitchell's speech leaves the inference that the people of Arkansas have no minds of their own and that their "prejudices" of today on segregation have been planted recently and solely by the Governor. This is an indirect way of deprecating the intelligence of the Arkansas electorate. Perhaps the same now will be said of the Virginia City where, to be sure, the Arkansas Governor did no campaigning.

Limitation on Campaigning

As for "prejudices," many a political leader in the Democratic and Republican parties may have to be careful now that Mr. Mitchell's new restrictions on the Bill of Rights have been proclaimed. He certainly expressed a novel limitation on modern campaigning when he said that "no man, in any office or position but especially in an influention position, has a right to inflict his prejudices upon the people at large."

The greatest of the liberals on the Supreme Court—the late Oliver Wendell Holmes—not so many years ago defined "freedom of speech as freedom for the thought we hate." To say that no candidate or public official can make a speech that "inflicts his prejudices upon the people at large" isn't in accord with definitions of the First Amendment made heretofore. Even the voicing of "prejudices" in favor of communism and the teaching of the doctrine of revolution by force were upheld recently by the Supreme Court of the United States. It could hardly be that there is one rule for Communists and quite another for the people of Arkansas and Virginia or their respective Governors.

Mr. Mitchell's extremism will not help solve the tragic problems raised by "integration" nor make receptive to change those whose deep-seated convictions are assailed as "treasonous."

My good friend Morris Gouger of Corpus Christi writes: "Here is a slam hand that is both lucky and unlucky. Lucky because I made it; unlucky because I could not spread it the moment dummy hit the table."

North's bidding is very interesting. He had a normal sound no-trump but realized that his hand had to be particularly strong in support of spades. Hence, he used Blackwood to check for aces and continued with five no-trump to tell Mr. Gouger that he was interested in a grand slam.

Despite the fact that he held solid trumps and all the aces and kings, Morris could only count 11 tricks when he saw the dummy. There just weren't any ruffing values. He also saw that his only play for the slam would be to eliminate as many suits as possible and hope for the best.

He drew trumps, played three rounds of diamonds, cashed the ace and king of hearts and ace of clubs and played a small club.

West won and since he had nothing but diamonds and clubs left he had to give Morris a ruff and discard and his contract. The interesting thing about the hand is that Morris could have thrown East in with a heart and attained the same result.

Bonus Bonanza

DEMING, N. M. (AP)—If the 33 employes of a local auto dealer were staggering a bit en route home from payday, it wasn't because of the cup that cheers. Dealer Travis Brem paid off his employes with 6,000 silver dollars as part of a promotion campaign.

LIP SERVICE — Though she may not know it, milady has helped solve a problem for future spacemen—eating in space. Inspired by an ordinary lipstick, right, Swift and Co. research scientists have come up with a dispenser containing solid food, left. One shown contains sausage. Clamped on the face piece of a pressure helmet, the spacemen would turn the bottom of the holder to bring the food to his mouth.

President Leaving For Vacation, To Study Budget

WASHINGTON (AP)—President Eisenhower travels south today to the vacation retreat he likes best of all — the Augusta National Golf Club in Georgia.

Planning about a 10-day stay through the Thanksgiving weekend, the President scheduled a midday departure aboard his private plane, Columbine III.

This is Eisenhower's 21st trip to Augusta since he was elected in 1952. He likes it there because the seclusion is as close to complete as any President ever gets.

The White House said some members of the President's Cabinet and other key government officials probably will fly from Washington for discussion of the federal budget and the legislative program Eisenhower will send to Congress in January.

Mrs. Eisenhower is delaying her departure until this evening because she is giving a luncheon at the White House for United Nations women. The first lady, who doesn't care much for plane travel, will go to Augusta by train, arriving Friday morning.

Deaths

By THE ASSOCIATED PRESS

NEW YORK (AP) — Hans Heinrich von Twardowski, 60, actor and coach of many star actors died Wednesday of a heart attack. Among those whom he tutored in theatrical skills were Marlene Dietrich, Mary Martin and Rita Hayworth.

SAN FORD, Fla. (AP) — Col. Gregory J. Kessenich, 62, inventor of the bazooka which was used to good effect as an easily portable anti-tank weapon in World War II, died Wednesday. He had been chief of the patent section of the Army Ordnance Department in Washington for more than 30 years. He was born in Madison, Wis.

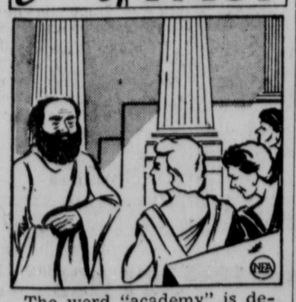
ANN ARBOR, Mich. (AP) — Walter Lucius Badger, 72, internationally prominent chemical engineer, died Wednesday of complications related to a cancer. He was on the University of Michigan faculty from 1912 to 1937 and later was with the Dow Chemical Co. He was born in Minneapolis.

CHICAGO (AP) — Dr. Warren Furey, 60, former president of the Radiological Society of North America, died Wednesday, apparently of a heart attack. He was professor of radiology at Stritch School of Medicine, Loyola University of Chicago, and a member of the board of trustees of the American Medical Assn.

ROCHESTER, Minn. (AP)—Dr. Lee M. Eaton, 53, chairman of the sections of neurology at the Mayo Clinic, died Tuesday. He was president of the Assn. for Research in Nervous and Mental Diseases and a member of the clinic staff since 1938. He was born in Owaneco, Ill.

SYRACUSE, N.Y. (AP) — Fred S. Baldwin, 77, former New York State commissioner of education, died Wednesday. He was prominent in Republican politics.

Matter of FACT



The word "academy" is derived from the olive grove of Academe, the name given to the philosophic school founded by Plato, situated in the suburb of the Ceramicus on the river Cephissus about a mile northwest of Athens. It was said to have belonged to the ancient Attic hero Academus. Plato taught at the "Academe" for approximately 40 years until his death in 348 B.C.

FBI Completes Discussion About BombingIncidents

BEAR MOUNTAIN, N. Y. (AP) —The FBI has completed meeting with Hudson Valley and New York City area authorities on the subject of bombings of churches and schools.

The subject of the session was the only thing disclosed Wednesday by Harvey G. Foster, special agent in charge of the FBI regional office in New York City.

Among local officials gathering for the day-long session were chiefs of police, sheriffs, distric attorneys and county investigators.

There have been no bombings in the area discussed at the meeting. The regional conference is one of a series being held throughout the nation by the FBI to acquaint local law enforcement officers with handling of bombings and bomb threats.

Remanded to Jail

KEARNY, N. J. (AP)—Harold Konigsberg, arraigned as a material witness in the murder of Joseph E. Barbito, has been remanded to the Hudson County jail in Jersey City in lieu of $50,000 bail.

Barbito, 26, of Bayonne, was found Nov. 12 in a parked car. He had been shot through the head. An ex-convict, he was free in bail on burglar tool possession charges in Jersey City and Allentown, Pa.

Konigsberg, 31, also of Bayonne, was arrested Sunday after going through the Holland Tunnel with a commutation ticket allegedly stolen from the car in which Barbito's body was found.

Robert Malloy, 26, Bayonne, who was arrested with Barbito Oct. 19 in Bethlehem, Pa., and also charged with burglar tool possession, Wednesday was released from the protective custody in which he had been held since last Thursday.

ANNUAL LODGE INSPECTION HELD — The official annual inspection of Rondout Commandery, 52, was held last week at Masonic Temple, 31 Albany Avenue. Principals on hand were (l-r) first row, Donald Leith, past commander; Commander Arthur J. Jansen, J. George Lang, very imminent deputy grand commander, who was the inspecting officer; William Cummings, zone officer of Zone 4 and Richard W. Heffernan, past commander. Second row (l-r) Arthur J. C. Hahn, prelate; Fred Van Deusen, recorder; W. W. Fredenburgh, recorder and Sidney Friar, captain general. Third row (l-r) Donald Eaton, sword bearer; George Radcliff, generalissimo; Alfred Messinger, standard bearer; Allen Dumas, senior warden and Irving Wilcox, warder. (Pennington photo).

Prisoners Are Traced

LEWISBURG, Pa. (AP) — Two prisoners who walked away from the honor farm at the federal penitentiary here Sunday night have been traced to about 100 miles away, the FBI says.

Winchester Hill Truby, 34, and Louis Graves, 38, were in the north central community of Coudersport at one point, agents said Wednesday.

Truby, whose wife lives in Middletown, N. Y., was serving a two-year sentence for car theft. Graves, whose wife is a resident of Zanesville, Ohio, was serving a 10-year term for bank robbery.

Reds Revert to Savage Changes

Soviet-Peiping Tactics Look Like Return to Stalin Policy

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP) — The West is confronted with a savage change in Russian and Red Chinese tactics that looks like a return to Stalinism.

What is happening at Berlin and Quemoy may be only the first in many aggressive Communist moves which from now on could keep the Western Allies jumpy and off-balance. This would require a long-range Red plan.

Pressure After Pressure

Or it may be an effort by the Communist world to regain some of the ground it lost last summer when American troops moved into Lebanon and British troops went into Jordan.

Stalin's policy wa sto give the West no rest, to keep it off balance, test its willingness to resist, grab what he could. He pressured Turkey and Iran, and Greek Communist guerrillas tried to take over their country's government.

In all three cases the United States resisted and Stalin backed down. He made hay in Czechoslovakia which was too far inside the Iron Curtain to get direct help. The Communists took over from within.

In 1948 he tried to force the United States, Britain and France out of their occupation of West Berlin — which is 110 miles inside Red-run East Germany — by completely blockading any overland supplies for West Berlin.

Was Worst Blunder

The United States smashed this blockade with its airlift and Stalin gave up on that one. Then, with Russian help, the Korean Communists began their war. The United States had to go to war to block them.

But this proved Stalin's worst blunder. His terror tactics drove the Western countries into active military alliance and stimulated the United States into an arms program that has never ceased.

It was the last thing the Soviets wanted. When Stalin died the new Soviet boss, Nikita Khrushchev, not only denounced him as a murderer but called a halt to unconcealed terror tactics.

The Soviet Union continued to push, but now it was by persuasion, economic help, peaceful means. Yet the more Russia increased its military power, the more it blustered and became even more overbearing.

Russia Just Growls

Then last summer, when the Lebanese government feared overthrow and called for American help, President Eisenhower sent in American troops. At the same time the British went into Jordan to save King Hussein's throne.

Suddenly Western troops were in the Middle East, right under Russia's nose. Russia growled but did nothing.

The world got a picture of a tough, determined West and an ineffectual Russia. It was while the American and British troops were still in the Middle East that Khrushchev made a sudden, surprise visit to Peiping.

Almost at once the Red Chinese began their bombardment of Chiang Kai-shek's Nationalist troops on the offshore island of Quemoy.

The United States was tough. It backed Chiang, refused to force him to retreat from Quemoy which was not actually necessary for defense of his main forces on Formosa. The reason given: It was a matter of principle to refuse to yield under fire.

West Refuses to Budge

While the shooting was still going on at Quemoy, Khrushchev made another aggressive thrust. This time he demanded the Western Allies get out of Berlin and leave it to the East German Reds.

This was a return to Stalin's pressure against Berlin, although it remains to be seen whether the Communists will try the blockade method again. The West has refused to budge.

No one can predict whether Khrushchev's beginning at Berlin will develop into crisis or whether, while the fire he lit at Berlin still burns, he'll push somewhere else.

Stone Ridge Fire Vote Set Dec. 2

The board of fire commissioners of the Stone Ridge Fire Department have called a meeting at the Stone Ridge Firehouse for Tuesday, Dec. 2, from 7 to 10 p. m. for election of one fire commissioner for a five year term. The office to be filled is that of George Kornstone, whose term as commissioner expires on Jan. 1, 1959.

Motive Is Sought In 'Light' Slaying

NEW YORK (AP) — A Coast Guardsman remained in an Army stockade today as authorities sought to determine what motive was responsible for the death of a co-worker in a lonely lighthouse at the tip of Staten Island.

A prisoner at Fort Jay, Governors Island, is Boatswain's Mate 1.C. Jacob A. Hughes, 30, of Orangeburg, S. C.

Formal charges have not yet been filed against Hughes in the slaying Wednesday of Engineman 1.C. Thomas Somogyi, 28, of Cecil, Pa.

The men battled in the early morning hours, the Coast Guard said, with Hughes using a kitchen knife and Somogyi a claw hammer.

Both Had Weapons

The families of each were asleep and the light, which operates automatically, functioned through the fog as the two men fought it out in the hallway separating their quarters in a cottage adjacent to the lighthouse.

One report said the men fought over Hughes' wife, Marion, who came with him to the lighthouse last May. Another report mentioned petty frictions which loomed large in the isolation both men had to bear.

Somogyi lived in the lighthouse with his wife and three children. They had been at the station, at the entrance to New York Harbor, for the past year.

Throat Was Hacked

Somogyi died Wednesday morning in the U. S. Public Health Service Hospital on Staten Island. His throat had been hacked, severing a major artery.

The job of the two men was mainly maintenance of the big light, located on the Army installation at Fort Wadsworth.

Filing of charges in the slaying was up to the Coast Guard, which has jurisdiction over the personnel although the property belongs to the Army.

Why We Say--

AT LIBERTY: When a comedian tells a joke that has not been prepared for him in advance, it might be said that he has told an "ad-lib" joke. "Ad-lib" is really an abbreviation of the Latin words "ad libitum", at liberty. The abbreviation started with music which was marked in certain parts "ad lib", meaning that the musician could substitute his own notes in those places.

Burr J. Merriman, Educator, Dies at 80

WEST SPRINGFIELD, Mass. Burr J. Merriman, 80, who had been superintendent of schools in several Massachusetts communities, died Wednesday in a nursing home.

He had been ill for several weeks.

Merriman was a native of Lisle, Broome County, N. Y.

He was graduated from Oneonta State Normal School now a teachers' college, and Columbia University. He received a master's degree from Harvard University.

He was a past president of the New England Assn. of School Superintendents and of the Massachusetts association.

Survivors include his widow, two sons and a daughter.

Immunization Clinic To Be Held Saturday

A clinic for immunization against whooping cough, diphtheria, tetanus and smallpox will be conducted by the Ulster County Health Department at 15 Main Street, Saturday from 9 to 11 a. m.

Immunizations for whooping cough, diphtheria and tetanus should be started at three months of age; and smallpox vaccination be given some time during the first year of life.

The clinics serve those who are referred by their physician or those who are otherwise unable to secure the immunizations.

Hippo Moving West

NEW YORK (AP)—Soon there will be one less huge mouth to feed at the Bronx Zoo. Bertie, a 2-year-old, 1,200-pound hippopotamus, is heading west.

His parents, Falstaff and Rose II, are all the hippos the zoo can handle. So, New York City put Bertie on the block.

The top bid, $2,450 or about $2 a pound, came from Arthur E. Johnson, chairman of the board of the Argo Oil Corp. of Denver. He has ticketed Bertie for the Denver Zoo.

Realtors Meet Friday

The regular monthly meeting of the Ulster County Real Estate Board will be held at the Governor Clinton Hotel Friday at 7:30 p. m. Edward C. O'Connor, president, urges all members to attend as matters of importance to all members will be discussed.

Adventist Church To Take Sacrifice Offering Saturday

Offering plates at the Seventh-day Adventist Church, 30 Pearl Street, are expected to overflow Saturday, as members give an annual "sacrifice" offering.

The special offering follows the church's annual Week of Prayer, during which members have attended special meetings featuring readings and prayer services.

"This special offering is outside the spectrum of giving as most church members practice it," said the Rev. Eric R. Norman in announcing the annual service. "Many of our members are actually giving a full day's wages as they contemplate the infinitely greater sacrifice made by Christ in man's behalf. Others may give the amount of a week's wages."

The Rev. Mr. Norman said the sacrifice offering will be received in Seventh-day Adventist Churches throughout the world on Saturday, and that the sacrifice of members in other countries often takes a different form from that in the United States.

"In South Pacific island areas the offering may be a large basket of yams or coconuts, which represents funds to the island peoples," said the Rev. Mr. Norman. "In Africa grain or eggs might be given. But whatever the gift, the spirit of sacrifice is the motivating factor on this special day."

The Rev. Mr. Norman said a special message about the offering has been received from Chester L. Torrey, Washington, D. C., world treasurer of the Seventh-day Adventist Church, stating that, "God wants our hearts, our lives, and our means consecrated to Him and His cause. Surely we need to learn the deeper meaning of sacrifice in view of the urgent need facing the church today."

Pravda Blasts Bulgy

LONDON (AP)—Nikolia Bulganin got another shoving around in Moscow's Pravda today as an alleged member of the "antiparty" group that Soviet Premier Khrushchev ditched from high office last year.

Continuing the campaign against Bulganin, a Pravda article broadcast by Moscow radio said the former Soviet premier had attempted to "put the brakes" on Soviet progress.

Governor Says Museum Should Stay

ALBANY, N. Y. (AP) — Gov. Harriman says the State Museum should remain in Albany.

He declared Wednesday in a statement that he was opposed to a suggestion that the museum be transferred to the Cornell University campus at Ithaca.

Cornell recommended the transfer. It said a combination of state and university museum facilities would benefit students and research scientists.

The State Museum is now in the Education Building here. Harriman said the museum may some day need its own building and suggested the state campus on Albany's outskirts as a possible site.

The Education Department has made no formal announcement of its views on the Cornell proposal.

Fourth Degree Will Serve as Honor Guard

Faithful Navigator Edward Ahl of Kingston Assembly 275, Fourth Degree, Knights of Columbus, has announced that all Sir Knights are urged to be present at St. Peter's Church, Wurts Street, Sunday at 11:20 a. m.

They will serve as a guard of honor for the Most Rev. James S. Griffiths, STD, JCD, who will celebrate a solemn Pontifical Mass of Thanksgiving at 12 noon to begin the three-day observance of the centennial of St. Peter's parish.

Dress will be formal for Sir Knights with sword and outside baldric and white gloves.

Mistake by Robbers

SAN FRANCISCO (AP) — Two men who robbed the Provident Loan Assn. of $500 here made one mistake.

They made Ben. W. Elliott, the appraiser on duty, lie on the floor —right beside an alarm bell.

Elliott nudged it. Two minutes later the robbers, armed with toy pistols, were stopped by a motorcycle policeman.

Albert Prowse, 31, and William O'Malley, 48, were charged with armed robbery.

271,549 Births Is State Record

An all-time high number of births was reported in New York State during the first nine months of 1958, Dr. Herman E. Hilleboe, state health commissioner, announced today.

The number of births during the nine-month period was 271,549, compared to 270,013 for the same period last year.

The death rate, 10.4 per 1,000 population, was above the rate for the first nine months of 1957 (10.2). The total number of deaths was 129,099, approximately 4,000 more than for the same period last year. This was a result of the high mortality during the first three months of the year.

Infant Mortality Increase

Infant mortality, 24.0 per 1,000 live births, was higher because of an increase in deaths between 28 days and one year of age. The death rate for infants under 28 days of age, 18.2, did not change. Maternal mortality was 4.0 per 10,000 live and still births, and has been lower only twice.

New minimum rates were recorded from tuberculosis, 8.5; syphillis, 1.9, and appendicitis, 1.3. Mortality from hernia and intestinal obstruction, 5.2, was slightly above the minimum of 5.0 recorded in 1956 and 1957. The cancer death rate was 181.9 (22,668), compared to 185.7 (22,805) for the same period in 1957.

The increase in the total number of deaths was primarily due to higher mortality from pneumonia and diseases of the cardio-vascular-renal group. The death rate from pneumonia, 36.4 per 100,000 population, was the highest since 1944, and the rate from disease of the heart, 460.4, was the second highest on record.

Among the external causes of death, mortality from all types of accidents, 36.4, was the lowest recorded. Automobile fatalities, 12.1, were the lowest since 1948, and fatal home accidents, 12.2, reached a new low point. The suicide rate, 8.8, was the highest in six years, while the homicide rate, 2.7, increased slightly.

Progress Reports Lacking Today In Bendix Strike

DETROIT (AP) — Progress reports were lacking as negotiators prepared to resume talks today in the three-day old Bendix Aviation Corp. strike which has closed the firm's eight plants and idled 13,500 employes.

Neither the striking United Auto Workers nor the company commented on the union's reception to Bendix's settlement proposal of Wednesday. The company claims the proposal equals the recent UAW auto industry contracts.

Among the UAW's demands are improvements in pensions, layoff pay, and hospital-medical insurance.

The strike has shut off Bendix's production of computers and missiles and aircraft parts. Its plants are in Detroit, St. Joseph, and Madison Heights, Mich.; South Bend, Ind.; Teterboro, N. J., Elmira, N. Y., North Hollywood, Calif., and Los Angeles.

Kingston Rotary Club Welcomes 4 New Members

Four new members of the Kingston Rotary Club gave one-minute sketches of their lives when formally presented to the local service club at its regular weekly luncheon-meeting Wednesday.

The new members welcomed into the club were Norman McLeod, works manager of Hercules Powder Company Port Ewen plant; Samuel Ruchman, painting contractor; Louis J. Smith, drug sales representative and Jerry Martin, auto dealer.

Following the presentation of the new Rotarians, a movie was shown on the life of Theodore Roosevelt, 26th President of the United States, which depicted his crusades against organized crime and his vigorous election campaigns. The movie honoring the 100th anniversary of President Theodore Roosevelt's birth highlighted his public service career as a member of the New York State Legislature, Governor of New York, Assistant Secretary of the Navy, Vice President and President of the United States.

His gallantry in Cuba with the Roosevelt's Rough Riders, which he organized, and his big game expeditions in the West and in Africa were included in the movie production.

Rural women in Turkey, those who worked in the fields, once wore veils only on holidays and similar special occasions.

Historical Committee Is Founded in State

Formation of "Year of History" Committees in all 62 counties of New York was announced today by Senator Ernest I. Hatfield, Chairman of the Temporary State Commission on Historic Observances.

"In county after county across the state, the historic observances committees are comprised of outstanding men and women deeply conscious of our heritage and eager to do their full part in conducting appropriate celebrations during 1959—the Year of History in New York State," the Senator said.

Emphasizing the importance of the county historic observances committees the Senator pointed out that if the state commission had an appropriation ten times its present size, it would be impossible without strong county leadership to give adequate recognition to our past during the great year of history just ahead.

'Every single county in the State has played an important part in moulding the rich historic past it is our good fortune to have as a heritage. And it is within each county that you will find those who know in detail the particular historic contributions made there and how best these historic events can be observed. The County Committees indeed provide the firm foundation on which the success of the 1959 celebration will rest," Senator Hatfield said.

New Paltz Jaycees Hear Stock Broker

At the regular monthly membership meeting of the New Paltz Jaycees, held Monday at Harmony Inn, Joseph Dolan, account executive of the brokerage firm of Merrill, Lynch, Pierce, Fenner and Smith of Poughkeepsie, presented a talk and a movie on investments for the young man.

Dolan said that there are three things to do with money left over after all necessary expenses are paid. First, it can be kept in the bureau drawer where it can actually lose its purchasing power; second, it can be spent on luxury items and third, it can be invested in one manner or another. Dolan emphasized the advantages of a young man buying good quality common stock with growth potential.

Other guests present at the meeting were Thomas Benenati, Ronald Davison, John Gibbons, Randolph Siegel, James Sowarby and Frederick Sutter.

Vice President Ralph Amsen installed Gilbert Clough as a new member during a short business session.

It was also announced that the New Paltz chapter was awarded a plaque at the Mid-Hudson regional meeting held in Hudson Nov. 9 for winning an inter-club visitation contest. The local group had a total in excess of 500 man miles while visiting other locals in the Mid-Hudson area.

Since the award was the result of the active chairmanship of Howard LeBas, he was presented an award of merit for its contribution.

Quemoy Schools Resume

TAIPEI (AP) — Quemoy's children went back to school today after a perilous three-month vacation given them by Communist guns.

All primary schools on the island fortress reopened. Shellfire damage had been repaired and shelters dug for pupils and teachers.

Students of Quemoy's high school, which was wrecked by artillery, have been transferred to Formosa.

IBM Appointment

WILLIAM J. BROWN

The Military Products Division of International Business Machines Corporation today announced the appointment of William J. Brown, of St. Remy, as product engineer at the division's plant in Kingston. He joined IBM in November, 1955, as a technical engineer in the Kingston circuits laboratory and was named associate engineer in October, 1956 and project engineer in August, 1957. Brown is a graduate of Columbia University with a bachelor of arts degree in physics and mathematics and a veteran of three years service with the U. S. Army. He and his wife, Kathryn reside in St. Remy with their daughter, Lynn, 2, and son, Robert, four months.

Cole Is Re-Elected

WASHINGTON (AP) — Haines W. Cole of Ithaca, N. Y., will begin Jan. 1 a new, two-year term as a director of the Federal Home Loan Bank of New York.

He was re-elected here Wednesday by the board of the Federal Home Loan Bank.

The New York bank serves that state, New Jersey, Puerto Rico and the Virgin Islands.

Boom for Presidency

Rocky Due Home Soon Following Giant Welcomes

RIO DE JANEIRO, Brazil (AP) —Governor-elect Nelson Rockefeller flies home from his South American vacation late today after a luncheon with his old friend President Juscelino Kubitschek.

The New York Republican and his wife flew here Wednesday from Sao Paulo and were greeted with open arms by President and Mrs. Kubitschek. The President quipped:

"The way you were received here I thought you might be running for governor of Minas Gerais state," the post from which Kubitschek reached the presidency.

In Sao Paulo, Rockefeller was boomed for president of the United States by that state's governor, Janio Quadros, who wants to be president of Brazil.

Acclaiming Rockefeller at a luncheon as a great friend of Brazil, Quadros said he hoped "we, his friends in Brazil, one day may see him in the White House."

Rockefeller said he just wants to be a good governor of New York for the next four years. He said he hoped he would be as good a governor as Quadros had been.

"Your wings are spread and you are flying high," he said. "I believe you will guide your people and also help guide our people along the right route wherein we will work together — one people aiding the other."

Later he talked privately with Governor-elect Carvalho Pinto of Sao Paulo.

The Rockefellers came to Brazil after a week's vacation at his ranch in Venezuela. They visited anexperimentalfarmthe an experimental farm the family sponsors in the interior of Sao Paulo state.

Queen Victoria was awakened at five o'clock in the morning to be told that she was Queen of Great Britain.

New Carpet Firm Will Pay Dividend

AMSTERDAM, N. Y. (AP)—Mohasco Industries Inc. will pay on Dec. 22 the first common-stock dividend in its three-year history.

Directors also voted Wednesday to pay more than a million dollars in past-due dividends to holders of preferred stock.

The company was formed in December 1955 with the merger of Mohawk Carpet Mills and the Alexander Smith Carpet Co.

Mohasco reported last month that net income for the first three quarters of 1958 was $3,365,934, compared with $1,970,759 in the same period of 1957.

Sales were down 14 per cent this year, the company said. The directors said Wednesday that improved efficiency had brightened the earnings picture despite the drop in sales.

The board voted a common-stock dividend of five cents a share and a year-end payment of the same amount. The dividends will be paid to stockholders of record Dec. 1.

Holders of preferred stock also will receive a quarterly dividend. The payment will depend on the type of stock held.

Two More Buildings Set for Stony Brook

ALBANY, N. Y. (AP) — Two more buildings for the new State College at Stony Brook, L. I., are going on the drawing board, Gov. Harriman's office said today.

The structures—a library and a physical education building—have been added to the design contract for the Stony Brook campus. They will cost a total of 4½ million dollars. They have been scheduled for completion in 1962.

Four classroom and laboratory buildings, several dormitories, a dining hall and a heating plant already have been placed under design.

Other buildings to be designed later will bring the overall cost of the campus to 25 million dollars. The facilities will accomodate 3,000 students.

The new college specializes in training engineers and teachers in science and mathematics. It has been occupying temporary quarters at Planting Fields, near Oyster Bay.

Cheese is made in about 500 varieties.

Weekly Food Review

WEEKLY FOOD REVIEW
By THE ASSOCIATED PRESS

Some of the nation's supermarkets and neighborhood grocery stores are jumping the gun on Thanksgiving Day by offering turkey at special prices this weekend.

Other stores held back, apparently intending to feature turkey early next week. Some of these stores offer bargains in chuck roast and fryers on the theory that the housewife who splurges on a turkey next week wants something cheap this week.

Some Offer Hams

Some stores offer hams as well as turkeys, giving the shopper a chance to diversify this Thanksgiving Day. Turkey prices vary widely but one leading chain is offering the birds at around 39 cents a pound for 18 pounds and over, about 43 cents a pound for 8 to 16-pounders in metropolitan New York.

Meat prices are about unchanged on the week, although loin pork chops are up four to six cents a pound in some areas. Fryers are off a bit, while eggs are narrowly higher in some places.

The bargain list in vegetable departments includes potatoes, spinach, mushrooms, brussels sprouts, cauliflower, rutabagas, cabbage and a host of so-called cooking greens—collard, kale, mustard and dandelion.

Citrus Prices Lower

Broccoli, yellow or green squash, cucumbers, celery, carrots, onions, radishes, sweet potatoes and beans are good buys. Peppers and tomatoes are only moderately priced and lettuce is expected to head higher because of poor weather in California growing areas.

Apples remain the best fruit buy.

Yule Plans Made By Local Chamber

WALLKILL — At the regular meeting of the local Chamber of Commerce, two new clergymen of the area were introduced at the business meeting: They were the Rev. William Pyle of the Shawangunk Reformed Church, who offered the invocation; and the Rev. Wilhelm Haysom of the New Hurley Reformed Church. One new additional member attending was Henri Muller who was also presented to the gathering.

The membership committee reported a total of five new members, those being; Henri Muller, Frank Banderio, Wallkill Auto Sales, Wallkill Federal Savings and Loan Association, and Edsalls Drug Store.

Reporting for the Christmas lighting committee, Walter Smith, chairman, announced that the "Lights On" program and party would be held Thursday, Dec. 4 in the village square near Titus Insurance Office. Santa will arrive at 7:30 p. m. and his helpers will distribute gifts to the children.

There will also be a Lighting contest within the village limits, with three prizes given for house decorations, and three prizes in the lawn division.

Clifford Quick reported for the RIDC said that word had been received from the State Department of Commerce that they are now taking aerial photos of the valley, and are compiling the brochure for this area, hoping that new industry will be attracted to the area.

Two resolutions were passed, amending the constitution and by laws.

Clifford Hotaling reported that he had written to the District Engineer's office, Poughkeepsie, and that contracts will be let on Dec. 11, for the improvement of Rout 300 in Wallkill to the Ulster County line. Work is expected to start shortly after the first of the year.

George Sanford reported for the Walden Telephone Company that additional equipment has been installed, due to their recent expansion; and that more equipment will be obtained in the early part of 1959.

After formal adjournment, Clifford Hotaling spoke and showed slides of his recent Alaskan trip under the American Agriculturist Holiday Tours. Refreshments were served.

The next regular meeting will be a Pot Luck Dinner for members and families Dec. 15. Clergymen of the area will arrange the program.

Education Week Is Observed Locally

Clare Ostrander, elementary principal of the Wallkill Central School District, reported an excellent attendance of parents in cooperation with American Education Week. In the elementary building at Wallkill, 107 parents and friends observed their children and teachers at work. Many parents also enjoyed the cafeteria facilities and ate lunch with their children.

It was pointed out by Mr. Ostrander that during the October room meetings held in the elementary buildings, the teachers were able to discuss the school curriculum with 385 interested parents.

In the Modena School, a Parents Club meeting was held in conjunction with American Education Week, while the Plattekill School did the same. In this and the Leptondale building there was an attendance of about 90 persons. The Plattekill School also published an all-grade news with bulletins in regard to American Education Week.

Three Choirs Serve Reformed Church

For the first time in many years, if not initially in its history, the Wallkill Reformed Church is being served by three complete choirs — senior, young people's and junior choirs.

Under the direction of Mrs. Louise Didsbury of Walden for years one of the area's most accomplished organists and choir directors, a young people's choir was organized last year, comprised of teenage members of the church. The group gave its first program at the Easter church services.

This year, Mrs. Didsbury organized a junior choir of 44 members ranging in age from 8 through 12. The juniors will appear before the congregation for the first time at the Sunday evening service prior to Christmas.

Mrs. Didsbury is high in her praise of the work accomplished by both the young people's choir and the junior choir in their eagerness to learn, as well as what she terms their "100 per cent faithful attendance at rehearsals" since early fall.

The 25 members of the young people's choir, under Mrs. Didsbury's direction, will be heard Sunday at the Thanksgiving service 11 a. m. at which time the group will sing the anthem, "Oh Give Thanks" with Gary Edwards of Wallkill and Walter Roosa of Walden, soloists. Mr. Roosa, one of the area's most accomplished baritones, will also sing "Bless This House" during the service. The entire choir will join in the anthem, "Thanksgiving for the Golden Hours."

Church Notes

Thursday 4 p. m. junior choir rehearsal, 6:30 p. m., the young people's choir will rehearse, and 8 p. m. senior choir will hold rehearsal in the church. Senior choir rehearsal time has been changed.

Wednesday, Nov. 26, 8 p. m. traditional Thankegiving service will be held in the Reformed Church. The sermon will be given by the Rev. Walter N. Van Popering, and the choir will present Thanksgiving anthems in keeping with the celebration.

At the regular morning worship service at the Wallkill Reformed Church, Sunday Mr. and Mrs. Walter Nevin, Miss Betsy and Miss Barbara Nevin, Mrs. James Crowell III and Mrs. William Schwarz were welcomed into church membership.

The Sacrament of Baptism was administered to Nancy Frances, daughter of Mr. and Mrs. M. Bedford; Dorothy Lynn, daughter of Mr. and Mrs. W. Schwarz; Karen Joy, daughter of Mr. and Mrs. N. Terwilliger; Erik Rutgers, son of Mr. and Mrs. Charles Muller; Lori Dee, daughter of Mr. and Mrs. Clifford Caswell; and Stephen Michael, son of Mr. and Mrs. Blair Caswell.

Village Notes

The Wallkill Public Health Association will hold a regular meeting Tuesday, Nov. 25, at 1:30 p. m. in the Public Health Rooms, Wallkill Avenue. Anyone interested may attend.

Bill Wood opened the hunting season Monday morning by bringing down a spiked buck in the early hours. He was hunting with Dr. Ira Wickner at the time.

A christening party was held Sunday afternoon at the home of Mr. and Mrs. Melvin Bedford, in honor of their daughter, Nancy Frances. She received many gifts, and a buffet dinner was served to 54 guests from Wallkill, Walden, Newburgh, and Nanuet.

Four generations on both sides of the family attended. On the maternal side was Mrs. Ernest Rhodes, of Wallkill, the great grandmother; Mrs. Lawrence Mower of Wallkill, the grandmother; her daughter, Mrs. Melvin Bedford, and Nancy Frances, the honored guest.

Including U. S. territories, American Brahman cattle can now be found in 43 countries of the world.

Mombaccus Creek Cleaning Is Done

During a meeting of the town board of the Town of Rochester Supervisor A. Richard Terwilliger reported the work of clearing the Mombaccus creek by the State Department of Public Works had been completed and he was authorized to send a letter of appreciation to the department.

Seek Work Annually

Annual clearance of the stream will also be requested in order to maintain the stream in an unobstructed condition. Obstruction of the creek creates flood conditions.

Supervisor Terwilliger also offered a resolution, which was adopted, requesting that legislation be introduced at the 1959 state legislature session to permit borrowing of sufficient funds to pay outstanding claims against the Town of Rochester Highway Funds incurred during the years of 1955, 1956 and 1957.

In the General Fund it was reported a balance of $11,480.76 existed as of October 31; in the Highway Fund $45,405.78. The town clerk, Elsie E. Rider (Smith) reported receipts for October of $1,574.45 with fees payable to the town of $150.45. Bills in the amount of $3,071.11 were approved and ordered paid from the General Fund.

Discuss Road Work

Entrance to Route 209 from town and county roads in the Town of Rochester was brought up for discussion. Through the widening and resurfacing of Route 209 these entrances need attention. Repairs to the former Pataukunk school building, now owned by the town, were discussed. Supervisor Terwilliger reported Richard Gray had obtained Jerry Decker to make some of the most urgent repairs. Inspection shows the roof needs to be replaced and specifications for the most economical type of roof were presented. An extension on the roof was also proposed, and Supervisor Terwilliger listed other repairs to be made as soon as possible.

The November meeting was held earlier than usual since the annual session of the board of supervisors was scheduled for the regular town board meeting night.

Indian Legend

Indians dug the soft red stone to make their peace pipes from a quarry near Pipestone, Minn. their legends say the strange reddish material is the flesh of Indians drowned in the Great Flood.

Body Washed Ashore, Police Making Probe

BRANT, N. Y. (AP)—Police are investigating the death of an elderly Dunkirk man whose body was found washed ashore near this Lake Erie village Wednesday.

Authorities said Lee Davis, 74 of RD1 Dunkirk died of a fractured skull and a crushed chest. Medical Examiner Rocco De Deominicis said the injuries were received before Davis entered the water but declined to speculate on what caused them.

Davis' body, clad only in long underwear and high, brown work shoes, was discovered by caretakers from a nearby estate.

Dr. De Dominicis said Davis had apparently been dead no longer than 24 hours.

A death certificate was withheld pending further investigation.

The princess is the former actress Grace Kelly of Philadelphia.

Loafs on Birthday

TWIN FALLS, Idaho (AP) — Farmer Herschel Sonner has been pretty busy — removing old fruit trees from his orchard and clearing weeds from the sheep pasture.

But he had to take a day off Wednesday to chin with some 30 relatives. It was his 100th birthday, and the family wanted to have a nice party for him. He planned to get right back to his chores.

Caril Case Now In Jury's Hands

LINCOLN, Neb. (AP)—The murder case of Caril Ann Fugate, 15-year-old ex-sweetheart of killer Charles Starkweather, went to a jury at 10 a.m. (CST) today.

The jury's task: to decide whether Caril shares the guilt which already has brought Starkweather a death penalty.

Charged on 2 Counts

The girl is charged on two counts—one with first degree murder in the death of Bennet, Neb., schoolboy Robert Jensen and second with murder in the perpetration of a robbery of Jensen.

Judge Harry Spencer told jurors they may find Caril guilty of either first or second degree murder or innocent on count one.

On count two the verdict must be either guilty of first degree or innocent.

Second degree murder carries a penalty of 10 years to life imprisonment.

First degree murder is punishable in Nebraska by life imprisonment or death in the electric chair. The jury specifies which penalty shall apply.

Judges Advises Care

Judge Spencer told jurors that aiding or abetting would make Caril equally guilty with Starkweather under the law.

He advised jurors to use "great care and caution" in weighing the testimony of Starkweather, a principal state witness against his former sweetheart.

The judge pointed out that Caril was not on trial for failing to run away from her killer companion, for not giving an alarm, or for not trying to prevent the offenses.

Asks Court Help To Win Degree

ALBANY, N. Y. (AP) — A student who contends Columbia University denied him freedom of speech wants the state's highest court to help him win his degree in philosphy.

Richard Edde of Brooklyn told the Court of Appeals Wednesday that Columbia refused him his doctorate because he would not revise his thesis to conform with a university request.

He said rejection of his thesis on Economic Accounting History was a violation of his constitutional right of freedom of speech.

Attorneys for Columbia argued that a degree of doctor of philosophy was not an absolute right and was awarded only to those "who demonstrate a capacity to contribute to the advancement of learning within the field selected." Edde failed to meet the requirements, the attorneys said.

Edde, a graduate of New York University, asked the high tribunal to direct Columbia to reinstate him as a candidate for the degree.

In arguing his own case, he referred to matte in the thesis degree. That was so technical the court asked for a copy to study, along with the requested change, before making a decision.

Church Council Training School Ends Wednesday

The Kingston Area Council of Churches closed its first leadership training school Wednesday night in the newly-decorated sanctuary of Fair Street Reformed Church.

Five study courses, which were conducted both at Fair Street Reformed and St. James Methodist Church, began October 15.

Flue Courses Held

Total enrollment, according to the Rev. Ralph E. Hughes, pastor of Trinity Methodist Church, who was in charge of leadership of the school, was 70.

Highlighting the training school were five special courses conducted by various clergymen and laymen of the area.

Culminating the six-week program last night, the Rev. Dr. Kenneth N. Alexander, pastor of St. James Methodist Church, called on those in attendance to make a stand for principles and apply the learning received.

Speaking on the topic, "The Last Leap," Dr. Alexander recalled that many techniques were learned during the six weeks which would help for better learning and teaching.

However, he added that "the greatest tragedy which could happen to a person would be to not make use of this learning.

"A Christian worker should make a stand for principles and apply the learning he has received," Dr. Alexander added and he referred to this as a "leap of faith."

Instructors Listed

The five courses and their instructors follow:

How to Ready and Study the Bible, by the Rev. Richard R. Guice, Ashokan Methodist charge.

The Prophets and Their Messages, the Rev. Culyer T. E. Thayer, Rosendale Reformed Church.

Christian Character and How It Develops, the Rev. Henry M. Hansen, pastor of Ponckhockie Congregational Church.

Understanding Children, Miss Barbara G. MacCubrey, director of religious education, St. James Methodist Church.

Administering the Church School, Percival W. Gazlay II, director of religious education,

Ike Goes South

WASHINGTON (AP) — President Eisenhower flew south today for a 10-day golf-and-work holiday in Augusta, Ga.

His private plane Columbine III was off from National Airport at 11:53 a.m. EST.

The trip to Augusta takes about an hour and 45 minutes, which leaves the President plenty of time for 18 holes today at the Augusta National Golf Club if the weather is good.

Eisenhower was accompanied by staff members and by a guest, George Champion, president of the Chase Manhattan Bank in New York.

Glancing Over TV Bill of Fare

By CHARLES MERCER
AP Television Writer

NEW YORK (AP)—Because of the threat of a strike by the American Federation of Television and Radio Artists, the television and radio performers' union, "Kiss Me Kate" will be seen on tape tonight over NBC-TV.

It should be a good example of the fact that the viewing audience can't tell the difference between live and taped television — provided the tape records the spontaneous quality of a straight run-through.

That is exactly the way it has been handled by producer-director George Schaefer of the "Hallmark Hall of Fame" production starring Alfred Drake, Patricia Morison and Julie Wilson in the Cole Porter musical.

"We have kept the same kind of excitement and live quality that we want in every 'Hallmark Hall of Fame' show," Schaefer says.

The taping of the TV adaptation of the Broadway hit was done last Saturday when a strike was scheduled for midnight — and then was postponed for 72 hours.

Schaefer says that the method used was the same as with every live TV show he directs — first a dress rehearsal "at full pitch," then Schaefer's notes of comment were read to the actors, and finally the straight run-through.

Another example of live television on tape will be visible tonight when "Playhouse 90" presents a Horton Foote adaptation of William Faulkner's "Old Man" on CBS-TV.

Sterling Hayden and Geraldine Page head the cast of the Fred Coe production directed by John Frankenheimer.

"Old man," a section of Faulkner's novel, "The Wild Palms," is one of his most celebrated stories. A program precis makes it sound terribly simple: two convicts put to work fighting the 1927 Mississippi flood and one wants to escape and one feels honor-bound to do his job and return.

Well, the story is not that simple. For one thing, a principal character is the rampaging Mississippi itself. In the story a woman gives birth in a skiff aided by the convict who has rescued her.

How "Playhouse 90" treats such scenes — or if it develops them at all — should be of interest to serious viewers everywhere.

Workmen Mishaps Show Sharp Drop

Industrial accidents reported to the Workmen's Compensation Board during the nine months ended September 30 were the lowest in New York State for any similar period since 1941, Miss Angela R. Parisi, board chairman, announced today.

A total of 483,859 accidents were reported to the board from January through September of 1958. This is 74,435, or 13.3 per cent, less than the 558,294 reported in the first nine months of 1957.

The number of deaths reported to the board through September of this year was 1,121, or 9.6 per cent less than the 1,240 reported in the like period last year.

Decrease Less Sharp

In the New York metropolitan area, however, the decrease in reported accidents was somewhat less sharp than in the rest of the state. There were 11.5 per cent fewer accidents reported to the board in the New York metropolitan area in the first nine months of 1958, compared with the same period in 1957. Included in the New York metropolitan area are the five boroughs of New York City and the counties of Nassau, Suffolk, Westchester and Rockland. The decline in work-connected accidents reported in the rest of the state for the same periods was 15.7 per cent.

Miss Parisi also announced that accidents which required indexing of claims pursuant to board rules totaled 112,358 in the state from January through September of this year, a decline of 19.5 per cent from the 139,613 cases indexed in the corresponding period last year.

Cases indexed in the New York metropolitan area during these months declined 20.9 per cent from last year, while in the rest of the state the decline was 17.1 per cent.

Ashokan Charge Lists Schedule

Sunday, the Rev. Richard R. Guice, pastor of Ashokan, Glenford and West Hurley Methodist Churches, will preach the sermon: "Has the Messiah Come?," based on St. Luke 2.23-24. The services of divine worship are at 9:30 a. m., Ashokan; 10:45 a. m., West Hurley; and 2:30 p. m., Glenford.

At 4:30 p. m. Sunday the Methodist Youth Fellowship will meet with other area Fellowships at a sub-district meeting in the Woodstock Methodist Church. The sub-district MYF is making plans to sponsor an exchange student from Europe next school year. Miss Brigetta Van Hooven, an exchange student from the Netherlands, now enrolled at Kingston High School, will speak to the group. The exchange is sponsored through the International Christian Youth Exchange.

At 10 a. m., Thanksgiving Day, there will be a united Thanksgiving service at the Shokan Reformed Church, sponsored by the Methodist Parish of Ashokan, Glenford, and West Hurley, and the Reformed Parish of Shokan and Mt. Tremper.

Combined choirs of the churches will bring the ministry of music during the service. The Rev. Osterhoudt Phillips will conduct the service and the Rev. Richard R. Guice will preach the sermon: "Thanksgiving, Under the Cross." Everyone in the area may attend the special service.

PARSONS of KINGSTON Inc.

AN OPEN LETTER from GEORGE N. SHIVERY

This Ford dealership, which for almost 15 years has carried my name, has been acquired by a long-time friend and associate, Chas. A. Parsons, one of the leading Ford dealers in New York State.

Because I have always been proud that Old Capital Motors, Inc. has been synonymous with Ford's high standards, I made it a point to be especially careful in the selection of my successor. I had to be certain that our policies of service and courtesy — policies which the people of Kingston supported by their patronage — would be continued by a successor of integrity.

I am happy to announce that I have found such a successor in the Parsons organization, who are capable, experienced automotive people and who will maintain the standards which I set for my organization.

The Ford Company has concurred in my recommendation and authorized the transfer of the Ford franchise to the Parsons organization, who will conduct

PARSONS OF KINGSTON Inc.

William A. Quick, who has been Parsons' office manager in Binghamton for some time, will come to Kingston to serve as general manager and Mr. Parsons' personal representative here.

Gene Persico, who has been with Old Capital for 11 years will be general sales manager.

To the many Ford buyers whom I have served since 1943 I want to say I am glad to have been of service to you — the kind of service you can continue to expect from Parsons of Kingston Inc. whose motto is CUSTOMER SATISFACTION IS OUR MOST IMPORTANT BUSINESS.

Report Big Three Drafting Tough Policy for Reds

WASHINGTON (AP) — The Western Big Three are reported drafting a tough policy to deal with any Communist move to interfere with Allied air, rail and highway traffic to West Berlin.

This U.S.-British-French policy is taking shape in diplomatic consultation amid mounting belief the East German Reds will seek to interrupt transportation to the divided city.

Vital Decisions Await

In Berlin, a Soviet source said Wednesday night Russia intends to give the East Germans control over all Western supply lines into the former German capital, surrounded by Communist territory.

If a new Berlin blockade threatens, diplomatic officials said the Allied governments could face far-reaching decisions on whether to:

1. Try to ram an armored train or tank-led truck convoys through any barriers the East Germans might erect.

2. Revive the Allied airlift which licked the Red blockade 10 years ago.

Initially, the Allied counter-strategy may involve strictly limited dealings with East German authorities who might replace Soviet personnel at check points.

Issue Not Decided

This has not been decided definitely yet, mainly because the West Germans are reported objecting. The East Germans, it is felt, might ballyhoo such dealings as a step toward Allied recognition.

Allied diplomats acknowledged that any such policy would be a partial reversal of the present attitude of no contact whatever with the Soviet puppet government.

But, they said, any such Allied-East German contacts would be carried out only with well-publicized announcements that the East Germans are being treated as agents of the Soviet Union.

NLRB Reopens Kohler Case

WASHINGTON (AP)—The National Labor Relations board today reopened the unfair labor practice case involving the Kohler Co. and the United Auto Workers Union.

The NLRB split 3-2 in deciding more evidence should be taken.

First the union and then the company had requested further hearings on the basis of testimony on the Kohler-UAW labor troubles given to the Senate Rackets Investigating Committee last February and March.

Chairman Boyd Leedom and member Stephen Bean dissented from the ruling reopening the case. They said: "This protracted litigation should not be further extended."

But a three-member board majority voted to have NLRB trial examiner George A. Downing hold further hearings in the five-year-old Wisconsin labor dispute.

The date will be fixed by the NLRB's Chicago regional office.

The majority said the new hearings should be held for introduction of new evidence relative to the issues and to anything developed in the Senate investigation.

The case is one of the longest and most voluminous in NLRB history. There are several rail carloads of exhibits and recorded testimony.

The earlier NLRB hearings lasted more than a year. Downing recommended in October 1957 that the NLRB find the Kohler Co., a plumbing fixture manufacturing firm, guilty of unfair labor practices and require the firm to hire back several score discharged workers.

In the Senate hearings there was testimony the union had engaged in shooting, vandalism and coercion at the plant in Kohler, Wis., near Sheboygan, and the company had spent large sums to check on union officials and on one of the NLRB's own attorneys.

The UAW still is technically on strike against Kohler. But the firm has maintained production with new employes.

Youth, 17, Arrested On Drinking Charge

Robert B. Dingman, 17, of 3½ Main Street, was arrested last night by Officers Anthony Turck and Thomas Carpino on Broadway at Franklin Street on a public intoxication charge.

Police said he refused to say where he had been drinking. When he was picked up by the officers, it was noted, he was leaning on a parked automobile.

City Judge Aaron E. Klein, because he had done legal work for the family, today disqualified himself to hear the case and put it over until next Tuesday night at 7 p. m., when Special City Judge Arthur B. Ewig will conduct court.

West to Revise Space Plan Near That of Soviet

UNITED NATIONS, N.Y. (AP)—The Western powers agreed today to revise their outer space resolution in an attempt to bring it closer in line with the latest Soviet proposals.

U.S. Delegate Henry Cabot Lodge quickly arranged a private meeting with Soviet Deputy Foreign Minister Valerian A. Zorin to discuss the problem with him.

Western diplomats were reported hopeful an East-West agreement could be reached.

The Western decision was made at a meeting of the 20 countries sponsoring a proposal for international cooperation in the peaceful uses of outer space.

The group is reported to have accepted a series of changes recommended by the United States. These included one key part of the rival Soviet plan.

This was a definite commitment to have the U.N. set up a permanent outer space agency. The original Western proposal had simply called for a study of the space problem.

One major issue remained unsettled. The Soviet proposal called for a preparatory committee of 11 nations to set up the permanent agency. The West insisted the composition of the special committee should be negotiated.

This morning's developments followed a day of consultations between Lodge and the State Department. It was reported changes finally agreed upon followed closely Lodge's recommendations to Washington.

Scouts Still Missing

TUCSON, Ariz. (AP)—"They've got to find them today. I don't know what I'm going to do if they don't find them today... He's up there.

"I know he's up there ... They've got to find him ... They've just got to ..."

Mrs. Bruce La Noue, mother of one of three Tucson Boy Scouts missing since Saturday in the snowbound Santa Rita Mountains, sobbed softly. Her son, Michael, 13, disappeared while hiking with Mike Early, 16, and David Greenberg, 12.

Parents of the three boys were contacted Wednesday by searchers who wanted to borrow clothing worn by the boys. The clothes were to be used by bloodhounds to pickup the boys' trail. The youngsters were last seen trying to climb 9,400-foot Mt. Baldy in a driving snowstorm.

Grim Search

ginning to form on my jacket and in my hair."

Mays, 26, was below decks in the conveyer room when the mysterious thud and the alarm bells sent him running to deck.

"Once we got on the raft," he said, "I thought we'd be all right. I knew they would find us."

The Bradley carried one raft—and two lifeboats. Although there were scattered reports of debris, the two lifeboats were not found in the first day of the search.

There were reports that the 615-foot Bradley split in two after an explosion.

Fleming said he believed there was a slight explosion just as the stern sank.

Norman Hoeft, manager of Bradley Transportation Lines, said there was nothing on the ship that could cause an explosion big enough to sink it.

Gale Warnings Posted

The Bradley was carrying about 9,000 tons of water ballast—about two-thirds its payload tonnage capacity enroute to Rogers City, Mich., the home of Mays and Fleming and most crew members, after delivering a load of limestone at Gary, Ind.

Gale warnings were posted on Lake Michigan on Tuesday and many small ships went to the nearest coastal haven. But the Bradley, like most of the bigger freighters usually do, kept moving to ride it out.

Held for Firing Gun Within City

Nicholas Turck, 68, of 27 Lindsley Avenue, was arrested this morning on a charge dealing with alleged discharging of firearms within the city limits.

The arrest, on a warrant executed by Officers William Whalen and Frank Monte followed a report by Mrs. Robert Davis, of 46 Locust Avenue, that a man was hunting near her home. A police report noted that Turck said he had been hunting for years in the area and did not know he was in the city limits.

Turck is due to appear before City Judge Aaron E. Klein tomorrow morning.

Lutherans Sign Organ Contract, Start Remodeling

A $10,000 contract for installation of a new electric organ for St. Paul's Evangelical Lutheran Church, West Camp, part of the $30,000 remodeling program of the church was signed this week.

The contract was given to Robert S. Rowland of Ossining. Work will begin on April 1 when the old organ will be removed.

The old organ was installed in 1926 by Rowland.

Approval of the contract was made at the church council meeting following the Sunday worship service.

A new heating plant for the church installed last fall is also part of the remodeling program.

The project calls for construction of a center aisle and two side aisles, new ceiling, walls and entire chancel.

All new fixtures will be installed including pews, lectern, pulpit, altar, and organ console.

The congregation is currently conducting a building fund campaign among the members. Dr. Henry J. Arnold of Saugerties is campaign chairman. Lambert Schmidt of Leeds is serving as building committee chairman.

The building project is geared for completion by 1960 in time for the 250th anniversary celebration of the historic church: St. Paul's at West Camp was founded by the Palatines in 1710.

Katsbaan Takes 3 From Legion, Increases Lead

Katsbaan trounced the Legionnaires 3 to 0 and increased its lead in Saugerties Dartball League to four full games during Monday night's games.

Centerville swept Veteran 3 to 0 and moved into second place ahead of Glasco AC who dropped three games to West Camp. Quarryville whitewashed Service Center A's 3 to 0 and holds a third place tie with Glasco.

Other scores: Mt. Marion 2, Cedar Grove 1; Centerville Fire Company 2, Glasco Vols 1, Service Center B's 2, Ruby 1 and Cementon 2, Trinity 1.

AlbanyLutherLeaguers Guests at West Camp

The Luther League of St. Paul's Evangelical Lutheran Church, West Camp were hosts at a recent meeting to two Luther Leaguers from Albany who outlined organizational procedure.

Joyce Pappalau and Donald Gipfert of St. John's Lutheran Church, Albany voluntary helpers spoke on the procedure of organizing a group and how to conduct the business meeting.

Thirteen members, the Rev. Alvin F. Messersmith, pastor of St. Paul's Church and Nelson G. Burhans, leader of the group attended.

Election of officers will be held at the December meeting.

Local Musicians Will Be in State Festival

Saugerties Central School music department will be represented at the New York State Music Teachers Association Festival at Ellenville Saturday 8 p. m.

Thalia Augustine will play cello in the orchestra. Linda Wrolsen will play flute in the orchestra and William Spring will play bass clarinet in the band. Rehearsals will be held Friday. The All-State Concert will be held in the Ellenville Central School Auditorium.

Discussion for Parents Of Seniors Set Tonight

Parents of Saugerties High School seniors are invited to attend a meeting to be held tonight at 7:30 o'clock in room 205 of the new high school, Washington Avenue Extension. Miss A. Frances Larned, director of guidance, will discuss the many opportunities available for advanced education other than four year college courses.

She will describe the offerings of business schools, nurses' training institutions, junior colleges, technical institutes, beauty culture schools and any other types of schools in which the group is interested. All parents of seniors are urged to be present at the meeting in order to acquaint themselves with the many relatively inexpensive opportunities for education beyond high school. Questions from the audience will be answered at the close of the discussion.

Trips Are Taken By School Groups

Members of the Future Teachers of America Club accompanied by their advisor, Miss A. Frances Larned, visited the State University Teachers College and Hartwick College, Oneonta, Nov. 14. At each college they toured the campus visiting classrooms, dormitories, and recreational facilities.

At the State University Teachers College Miss Aletta Martin, a junior student from Saugerties, acted as their guide. At both colleges some members of the group had interviews for admission.

Those making the trip were as follows: Roberta Bartlett, Audrey Beaudoin, Anna D'Ambrosio, Kathryn Fuller, Patricia Hogan, Sally Lamouree, Karen Lewis, Mary Martino, Rose Mary Mooney, and Carol Nieffer. Mrs. Henry Lamouree also accompanied the group.

Saturday, the Outing Club of Saugerties High School and the Junior High School Science Club climbed Slide Mountain, the highest peak in the Catskills. A total of 52 students made the climb.

Meals were cooked at the summit on the spot where the great naturalist, John Burroughs, first camped 70 years ago. The group explored the area until mid-afternoon, then descended the peak and returned to Saugerties.

Three primary grades of the Main Street School visited the public library during the past week in observance of Book Week. Trips were designed to interest pupils in becoming members of the library.

Mrs. Vera Mach, librarian, outlined the rules of the library and conducted a discussion on the care of books. The children were allowed to look through books suitable for their age group. Many new science books for the younger child are available.

The grades were accompanied by the following teachers: Mrs. Alvida Wrolsen and Mrs. Grace Cahill, grade two, and Miss Aileen Russell, grade three.

Ferro Held . . .

waited until the others came. They caught two more and the fourth ran through uptown backyards.

Ferro, it was found, had also lived in Dorchester, Mass., before he went to Milford, Conn. His name was once spelled locally as Ferrow.

Accounts of the local robbery slightly more than a year ago indicated that two of the group went inside the laundry, while one stayed outside near the entrance and the fourth waited in a car parked on Broadway. The money was demanded of Barbara Bilyou, of Port Ewen, laundry office employe.

Ferro's police record locally shows charges of juvenile delinquency, larceny, and absence without leave from military service within the past several years. The former charge dates back to 1945.

Information obtained by local police indicates that others might have been involved with Ferro in the alleged Connecticut crime.

Arms Cache . . .

announced Wednesday night he would defend Barrett.

Commented the attorney: "It is my understanding that Barrett is charged with aiding and assisting in transportation of arms and ammunition to occupied northeast Ireland. If this be so, his only crime is to aid the cause of liberty."

Air Force Continues

OGDEN, Utah (AP) — Civilian patrols gave up the hunt for the missing navigator of a C119 transport plane, but Air Force ground parties searched again today in the mountain country east of here.

Sheriff Leroy Hadley called off the civilian volunteers, saying there was no hope of finding Capt. Donald Liggett alive. Liggett, 40, of Indianapolis, bailed out of the crippled plane into a snowstorm last Friday with seven companions.

Three of the men died in a weekend blizzard and four were rescued.

Financial and Commercial

NEW YORK (AP) — A federal court order banning the proposed merger of Bethlehem Steel and Youngstown Sheet & Tube upset the steels and left the stock market mixed early this afternoon.

The market's slightly higher edge, bringing the average close to the record high, was erased as a U.S. district court judge ruled out the merger.

Youngstown plummeted more than four points before paring a point from the loss. Bethlehem fell about a point before recouping a bit.

U.S. Steel also was down a point but Republic Steel and Jones & Laughlin retained slight gains.

Trading was active.

Rails were off moderately. Some early gains were held by chemicals and selected issues. Key stocks generally showed gains or losses of fractions to about a point.

Polaroid and General Tire added about two points. Studebaker-Packard was actively traded and up a fraction.

Gains of about a point were scored by Eastman Kodak, Allied Chemical, Air Reduction and International Harvester.

Help Is Lacking

PHOENIX, Ariz. (AP)—Republican State Sen. William Bourdon listed expenses of $497 in his unsuccessful campaign for re-election. In a footnote to his financial statement, he said "I received no financial help from anyone and very little of any other kind."

State to Invite Dutch Groups to Next Year's Fete

ALBANY, N. Y. (AP) — The State Commission on Historic observances, which has a $100,000 fund from state monies, plans to send a delegation to Holland to invite the Dutch to visit New York State next year.

State Sen. Ernest I. Hatfield (R-Poughkeepsie), chairman of the commission, will head a group of about six, a spokesman for the lawmaker said today. They will leave for Amsterdam April 1.

Most of the expenses will be paid from commission funds, the spokesman said. He said some costs were expected to be borne by a Dutch airline.

Groups of Dutch officials, Boy Scouts and the Netherlands Salvation Army band will be invited to visit the state during next year's Hudson-Champlain festival.

Must Like Jail

ST. LOUIS (AP)—Roy Jackson, 55, gets more days in jail than he does pennies in his thefts.

He was sentenced to 10 days in the workhouse Wednesday for theft of a 10-cent candy bar.

Last March he drew a 30-day sentence for stealing 20 cents from a news vendor's change box.

Jackson, no home, no occupation, told Judge Louis Comerford he stole the candy because he was hungry.

Leaves From Boyle's Notebook

By HAL BOYLE

NEW YORK (AP) — We have just survived one of those storms of doubt that shake family life to the roots.

It was a new crisis in an old belief—a crisis for which I was quite unprepared.

Without any warning my daughter, Tracy, who is nearly half-past five, looked up from the floor, and asked: "Daddy, do you think there's a Santa Claus?"

Word Getting Around

"Well, if there isn't," I replied absent-mindedly, "I don't know what the Democrats will do in 1960."

"Well, you know what I hear? I hear there ain't really any Santa Claus at all. It's just your father and mother all the time."

"Where did you hear that?"

"Never mind," said Tracy, leering up craftily. "But the word's going around. All the kids are talking about it."

There was a lengthy silence as my mind churned frantically. Long ago I had clipped out that fine old newspaper editorial, "yes, Virginia, there is a Santa Claus," foreseeing that some day it would come handy in just such an emergency. But I couldn't remember where I'd put it.

"Well, Daddy, what do you think about Santa Claus?" prodded Tracy. "Tell me truly."

"When I was a little boy we used to hang up our stocking every Christmas eve," I replied evasively. "And we always tried to get the biggest stocking we could find. We hoped Santa Claus would fill it up.

Orange Was Treat Then

"The next morning, sure enough, it was full of nuts and candy—and right at the bottom of the sock was a great big orange, the best gift of all. People didn't have an orange every day then. What do you think of that?"

"It sounds to me like Santa Claus was pretty hard up in those days," said Tracy in one of the classic understatements of the 20th century.

But she dropped the subject.

The other night when I came home she climbed up next to me on the sofa. She held a pencil and paper.

Sees Santa at Store

"Daddy, there are an awful lot of liars in this neighborhood," she said, smoothing out her dress.

"I mean about Santa Claus. They been saying it's just your father and mother. But I went to the department store with Mommy this afternoon. And guess who I saw.

"Santa Claus himself! He's even fatter this year. He's even fatter than"—words failed her for a moment — "He's even fatter than you."

I mulled over this insult. Tracy handed me the paper and pencil.

"I want you to help me write a letter to Santa Claus and tell him what I want him to bring me for Christmas."

"Why," I suggested, "don't you go back to the department store, climb up in old Santa's lap, give him a big kiss, and tell him yourself?"

"I'm scared to—after the things I've been saying about him the last two weeks," said Tracy. "I think we'd better deal with him by mail."

A banker puts a good deal of wholesome advise into small compass when he tells the investing public to avoid certain stock salesmen, such as:

The man who tells you how stockholders in similar concerns became rich overnight.

The man who wants your help in "keeping the contract away from Wall Street."

The man who talks about the "transferability" of the stock.

The man who wants you to buy because "the price is surely going up."

The man whose chief selling points are letters of recommendation from "leading citizens."

THANKSGIVING TURKEY

Turkey, a traditional food for Thanksgiving, becomes increasingly popular as the holiday season approaches. Turkeys are truly American birds. As early as 1000 A.D. wild turkeys were eaten by the American Indians. They symbolize the thanks given by our forefathers for a bountiful harvest.

Americans are eating more turkey than ever before and its use as an all year around food increases. In the northeast, turkey is used in 8 out of 10 homes for Thanksgiving, according to Extension specialists.

Buy a turkey that weighs over 18 pounds to get the greatest amount of edible meat. Large turkeys offer more edible meat in proportion to bone than small ones. Yet small turkeys solve the whole-roast problem if you need a few servings, or if storage facilities for leftover meat are limited. In any case look for high quality poultry when you buy. Turkey should have a plump body with broad meaty breast and thighs. A good fat covering means tender meat. In turkeys suitable for roasting the fat is evenly distributed under the skin giving it a light yellow cast. Look for a straight breastbone, and skin that is free of pinfeathers, tears, bruises and discoloration due to breaking of the outer layer.

Fresh turkey keeps well if stored in moisture-proof wrapping in the coldest part of the refrigerator for a few days. Frozen turkey needs to be thawed before stuffing. A large bird takes about 24 hours to thaw in the refrigerator, and a small one about 12 hours.

Add the stuffing just before cooking the bird. Holding stuffed poultry in the refrigerator is hazardous. Stuffing ingredients may be prepared in advance, but combine the ingredients and stuff the bird just before placing it in the oven.

For a tender, juicy, roast turkey, avoid overcooking the bird. Use a low cooking temperature —325 degrees F.

For more information on cooking poultry ask for Cornell Extension Bulletin 971 at the Home Demonstration Department of the Ulster County Extension Service, 220 Wall Street, Kingston.

CRANBERRIES

The Pilgrims learned from the Indians that cranberries were a food. Perhaps because the berries were a favorite food of cranes, the colonists called them crane-berries, and eventually, cranberries.

Cranberries come from Massachusetts, New Jersey, Wisconsin, Washington and Oregon. Massachusetts usually produces nearly three-fifths of the total cranberry crops and New Jersey produces about a tenth.

While some fresh cranberries appear on the market from as early as September to as late as February, the biggest share comes to market in November and December. At all times during the year cranberries are available as canned sauce, either strained or with whole berries.

Cranberries are easy to freeze and if properly stored will keep well for 12 months. Put cranberries in a moisture-vapor-proof container for freezing. When ready to use them, rinse cranberries in cold water and drain. Cranberries are easier to chop or grind while still frozen. The frozen cranberries do not stick together.

Hurley Unit

Regular meeting of the Hurley Unit was held on Thursday, Nov. 13, at the Hurley Reformed Church. Mrs. DeForest Wiles presided.

Mrs. E. Feass gave a very interesting talk on "Color in the Home."

Refreshments were served by the committee in charge.

On December 2, at 10 a. m. leaders Mrs. Samuel Vaughn and Mrs. George Brown will conduct a class in "Special Christmas Wreaths."

The next regular meeting of the Hurley Unit will be held December 11 at 12 noon. Each member is asked to bring a covered dish and a twenty-five cent gift.

BIG PACKAGE—Sir Jacob Epstein, 78, stands in London, England, by his statue of Christ crowned by thorns which he calls "Behold the Man." The famed sculptor has given the work to England's Selby Abbey. Church officials intend to place it in a somewhat inconspicuous location so that persons who find it upsetting won't have to look at it. Epstein created the six-ton marble work in 1935.

Body of Screen Star on Coast

HOLLYWOOD (AP)—The body of motion picture star Tyrone Power was returned to Hollywood Wednesday night. The scene was filled with sadness for his widow, Deborah Ann.

Only a handful of newsmen and the late actor's close business associates were present when the canvas-covered casket was lowered from the cargo hold of a plane at International Airport.

Power, 44, died of a heart attack in Madrid Saturday.

Widow Overcome

Mrs. Power, 26, who accompanied the body from Spain, was escorted to a waiting limousine. She is expecting a child in February.

When flash bulbs started pop ping, she burst into tears and rushed into the arms of Power's business manager, A. Morgan Maree.

As plans were completed for his funeral Friday noon in the Hollywood Cemetery chapel, a rift over protocol seemed over. Power's second wife, actress Linda Christian, announced she and their two daughters would not attend the rites.

Instead, Miss Christian said, they planned to pray for him in St. Martin of Tours Catholic church in Beverly Hills.

Daughters Wont Attend

"Our children have a beautiful idea of death, and I wish to preserve that," she said.

Power's widow had been quoted earlier as saying, "A funeral is a private affair," and also that it was her wish that the actor's daughters—Romina, 8, and Taryn, 6—remember their father as he was in life.

Power's body will be interred near the crypt of Rudolph Valentino—movie idol of an earlier era.

970,000 Take Regents Exams During 1957-58

More than 970,000 Regents examination papers were written by students in New York State during the school year ended June 1958, according to a report made public today by the State Education Department. The exact number of papers written in 1958 was 970,259, or 12,932 more than for the school year ended June 1957.

Regents examinations are made up by committees of classroom teachers from various parts of the State, and before the questions are put in final form they are reviewed by subject specialists, testing specialists, school administrators and examination editors. This is to be sure that the examinations will reflect current classroom practice.

Of the total number of Regents examination papers written (970,259), 777,057 papers, or 80.1 percent, were accepted; and of the 792,928 papers sent to the Department as passing, only 5,871 were rejected.

Britain Lowers Bank Rate

LONDON (AP) — Britain today lowered the bank rate to 4 per cent, another ½ per cent notch in the fight to keep money flowing easily.

It was the fifth drop in eight months. It will mean still cheaper loans and will speed up the circulation of money in Britain.

The rate set by the Bank of England, is the interest charged on money made available to other financial institutions.

Fire Threatens 53-Year Record Of Vermont Paper

BENNINGTON, Vt. (AP)—Fire early today damaged sections of the Bennington Evening Banner newspaper plant — but its editors hoped to publish as usual to keep intact its record of never missing a scheduled edition in its 53 years.

The flames were centered mostly in the newspaper's composing room where two linotype machines were destroyed and other mechanical equipment heavily damaged.

Other parts of the newspaper plant were seared by flames and damaged by smoke and water.

Even hours after firefighters put out the flames water continued to seep into the press room and other parts of the three-story frame plant.

Also heavily damaged by flames was the Bennington Book Shop which occupies space in the building. Destroyed were stocks of Christmas toys, gift wrappings and cards stored in a stock room.

The Fashion Fair, a woman's clothes store suffered from smoke damage.

Frank E. Howe II, publisher of the Banner, estimated the total loss at between $50,000 and $75,000 and said the fire appears to have started in the composing room near a central power board.

Gifts for Foster Children Planned By Paltz Women

Plans to supply Christmas gifts for children placed in foster care by the Ulster County Department of Public Welfare being made by a volunteer Christmas Committee for Foster Children formed by the Ladies' Auxiliary, Brannen-van den Berg Post 8645, Veterans of Foreign Wars, New Paltz, under the leadership of Mrs. Charles Staats, president.

An appeal is being circulated by press, radio and letter throughout Ulster County for voluntary contributions which will provide gifts for almost 300 children between infancy and 18.

Anyone interested in contributing may do so by forwarding money to Mrs. Robert Donnan, PO Box 432, New Paltz, or by leaving a gift suitable for a child at the Children's Division of the Ulster County Welfare Department, 240 Fair Street, Kingston. All gifts should be received by Dec. 10 in order to allow adequate time for distribution.

Gomez Denies Charge

BUENOS AIRES (AP) — The mysterious affair of Five President Alejandro Gomez subsided today with many observers convinced it had been trumped up to divert public attention from serious economic and labor problems.

Congress accepted the resignation of Gomez, whom President Arturo Frondizi accused of trying to oust him and form a coalition government. Gomez denied the charge, saying he had only warned the administration that a military plot was brewing.

Matter of FACT

The banana does not grow on a tree, as is commonly supposed, but on a plant, perhaps the largest plant in existence without a woody stem. The stalk, which grows from 12 to 30 feet tall and looks like a tree trunk, is really a firm mass of leaf sheaves, springing from the tough, creeping rootstock of the banana plant.

St. Peter's Church Centennial Starts With Mass at Noon Sunday

Priests Ordained From Parish To Take Part

Banquet Will Be Held Tuesday in School Hall

By DICK McCARTHY
Freeman Staff Writer

With appropriate liturgical ceremonies and social functions for its parishioners, St. Peter's Roman Catholic Church—founded 100 years ago by German immigrants to the Rondout section of the city—will celebrate its centennial Nov. 23-25.

The solemnity of the 100th anniversary will be marked in an aura of resplendent beauty, effected by the recent renovation of the church's complete interior.

The Most Rev. James H. Griffiths, STD, JCD, will celebrate a solemn Pontifical Mass of Thanksgiving on Sunday, Nov. 23, at 12 noon. He will be assisted by the Very Rev. George J. Foerst, CSsR, deacon; the Rev. Martin J. Schwalbenberg, subdeacon; the Rev. Edwin C. Koenig, master of ceremonies.

The sermon will be delivered by the Rev. John M. Flick, CSsR.

Mass for Children

On Monday, Nov. 24, at 10 a. m. a solemn Mass will be offered for the children of the parish with the Rev. Paul Laicher, CSsR, celebrant. The Rev. J. Edwin Kelsch will serve as deacon; the Rev. Romaeus Cooney, O. Carm., sub-deacon, and the Rev. John Steltz will preach the sermon.

Father Foerst, Father Flick, Father Laicher, Father Kelsch, Father Steltz and Father Cooney are among 10 former members of the parish who were ordained to the priesthood during the church's history.

A luncheon will be held for the children in the school hall following the Nov. 24 Mass, and on Tuesday, Nov. 25 a solemn Mass of requiem will be offered for all the deceased of the parish.

That Mass will be celebrated by the Rev. Theodore C. Schulz with the Rev. William Raftery, deacon; Father Cooney, subdeacon, and the sermon will be delivered by the Rev. William Raftery.

Banquet on Tuesday

A parish banquet will be held in the school that same day at 7 p. m.

The Rev. Joseph D. Ostermann, pastor, and the Rev. William V. Reynolds, assistant pastor, have planned the arrangements for the centennial of the parish on atop the Wurts Street hill which, over 100 years, has given gloriously to the spirituality of the community and Roman Catholicism of the city.

In the 1850's German immigrants to the Rondout section found employment on the Delaware & Hudson Canal, a waterway between the coal mines of Pennsylvania and the Hudson River leading to New York. Those same immigrants also sought spiritual comfort at the only church located in the Rondout section at that time—St. Mary's.

On Dec. 27, 1856, Catholics of German extraction in Rondout secured the land for their own church. The land was purchased from George F. von Beck for $800 and was located at the corner of Adams and Pierpont Streets.

Start Foundation in 1857

Upon the women devolved the duty to finance the project while the men handled the construction work and as early as April, 1857 the foundation walls were begun. The walls were completed in October, 1857.

Work advanced to such satisfactory proportions in the autumn of 1858 that services were held in the basement. The spiritual life of the parish had begun. The Rev. A. Hechinger was assigned as first pastor. First to be baptized in the new parish was George Christian, son of Michael and Elizabeth Margareta Schwab Flick, who received the sacrament on Dec. 19, 1858. On January 16, 1859, Karl Dinners and Phebiana Crook were the first couple to be married in the new church.

The Rev. Oswald Moosmuller, a Benedictine monk, became the second pastor of the church in June, 1859, and the first mission was held in the church in the fall of that same year.

Consecrated in 1860

Finally, on April 15, 1860 the Most Rev. Archbishop John Hughes, consecrated the sacred edifice, and then went to St. Mary's where 850 persons — among them 133 Germans—received the sacrament of Confirmation.

Members of the parish at its inception consisted of approximately 60 families, the majority of whom had only shortly before immigrated from all the provinces and districts of Germany.

Guiding spirit among the first board of directors was Jacob Derrenbacher, assisted by Michael Flick, Michael Gerson, Wilhelm Rieser, Johann Geissler, Wilhelm Bertsche, Balthasar Schwalbach, Anton Koons, and Johann Motry.

Present Site Bought

In 1861 the Rev. Johannes Raufeisen was named pastor, and the parish was beginning to grow tremendously until in 1870 new ground was sought. A purchase of land behind the church was made, but this was inadequate and on July 28, 1870 the parish acquired the ground and floor of District School No. 7 for the $6,000, land situated on the corner of Wurts and Pierpont Streets.

Now, a larger and more beautiful church was to arise. The new building was begun in the summer of 1871. The cornerstone of the new St. Peter's was laid on Sept. 17, 1871 with Archbishop McCloskey presiding. A new bell was consecrated on April 28, 1872, and an organ was installed.

On May 26, 1872, Archbishop McCloskey consecrated the new building. It was a day of rejoicing for the German Catholic people of Rondout. Scarcely 15 years had elapsed since the little group had united to establish its own parish, and now they could enter the second, larger and more beautiful house of worship.

The Rev. Ignatius Delveaux was appointed first assistant in January, 1873 and together with Father Raufeisen occupied the rectory next to the church, which has just been completed.

Pastor for 10 Years

The Rev. Emil Stenzel served as pastor from September, 1876 to July, 1877, and was succeeded by the Rev. Franz Siegelack who, in 1880, undertook the embellishment of the church, including the addition of two new bells. He served the pastorate for 10 years.

His successor, the Rev. Matthias Kuhnen summoned the Sisters of Christian Charity in substitution for the Sisters of St. Vincent who were withdrawing as parochial educators of the school. A convent was built for the Sisters in 1897.

The cemetery was enlarged and beautified. St. Peter's continued to grow and through kind bequests of the families of Balthasar Schwalbach, Peter Barmann and of Mrs. Barbara Feigert, the church received its first painted windows.

The Rev. Dr. Joseph F. Rummel, now archbishop of New Orleans, was appointed pastor in April, 1907 and served until April, 1915. He was consecrated Bishop of Omaha in May, 1928 and subsequently was made archbishop of New Orleans where he now serves.

Other Pastors

Other pastors include the Rev. Otto F. Strack, the Rev. John P. Neumann, and the Rev. Joseph A. Geis, whom Father Ostermann succeeded in 1956.

The parish at present includes 300 families, nearly 1,500 parishioners, and about 230 school children.

The life of a parish is preserved and grows not only by purely religious means at its disposal, but also through means of a partly spiritual, partly social nature. To these latter belong the societies, and these have added to the spirit of St. Peter's over a long period of years.

Notable among these in the present-day spiritual life of the parish are the Christian Mothers' Society, League of the Sacred Heart, Young Ladies Sodality, Rosary Sodality, Holy Name — organized during the pastorate of Archbishop Rummel, Catholic Youth Organization, and St. Peter's Mothers' Club.

Father Ostermann, it is noted, served as an assistant pastor under Father Neumann.

Carry on Traditions

Father Ostermann and Father Reynolds, beloved in their parish and community, have carried on the great traditions of St. Peter's Church bequeathed to them by their respective predecessors, Father Geis and the Rev. Henry E. Herdegen, whose quiet dignity and gentleness endeared them to the hearts of people of all faiths with whom they came in contact.

With renewed spiritual strength, a century of love and devotion to God behind it and with material changes in its physical makeup, St. Peter's embarks upon a second century of progress with prayers for continued divine guidance.

Chorus to Sing at U.N.

POTSDAM, N. Y. (AP) — The Crane Chorus will sing at the United Nations General Assembly Hall Nov. 25 in the Western Hemisphere premiere of an oratorio by A. Adnan Saygun.

The Crane Department of Music at Potsdam State Teachers College said the chorus would sing with the Symphony of the Air Orchestra under the direction of Leopold Stokowski. The oratorio by the Turkish composer is "Yunus Emre." The Turkish government arranged the program.

Russian will be a regular subject in 137 New Jersey high schools by the end of 1958.

State Power Contract Given for $820,803

NEW YORK (AP) — The State Power Authority Wednesday awarded an $820,803 contract to furnish towers, guides and sills for the Tuscarora power plant of the Niagara power project.

Receiving the contract was the Link-Belt Co. of Colmar, Pa., lowest among eight bidders.

The contract terms provide that the company fabricate and deliver 2,300 tons of embedded structural steel towers, guides and fills for the draft tube gates, trash racks, stop logs and intake gates for the Tuscarora plant.

Will Collect Leaves

Collection of leaves is due to start in the Third Ward Friday, it was announced today. Public works crews are now finishing collections in the Second Ward. Much of the work has been completed in uptown, downtown and midtown wards.

FOR HEAVY-HANDED TYPISTS? — The touch system wouldn't be of much use with this giant typewriter on display in Munich, West Germany. The girl demonstrating the machine finds she gets better results by using her whole hand to press the outsized keys. The machine, made in West Germany, measures a little more than a square yard.

Would-Be Robber Shot by Dealer In Liquor Store

BUFFALO, N. Y. (AP)—A Buffalo liquor store dealer shot and wounded a would-be robber at his store Wednesday night.

Arthur Hardwick Jr., 43, told police he shot Larry Thomas, 22, in the right shoulder with a revolver after Thomas entered his shop with one hand hidden in his coat and said "this is a stickup."

Hardwick said he ducked behind a cash register, whipped the pistol from a holster on his belt and fired one shot.

He said Thomas staggered, pulled an empty hand out of his coat and moaned "you hurt me, man."

Hardwick tripped an alarm to summon police. Thomas was taken to Emergency Hospital under guard.

He was not immediately charged.

Suede is merely French for Sweden. Whether suede was originally a trade name, or glove leather was so called because it first was made in Sweedn, is not known.

NEW HURLEY NEWS

NEW HURLEY—There was a large attendance at the New Hurley Church Sunday evening when the Rev. Wilhelm Kruger Haysom was installed as pastor of the New Hurley Reformed Church. Those taking part in the services were the Rev. James P. Ebbers of the Reformed Church of Walden, the Rev. Cornelius J. Meyer of Altamont, the Rev. John W. Carter of Woodbourne Reformed Church, president of the Classis of Orange, the Rev. Robert Clementz of Newburgh, the Rev. Walter Van Popering of the Wallkill Reformed Church and the Rev. Harvey W. Noordsy of the Glenmont Community Church of Glenmont, a former pastor of New Hurley Church. The benediction was pronounced by the newly installed pastor, the Rev. Mr. Haysom. The choir, under the direction of Mrs. Dutcher with Mrs. Wilma Wilkin organist, presented two anthems during the services. A reception followed at the church hall.

Wednesday afternoon the November meeting of the Missionary Society was held at the home of the President Mrs. Albert Cronk. The vice president Mrs. Myra Dolan took charge of the business meeting. The program for the afternoon was in charge of Mrs. Arnold Terwilliger. Mrs. Nelson Hedges led the devotions. Mrs. Haysom was welcomed as a new member.

The December meeting will be a joint meeting of the Ladies' Aid and Missionary Societies at the church hall with a covered dish luncheon at noon. At the close of the meeting refreshments were served by the hostess and a social time was held.

There will be regular preaching services in the New Hurley Reformed Church Sunday at 11 a. m. and Sunday school at 9:50 a. m. in the church hall, with classes for all ages.

Harry Jenkins and daughter and Mrs. Elting of Clintondale were dinner guests on Sunday at the home of Mr. and Mrs. Gerow Wilkin.

Mr. and Mrs. Valentine Garrison were dinner guests at the home of their sister-in-law Mrs. Henry Garrison, Montgomery, Sunday.

Mr. and Mrs. John Smith of Cornwall are the parents of a daughter born at the Cornwall Hospital Nov. 11. Mrs. Smith was the former Ruth Cronk, daughter of Mr. and Mrs. Albert Cronk of this community.

Guzzles Two Beers, Then Slays Bartender

NEW YORK (AP) — A patron of a bar quietly downed two bottles of beer early today, whipped out a revolver and shot and killed the bartender.

Three patrolmen immediately rushed into the tavern and seized a man identified as Antonio Del Guardo, 35-year-old dishwasher.

During questioning, police said, Del Guardo was incoherent and unable to say why he shot Frank Biondo, 53. The bartender, part-owner of the tavern, died in Columbus Hospital an hour after he was shot twice in the back of the head.

There were seven other customers in the tavern at the time of the shooting.

Clintondale Grange will sponsor a card party in the Grange Hall Saturday. The games will start at 8 p. m. There will be prizes for high scores and refreshments will be served. The committee in charge is Mrs. Fred Eckert, chairman; Mrs. Joseph Napoli, Mrs. Roy Thorn, Mrs. Genevieve Iapoce and Mrs. Frank Angelo. The affair is the first of the winter series of card parties.

Melvin Hurd of this place was named a member of the Agricultural Department of the Ulster County Extension Service Association at the annual dinner and meeting held recently at the New Hurley Reformed Church. Miss Rose Cappozzi was named a member of the 4-H Club Department of the association. Mrs. Milton VanDuser of Plattekill is a member of the Home Demonstration department.

Mrs. Jerome Hurd will be program chairman for the meeting of Chapter A,PEO Sisterhood to be held Thursday at the home of Mrs. Theodore Baker, Marlboro. Her subject will be "Changes in Periodicals."

Under the auspices of the Parent-Teachers Group open house was held at the Clintondale School Monday night when the parents of pupils in kindergarten through the sixth grade visited the school and met the teachers. A general assembly was held with Mrs. Marion Gregory, grade supervisor of the Kingston schools as the speaker. Refreshments were served.

Mr. and Mrs. Robert Atkins have purchaed the Peter Rosenkranse property on Crescent Avenue. The house was the former Peter Coutant home.

Mrs. Lester Arnold is chairman of the Christmas Seal sale in the town of Plattekill this year.

Mr. and Mrs. Frank Agmine are the parents of a daughter, Katrina Pearl, born Nov. 9 at St. Francis Hospital, Poughkeepsie.

Mrs. Fletcher Rhodes and Mrs. Kenneth Terpening have been canvassers for the annual Boy Scout drive in this neighborhood.

Clintondale Grange will sponcor another old fashioned and modern dance at the Grange Hall Saturday, Dec. 6. Donald Smith, master of the Grange, is chairman of the committee in charge. Music will be provided by the Catskill Mountaineers and refreshments will be served.

The Rev. Jesse Stanfield will hold a worship service at the Friends Church at 11 a. m. Sunday. At 9:45 a. m. Sunday school classes will be held in charge of Superintendent Howard Sutterlund.

Clintondale Grange met at the hall Monday night with Master Donald Smith conducting the session. There will be another regular meeting Monday, Dec. 1 when the Ulster County Pomona Youth Committee will present the program. Miss Barbara Jane Iorio of this place is chaplain of the county Pomona Youth Degree team and will assist at a food sale being held at the Huguenot Grange, New Paltz, Saturday. Members attended the quarterly meeting of the Ulster County Officers Association held Wednesday at the Highland Grange Hall.

Accountant Held For Bribe Offer To Revenue Man

NEW YORK (AP) — A tax accountant is accused of bribing an Internal Revenue Service agent to get a client's 2½-million-dollar tax bill sliced to $75,000.

Abraham Kabot, 53, who has offices on Fifth Avenue, was seized Wednesday as he allegedly passed $25,000 in a taxi-cab to Agent John M. Keyser.

Two other Internal Revenue inspectors, trailing in a second cab, arrested Kabot at a pre-arranged signal.

At Kabot's arraignment, Asst. U. S. Atty. Daniel F. McMahon said Kabot conferred last Oct. 28 with Keyser and met with him many times.

"He offered to bribe Mr. Keyser, who, from the very outset, cooperated with his superiors," McMahon told U. S. Commissioner Earle N. Bishopp.

Kabot, married and father of three children, represented Van Berg Diamonds, Inc., a Fifth Avenue firm McMahon said. He added that the client owed 2½ million dollars in taxes.

Kabot was released in $10,000 bail for a hearing Dec. 3.

Palenville Woman Killed in Crash Of Car, Tanker

Mrs. Gertrude Keyworthy, 46, of Palenville, Greene County, was killed Wednesday afternoon when her car and a milk tanker collided at the Junction of Route 23-A and 32 in Catskill village. The driver of the tractor-trailer rig, Pasquale Ezio, 48, of Brooklyn, escaped uninjured.

Mrs. Keyworthy was pronounced dead at the scene and her body was taken to the Milspaugh Funeral Home, Catskill.

An investigation of the accident was commenced and Dr. Curtis Lacy, Greene County coroner, withheld a verdict pending outcome of that jury.

STATE SECRET—The U.S. Post Office Department plays it cagey in releasing this design for the Alaskan statehood commemorative air mail stamp. Since Alaska won't become a state till President Eisenhower issues a proclamation, either this year or next, master dies and engraving plates with both "1958" and "1959" are being made. That's the Big Dipper and the North Star on a map of Alaska.

Lehman Blames 'Boss' Parley for Harriman's Loss

NEW YORK (AP)—Former Sen. Herbert H. Lehman says the main cause of Gov. Averell Harriman's defeat for re-election was "what happened in Buffalo at the convention."

Lehman was visited Wednesday at his home by Gov. G. Mennen Williams, Democrat, recently re-elected Michigan governor for an unprecedented sixth term.

Lehman, commenting on the victory of Gov.-elect Nelson A. Rockefeller over Harriman, told Williams:

"I said there were a number of contributing cases in th edefeat of Gov. Harriman but that the main cause was what happened in Buffalo at the convention.

"It. gave the Republicans a ready-made issue of bossism."

Lehman referred to action by Tammany Hall leader Carmine G. DeSapio in forcing through the nomination of New York County Dist. Atty. Frank S. Hogan as U. S. Senate candidate. Hogan lost to Sen.-elect Kenneth Keating, Republican.

Harriman, Mayor Robert F. Wagner and other Democratic leaders had wanted former Air Force Secretary Thomas F. Finletter as senatorial nominee.

SPA Adds Buffalo Lawyer to Fight Tuscarora Claim

NEW YORK (AP) — The State Power Authority has retained John Lord O'Brian of Buffalo to help in its legal battle with the Tuscarora Indians.

Spa Chairman Robert Moses said Wednesday that O'Brian will work as special counsel when hearings open next Monday before the Federal Power Commission in Washington.

The authority's legal battery already includes Judge Samuel I. Rosenman and John R. Davison as special counsel. Thomas F. Moore Jr. is general counsel to the SPA.

O'Brian is a former U. S. attorney for the Western District of New York and former Chancellor of the University of the State of New York.

Last week, the U. S. Court of Appeals ordered the FPC to reexamine its license to the authority. At issue is the SPA's desire to use 1,383 acres of the Tuscarora's reservation for a water storage reservoir for the Niagaa power project.

The FPC must decide if the proposed use of the land, about one-fifth of the reservation, is legal.

Self-Defense Is Hinted in Picket Line Death Case

GOSHEN, N. Y. (AP)—The attorney for Malcolm White, industrial executive charged with first-degree murder, has indicated a courtroom argument of self-defense on White's behalf.

"There is no question in my mind," Henry Hirschberg, 79-year-old Newburgh lawyer, said Wednesday, "that Mr. White shot in self-defense" when he slew Alfred Dugan, an ex-convict union organizer.

"He was threatened by this fellow Dugan," Hirschberg continued.

Former Orange DA

"Mr. White had just obtained Dugan's long criminal record and that same morning on the picket line in front of the plant, Dugan abused him and said he'd get him. He was scared of Dugan."

Hirschberg has argued either for the prosecution or the defense in about 100 first-degree murder trials. He is a former Orange County district attorney who once acted as counsel for the late Harry K. Thaw in a 1913 aftermath of the Stanford White slaying.

The lawyer visited Malcolm White in the Orange County jail here and reported the latter was "in as good condition as could be expected under the circumstances."

Hirschberg said he would reapply for bail as soon as White is indicted.

White, 48-year-old president of the Chester Cable Co., is accused of slaying the 52-year-old Dugan, who led a strike at the cable plant.

The strikers eventually affiliated with another union and returned to work.

White has said he shot Dugan with a pistol when the strike leader rushed him after an argument. White contended Dugan had his hand in his pocket as though holding a gun. There was no weapon, however.

Meanwhile, at Middletown, Dist. Atty. Abraham Isseks of Orange County said he has subpoenaed an undisclosed number of witnesses to appear before a grand jury at Goshen.

Pine Bush Girl Is Named 1958 US Roller Queen

MIAMI BEACH, Fla. (AP)—Mary Ann Slazinik, 18-year-old part-time medical secretary from Pine Bush, N. Y., was named today as the national roller skating queen of 1958.

Miss Slazinik, who is 5-feet 4½ inches, weighs 113 pounds and measures 34-22-34, is a student at Orange County community college. She plays the piano and is an all-around athletic.

The blonde Miss Slazinik plans to use the $2,500 scholarship to attend Cornell Medical College.

Second in the contest which had 24 entrants was Linda Strawn, 18, freshman at the University of Houston, Tex., whose home is at Houston, and third place winner was Audrey Payton, 20, a legal secretary from New Castle, Del.

Stabbed by Baton

ROME, N. Y. (AP) — A civic chorus was rehearsing a Christmas concert.

"In this phase," Director William Moonan told the singers, "you're almost hysterical with joy—you're out of control."

On the downbeat, Moonan stabbed himself in the leg with his baton. A nurse from the soprano section removed the tip from his skin. The rehearsal continued.

Voting, Rest Over, Rocky Must Now Show His Stuff

By CHARLES DUMAS
Associated Press Staff Writer

ALBANY, N. Y. (AP) — Gov.-elect Nelson A. Rockefeller, a self-styled "man of action", now must start showing his stuff.

Rockefeller is due back in New York tomorrow from a post-election sojurn in South America.

Although Rockefeller will not take office until his inauguration Jan. 1, his job as governor of the nation's most populous state really begins now.

Much Work Ahead

The election shifted Democratic incumbent Averell Harriman into the role of caretaker. Harriman will keep the government going. But it is Rockefeller who must make the decisions on matters vital to the future of the state.

During the next few weeks, the incoming Republican governor must:

1. Assemble and appoint the staff that will work with him in the governor's office, that is, the executive chamber.

2. Select his cabinet — appoint commissioners and superintendents for more than a score of state departments and agencies.

3. Prepare his inaugural address and the "state of the state" message he must deliver to the opening session of the 199 Legislature, on Jan. 7.

4. Join in preparing the new state budget, which he must present to the Legislature before Feb. 1.

Important Decisions

All of this means Rockefeller must make numerous important decisions.

In selecting his staff and cabinet, he must be careful to distribute lucrative jobs among the party faithful and at the same time assure himself of the competency of the men he chooses.

During his campaign, Rockefeller promised to appoint only men of unquestioned integrity and ability. He promised a dynamic team and plenty of action.

Democrats and other interested observers will be watching.

His "state of the state" message, of course, will explain his program for the year ahead. It also must set the tone for his entire four-year term.

Must Fulfill Promises

He must take extra pains in preparing this policy message. A governor may reverse himself occasionally, but not frequently, if he wishes to avoid criticism. Rockefeller himself attacked Harriman as vacillating.

The incoming governor also must take steps to fulfill his campaign promises — lest he be attacked as a fraud.

That leads to the budget. Rockefeller already has said the fiscal picture is not bright. Outgo is rising steadily, while income seems to be slackening.

Yet, Rockefeller has promised to continue the extra 55 million dollars in school aid that was granted last winter for one year only. He also has pledged "more equitable pay" for state employes. Where's the money coming from?

If all this were not enough, Rockefeller faces another chore—one that terrifies most men. He and Mrs. Rockefeller must move into the Executive mansion.

As every husband knows, that means decisions, too. What do you say when the little woman asks, "Where shall I hang this picture, dear?"

Rockefeller frequently changes his mind about where pictures belong, his missus says.

Ford, Firestone Head CP Activity

Appointment of two prominent industrialists in the national cerebral palsy organization were announced here today by Dr. Henry L. Bibby, president of United Cerebral Palsy of Ulster County, Inc.

Re-election of Roger S. Firestone of Bryn Mawr, Pa. for a third term as president of United Cerebral Palsy Associations, Inc., and appointment of William Clay Ford as national campaign chairman of UCP's 1959 $11 million fund-raising drive were announced.

Ford's acceptance was made at the organization's ninth annal conference held in Washington, D. C. He was UCP's nation campaign chairman in the 1954 record - breaking drive which exceeded by more than $2 million the 1953 campaign total.

Aids Local Chairman

The new national campaign chairman will join forces with local chairmen in directing thousands of volunteers in the month-long "53 Minute March on Cerebral Palsy" next May. The campaign's theme is to stress that cerebral palsy strikes every 53 minutes, Dr. Bibby said.

Ford is a grandson of the late Henry Ford, company founder, and the youngest of four children of the late Edsel B. Ford. He has been on the Ford Company's board of directors since 1948, and a vice-president since 1953.

Firestone will serve his third term as president.

Other officers elected include Leonard H. Goldenson of Mamaroneck, chairman of the board; Jack Hausman of Great Neck, and Louis C. Whiton of Westport, Conn., vice chairmen; Wendell J. Brown of Des Moines, Iowa, executive vice president; Irving W. Briggs of North Rochester, H. R. Mears Jr. of Fanwood, N. J., Dr. H. Houston Merritt of Bronxville, N. Y., Robert I. Rogin of New York City and C. Elmo Smith of Oakland, Cal., vice presidents.

Also Mrs. Esther G. Perry of Ellsworth, Ill., secretary; Mrs. Tex Ritter of North Hollywood, Cal., assistant secretary; Palmer O. Turnheim of Staten Island, treasurer; Harry M. Olsen of Suffern, assistant treasurer.

Firestone is president of Firestone Plastics Co. of Pottstown, Pa., and a director of The Firestone Tire and Rubber Company, which was founded by his father, the late Harvey S. Firestone.

Pants Away

ROYAL, Neb. (AP)—John Gilroy's pants leg got caught in the pulley of a hoist he was operating and he quickly surmised that if he didn't free himself, he would be drawn into the hoist. He got out of his difficulty by getting out of his pants, which went fluttering up the hoist without him.

Milk Producers Favor Alternate To Supports Plan

BOSTON (AP) — The National Milk Producers Federation is in favor of substituting present government price support programs for a producer-financed and operated stabilization program for dairying.

The resolution passed Wednesday said, however, that the present government program is essential to dairy farmers until an effective alternative plan is developed.

The group also supported a food allotment plan to enable low-income families to build up their diets with health - giving foods available in government surplus.

Also advocated was action to allow the Rural Electrification Administration to operate as an independent agency.

The delegates to the federation's annual convention objected to the marketing of foods which are direct imitations of dairy products and sold on the basis of the good will and consumer acceptance of dairy products.

They said they have no objection to the sale of low-cost foods sold on their own merits.

Delegates also opposed any repeal of provisions of the Taft-Hartley Act which guarantees the right of states to enact legislation regulating labor activities.

Small Airplane Is Forced to Crash Land

FREDONIA, N. Y. (AP) — Engine trouble forced a single engine airplane from Illinois to crash land in a Fredonia vineyard Wednesday.

Neither of the two men aboard was injured. The undercarriage of the plane was slightly damaged.

Authorities said those aboard were Alton B. Chilcoat, 50, of Chicago, the pilot, and William Smith, 35, of Parkridge, Ill.

Chilcoat told them a cylinder in the engine blew out forcing him down.

The two men, shaken but unhurt, proceeded to Batavia, their destination, by rented auto. The plane was taken to Fredonia Airport, a mile-and-a-half away.

The early Latin alphabet had the letter "Z" in seventh place. Later it was replaced with the letter "G."

FOOTPRINTS IN THE DUST—There's a lot astronomers have not yet found out about the moon. Particularly puzzling are the huge dark "seas" they have observed through telescopes. Drawings depict three possible answers the first spacemen might discover when their ships touch down. The first school of thought, left, suggests that the "seas" are a thin layer of dust over a solid surface. Then there are those who say that the dust, as fine as baby powder, is perhaps two miles deep, center. Finally, some adhere to the belief that the areas are covered with hardened lava and will make excellent landing spots.

Lucky Find

TULSA, Okla. (AP)—A gold bracelet was lost in Tulsa by Mrs. C. C. Rogers who gave up hope of having it returned, but she advertised in a newspaper anyway. Three days later she received a telephone call from a town 200 miles away. The caller told her she had found the bracelet and had read of its loss in the Tulsa paper.

Wrong Reference

TUCSON, Ariz. (AP)—Donald B. Bolland, 22, applied for a job with the Tucson police force and listed his friend, Pat Daily, as a character reference. A check produced an FBI fugitive report which showed that Bolland and his character reference, Daily, were wanted for violation of the Dyer Act.

The planet Pluto was discovered from Lowell Observatory near Flagstaff, Ariz.

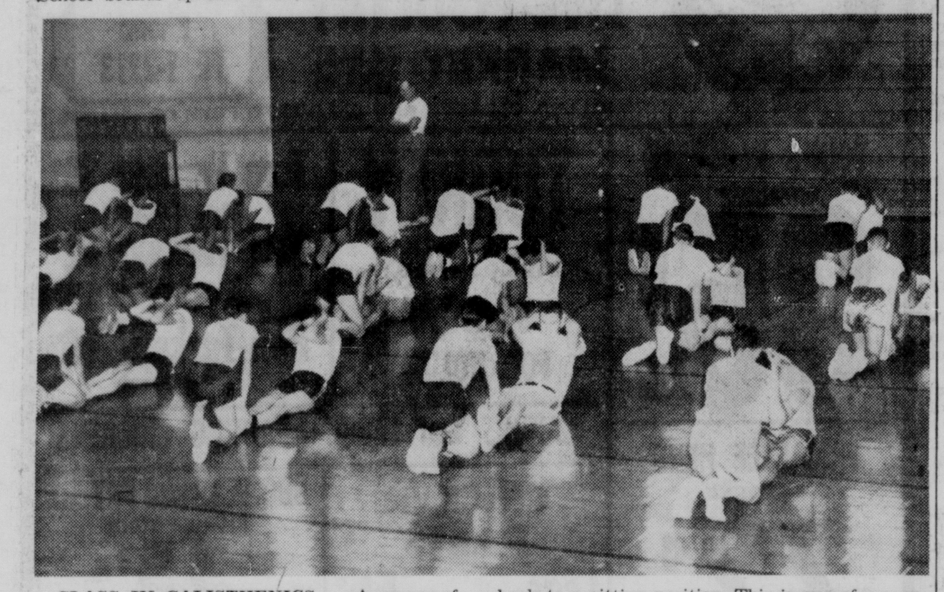
UP AND OVER! — A student in one of the physical education classes at Kingston High School bounds up into the air and over in a flip on the popular and exciting tampoline, while others await their turns. (Freeman photo)



CLASS IN CALISTHENICS — A group of high school students go through their paces in the Kate Walton Fieldhouse. One student anchors the feet of another who rises from his back to a sitting position. This is one of a number of different exercises employed by the KHS physical education staff in its calisthenics program. (Freeman photo)

Physical Education Program Has Development as Its Goal

(Editor's note: The Freeman begins today a series of five articles on the physical education program at Kingston High School and MJM, prepared by G. Warren Kias, director of physical education at the high school, and his staff. The opening article presents a broad view of the general KHS program. Other stories will follow from time to time.

The objective of the program is to promote proper physical and mental development of the individual through instruction, participation and guidance in physical activity.

We strive to develop wholesome attitudes and an interest in recreational activities which may carry over into adult life, while developing enough strength, stamina and skill in the individual for him to carry on his normal work-day duties and still have enough strength to take part in the established community activities.

Three Phases Listed

Our program has three phases:

1. The regular physical education classes. All students are scheduled for physical education one period a day, except those officially excused by the school physician or the guidance office.

This phase of the program includes:

(a) Calisthenics, marching, fundamental skills (such as running, jumping, hopping, skipping, running on all fours, etc.)

(b) Gymnastics, which includes rope climbing, tumbling, parallel bars, horizontal bar, tampoline and buck, etc. This is treated more specifically in an accompanying article.

(c) Games, contests and relays. These include group games, group relays involving fundamental skills, dual combat (individual against individual, like hand wrestling, Indian wrestling, etc.) and team games such as touch football, basketball, volleyball, softball. Instruction and practice are provided for all in all the above named activities.

Leadership Stressed

Opportunity for leadership expression and development is provided for by a team captain and group leader set-up.

In conjunction with this phase of the program a series of tests are given to ascertain the physical efficiency and skill of the individual so as to provide a guide in his development and as a means of motivation. An accompanying article will explain more thoroughly this important phase of the program.

Another important part of this phase of the program is our special gym program, which is for individuals that show the need for special attention and work due to poor adjustment, undevelopment or physical defect. This part of the program is also more specifically described in another of the articles in this series.

2. Another phase of our program is intramural athletics. This part if the program is on a voluntary basis and is open to all individuals. It provides an opportunity for the individual to further pursue the skills and aptitudes developed in the regular gym classes. It includes the following activities: Basketball, volleyball, softball, bowling, wrestling and skiing. There activities are conducted for the most part after school hours.

3. The third phase of our program is interscholastic athletics. This part of our program is the one most people are likely to be familiar with because the public is encouraged to attend our games.

Interscholastic athletics participation is on a voluntary and competitive basis. Squads are of necessity limited and certain standards of performance are required. Naturally a community wishes to be represented by the individuals that will show to the best advantage. Kingston High School has consistently been well above the average in this category.

Our interscholastic sports are football and cross country in the fall, Basketball, bowling and volley ball and wrestling in the winter and track, baseball, golf and tennis in the spring.

This program offers a wide field of activity and makes allowance for a wide range of ability and interest. We in the Kingston High School Physical Education Department feel sure that each individual pupil is given a comprehensive course of training and experience that more than meets the state requirements and assures each individual an opportunity to possess a well-developed body.

(The next article will describe the testing program in physical education at the high school).

Steel Merger Is Banned by Judge

NEW YORK (AP) — Proposed merger of the Bethlehem Steel Corp. and the Youngstown Sheet & Tube Co. was banned today by U.S. Dist. Judge Edward Weinfeld.

The proposed merger would have been the biggest in business history.

In an 88-page opinion, Judge Weinfeld concluded "there is reasonable probability that the merger of Bethlehem and Youngstown would be in violation of Section 7 of the Clayton Act, substantially lessen competition, and tend to create a monopoly in the iron and steel industry."

The corporations had sought through long and involved court proceedings for a merger which would have resulted in a company having assets totaling $2,710,000,000.

In his decision Judge Weinfeld said:

"The proposed merger would eliminate the present substantial competition between Bethlehem and Youngstown in substantial relevant markets.

"It would eliminate substantial potential competition between them. It would eliminate a substantial independent alternative source of supply for all steel consumers. It would eliminate Youngstown as a vital source of supply for independent fabricators who are in competition with Bethlehem in the sale of certain fabricated steel products.

"It would eliminate Youngstown as a substantial buyer of certain fabricated steel products."

Judge Weinfeld said the merger "offers an incipient threat of setting into motion a chain reaction of further mergers by the other but less powerful companies in the steel industry."

Will Contest Is Taken Up Today

Florence Partlow, sister of the late Frank Lucas of Hurley, is contesting the will of her brother which was drawn on November 22, 1956, in which Randolph Olsen of White Plains is named as sole beneficiary. Testimony in the will contest was taken today before Surrogate Judge Charles Gaffney and a jury.

Mr. and Mrs. Martin Sponheimer of Hartsdale, sister and brother-in-law of Mr. Lucas, testified he came to their home on Thanksgiving Day, 1956, said he had suffered a heart attack and asked that they witness his will which was drawn up at that time. Mrs. Lucas had died on October 5, 1956, and the will drawn by Mr. Lucas, a retired New York City police officer, was the second will he had drawn.

Francis X. Tucker appears for proponents of the will and Bernard Feeney appears for the contestant, Florence Partlow, one of several sisters and brothers of deceased.

Mr. and Mrs. Sponheimer testified that the will was written by Mrs. Randolph Olsen, signed by Mr. Lucas and they witnessed the will. Both testified Mr. Lucas had not been drinking on the day the will was drawn and was acting in a normal manner.

Mr. Lucas was a resident of Hurley at the time of his death.

Four Are Named Amateur Winners In Tillson Show

A capacity crowd packed the Tillson School auditorium, Tillson, Wednesday night for the annual Ted Mack auditions sponsored by Rosendale-Tillson Post, American Legion.

The four winners, who will compete in further auditions in the near future, were as follows:

Pat Hill, 17, of Tillson, who played the piano and sang "Padre."

The Cascades (Alfred Kauffman, 18, of Shokan, Bruce Baisden, 18, of Sterling Street, Alverta Palmer, 17, of Jansen Avenue and Joseph Van Dyke, 16, of Ann Street) sang a rock 'n roll number and were called back for three encores.

Ray Palen, 16, of Newkirk Avenue, who played the guitar and sang "Poor Little Girl," backed by the Cascades.

Frank Mallon, 33, of Rosendale, who served as master-of-ceremonies and presented impersonations of the singing of Nat King Cole, Perry Como and others.

They will compete in auditions preparatory, if successful, to an appearance on the Original Amateur Hour presented weekly on television.

The competitions will be sponsored by the Legion post as an annual event.

Other outstanding acts last night were provided by Lucille's Dance Studio, Kingston, and Pat Burke's Dance Studio, New Paltz, Sharon and Richard Fuchs of Kingston and Cheryl Hurst and Helen Schneider of New Paltz. Some of the costumes were donated by DeLuca Cleaners of Kingston.

Director of the show was Sgt. Larry Snyder of the U. S. Air Force Recruiting Office, Kingston. Producer was Pete Costa.

Snyder said the competitors were a "wonderful bunch" and the talent very fine. The show was thoroughly enjoyed by the large audience, it was reported.

During the administration of Theodore Roosevelt, the area of national forests was increased from 43 million to 194 million acres.

5 More Hunters Are Arrested in Phoenicia Area

Phoenicia state police arrested five hunters Wednesday—two for carrying loaded guns in their cars, the others for transporting untagged deer.

The arrests were by Trooper H. S. Rhodes and Game Protector Henry Bernstein of Phoenicia.

The five yesterday brought to 24 the number of hunters arrested on various Conservation Law violations during the past two days. Most of those arrested were from the metropolitan area.

They were arraigned before Justice of the Peace George W. Erts of the town of Denning.

One of the hunters arrested Tuesday paid a total fine of $450—$250 for shooting a doe deer, $200 for carrying a loaded gun in the car.

Reds Studying Lists

GENEVA (AP) — Communist delegates to the surprise attack conference indicated today they at least are studying the arms and detection system lists introduced by the West in an effort to get the talks down to technical matters and away from politics.

There was no indication, however, that the eastern side was prepared to get down to detailed technical studies as the West has requested.

State Chamber Head Will Judge Pageant For JCC's in May

Guy A. Visk, general chairman of the Miss New York State Pageant, announced today that the first confirmation has been received for the panel of judges.

Mr. Visk received the following letter from Thomas B. Taylor, president of the New York State Junior Chamber of Commerce:

"I want you to know that I will be most happy to be a judge, and have marked the dates in my appointment book. Thank you for extending this opportunity to me."

It is anticipated that the panel of judges for the Miss New York State Pageant will consist of nine or 11 members, representing various professions.

The Miss New York State Pageant, to be held in Kingston on May 1 and 2, is sponsored by the Kingston Junior Chamber of Commerce. The Pageant will be held in Kingston Municipal Auditorium, and the Governor Clinton Hotel has been selected as official headquarters.

In a recent interview, Mr. Visk said, "plans for the 1959 Miss New York State Pageant have actually snow-balled. The number of local Pageants throughout the State are increasing daily. thereby increasing the contestants for the State Pageant. An actual count is not available at this time, but it is expected that the number of contestants will be almost double that of previous years."

Katrine Mothers To Hear Speaker On Family Relations

Dr. Eugene P. Link will be guest speaker at the meeting of the Mothers Club of the Lake Katrine School on Tuesday, Nov. 25, at 8 p. m. His topic will be "Family Relations."

Dr. Link is chairman of the division of social science, State University Teachers College, New Paltz. His primary fields of interest are marriage and family relations and world religions.

Dr. Link holds a BD degree from Union Theological Seminary and the doctor's degree from Columbia in sociology. He is a member of the board of directors of the National Council on Family Relations and has been national secretary of the latter group. The author of "The Democratic-Republican Societies," he also writes in professional journals on the social history of American medicine. He is a fellow of the John Dewey Society, a former secretary of Alpha Kappa Delta, the honorary sociological society, and is a past president of the Tri-State Council on Family Relations.

The Link family recently spent a year in India where Dr. Link was a Fulbright professor in a South Indian university near Madras. Here he became seriously interested in the major religions of the world.

Dr. Link has been the instructor in a 21-week series of television programs entitled "The Mature Years," dealing with problems of senior citizens and televised over Station WRGB, Channel 6, Schenectady.

Report Is Given On Ahavath Israel Sisterhood Meeting

Ahavath Israel Sisterhood held its regular meeting Wednesday, Nov. 12 with Mrs. Alfred Horowitz presiding.

Mrs. Melvin Samuels of the membership committee introduced to the members the following guests: the Mmes. Irving Luckom, George Small, Samuel Levy, E. Weinberger, Essie Tackler.

The Book Shop Lending Library is already well established and there is now a long list of reservations for books, it was reported.

A report was given on the successful rummage sale chaired by Mrs. Rose Samuels, held on November 5 and 6. A vote of thanks was given to the following members for their cooperation in the work: theMmes. Rose Samuels, Harold Pekarsky, Melvin Samuels, Carl Lipton, Merrill Stone, Martin Garber, Max Eckdish, Harry Fertel, Alex Woolf, Alfred Horowitz, Irwin Gellen, William Helmrich, Larry Jacobs, Ida Werbalowsky, Irving Wilpan, Jack Zwilling, Morris Tucker, Clara Lipton, A. Schulman, Jay Piell, Bernard Cohen.

Mrs. Larry Jacobs, Mrs. Sidney Rafalowsky and Mrs. George Small have volunteered to act as co-chairmen for the annual New Year's Eve party to be held at the Vestry. Further news of their plans for the event will be announced.

Mrs. Martin Garber gave a complete report of the Hudson Valley Conference held in Poughkeepsie on October 14. The members were informed in detail of the two workshops; Social Action and Ways and Means, and also of the Leadership Training lecture by Mrs. Alfred Fried, National Speaker-Consultant. Mrs. Garber was one of 11 Sisterhood members attending the sessions.

It was also announced that Mrs. Gilbert Adin, Mrs. Martin Garber and Mrs. Melvin Samuels have volunteered to serve as general co-chairmen of the forthcoming Cabaret Night to be held in February. Play casting will take place in the Vestry Sunday, Nov. 30 at 8 p. m.

The Sisterhood meeting in December will feature a cake sale. Co-chairmen will be the Mmes. Aaron Adin, George Muller and Carl Lipton. As is customary, there will be an exchange of Hanukkah gifts.

Herman Eaton and Benjamin Schecter spoke to the assemblage on the Troy Home for the Aged.

President Mrs. Alfred Horowitz announced that Mrs. Martin Netburn will henceforth serve as recording secretary due to the resignation of Mrs. Robert Beckwith, and Mrs. Martin Singer will assume the duties of co-chairman of the telephone squad.

Mrs. Irving Wilpan, chairman of Torah Fund, introduced the program of the evening, a dramatic skit entitled "Key to the Ark." Portrayals in the playlet were capably enacted by the following: the Mmes. Cecil Murkoff, Dave Seigel, Charlotte Greenwald, Morris Tucker, Stanley Levitt, Irving Wilpan.

After adjournment of the meeting, refreshments were served by Mrs. Sol Freidman in honor of the marriage of her daughter, Elaine.

Auxiliary Discusses Cancer

Members of the Auxiliary of American Legion Post in Marlboro, enjoyed a program at the Legion Home last night which was arranged by Mrs. Thelma Panzella, local educational chairman for the American Cancer Society.

A new film, "Time and Two Women," furnished by the Ulster County Unit of the American Cancer Society, was shown to the large group of members present.

Dr. Philip Goldman of Kingston, spoke following the film and a short question and answer period was held.

Mrs. Panzella announced that organizations desiring film showings to their groups should contact their local Educational Chairman or the Ulster County Unit of the American Cancer Society at 400 Broadway, Kingston.

Hadassah Plans 25th Anniversary Observance With Dinner-Meeting Set for Monday, Dec. 1

Kingston Hadassah members will celebrate the 25th year of Youth Aliyah service with a dinner meeting Monday, Dec. 1.

All donors to the Youth Aliyah campaign, now in progress, will be guests of the local Hadassah chapter at the event, scheduled for Congregation Agudas Achim. The dinner will climax the organization's drive in behalf of the rescue movement.

Mrs. George B. Starkman is chairman of this year's Youth Aliyah campaign; donations may be sent to Mrs. Harry Feldman, Youth Aliyah treasurer, 104 Wall Street.

Assisting Mrs. Starkman in campaign solicitations are the Mmes. Robert E. Davis, Arthur Field, Murray J. Fletcher, David Frischberg, Sidney Halpern, Leo Holtz, Raphael Klein, David Kline, Edward Kestenbaum, Irving Kreppel, Manuel B. Lipton, Oscar B. London, Robert Nadler, Harold Pekarsky, Alfred D. Ronder, Louis Schwartz, Jerome Strugatz, Charles Warshaw, Sidney D. Wolff and Robert S. Yallum.

Mrs. Nathaniel B. Gross is chairman of the dinner, with Mrs. Morris Berman in charge of the kitchen and Mrs. Sidney Treinkman as dining-room chairman. Handling table arrangements are Mrs. Harry Kaplan, Mrs. Edwin Wetterhahn and Mrs. Sidney D. Wolff.

Reservations for the dinner may be made with Mrs. William Helmrich, Country Club Circle, Mount Marion, or Mrs. Irwin Gellen, Shuler Lane, Lake Katrine.

Highlight of the dinner meeting will be a special "This Is Your Life" program, honoring one of the outstanding women in the local Hadassah chapter. Members who have worked with the guest of honor in various Hadassah projects will take part in the presentation. Mrs. Melvin Navy and Mrs. Jacob Smolen are in charge of the program.

Mrs. Murray J. Fletcher, president of the Kingston chapter of Hadassah, will welcome the guests at the dinner. Also included in the program will be a report from Mrs. Starkman, summarizing the Youth Aliyah campaign, and a presentation of highlights of the recent national Hadassah convention by Mrs. Manuel B. Lipton, who attended the Miami Beach, Fla., meeting as delegate from the local group.

Hadassah serves as official U. S. representative for the worldwide Youth Aliyah agency, which has rescued and rehabilitated more than 85,000 Jewish young people since its inception in 1934. In addition to the annual funds raised for the movement, this year's campaign will finance the building of 12 Anne Frank Havens, designed as a gift from Hadassah to Youth Aliyah. The havens will shelter youngsters between the ages of seven and twelve, too young for absorption into the regular program.

In the past few years, Youth Aliyah rescue work has been concentrated on children from North Africa, the Middle East and Eastern Europe. The movement has now expanded its scope to accept children from Morocco and the Soviet Union, provided that the individuals can obtain permission from their governments to migrate to Israel.

Youth Aliyah is now considering a request by the International Union of Child Welfare to exchange youth instructors with Asian countries, according to an announcement from Mrs. A. P. Schoolman, national chairman. Under the exchange plan, Israeli instructors would be able to place their experience within the Youth Aliyah framework at the disposal of Asian institutions, while teachers from Asiatic countries would go to Israel to study methods employed at the Youth Aliyah agricultural settlements and schools.

Individual Action Is Important, Says Speaker Before AAUW

Active citizen participation in their government was urged Tuesday night by Mrs. Harry Cornwell, president of the New Paltz League of Women Voters, who addressed a meeting of the Kingston branch, American Association of University Women, held at George Washington School.

Mrs. Cornwell, now in her third year as president of the New Paltz group, stressed the importance of individual action in making known opinions on crucial issues; signing petitions; writing to legislators; and attending school board and Common Council sessions.

She described the roles of pressure groups, which she termed necessary in the political system, stating that these organizations present a collective opinion upon which lawmakers can act. Mrs. Cornwell assessed the value of public interest pressure groups, which she felt could be most effective in influencing action.

In weighing the worth of the innumerable pressure groups that arise in a community, Mrs. Cornwell advised her audience to consider whether membership is open to all; whether the group represents a cross-section of the area; whether it functions democratically; and whether its leaders seem truly dedicated to its ideals.

Pointing out that in this country, organizations wield great influence on government, Mrs. Cornwell said that the members are responsible for keeping the groups useful and working in a democratic manner.

The speaker stressed the importance of working within a political party to achieve a government representative of its constituents. "The only cure for a boss-controlled machine," she stated, "is for a citizens' group to become active within the party and make it a citizen-dominated machine."

Mrs. Cornwell urged that more qualified women consider political careers; she pointed out that the criteria which determine a candidate's qualifications are applicable to both men and women, noting that women are even better informed on many of the prime issues with which government is concerned.

Mrs. Rossell Hope Robbins presided over the meeting. The group planned its annual Christmas dinner party, scheduled for Tuesday, Dec. 9. Mrs. Arnold L. Pinsly reported on the recent meeting of the Association for the Help of Retarded Children.

The AAUW book discussion group will meet at the home of Mrs. Max Goldberg, Saugerties, Monday, Nov. 24, for a discussion of "The Scarlet and the Black." The Mass Media study group will begin a two-year study of "Who Makes Up Our Political Mind?" with a discussion of advertising methods, scheduled for Monday, Dec. 1, in the home of Mrs. Fred C. Brammer, Mount Marion.

Fellowship committee members will meet Monday, Nov. 24, at the home of Mrs. Carl J. Kaminsky Jr., Mount Marion, while the group's board meeting is slated for Tuesday, Nov. 25, in the home of Mrs. John Erickson, Woodstock.

Herricks to Present Prize Puppet Show At Chambers School

Ron and Jane Herrick will present their prize-winning marionette show at the Chambers School Tuesday evening, Dec. 2, sponsored by the Town of Ulster Kiwanis Club.

The show is for the benefit of the youth activities committee of the club. The Chambers School Parent-Teacher Association is cooperating with the club in the project and the pupils of the school are lending their efforts to make this "family evening" a success, it is reported.

The show is the famous "Prince and the Mermaid" which the Herricks presented at this year's National Puppet Festival at Chapel Hill, N. C. At that time, in competition with other nationally famous puppeteers, the production was voted the most beautiful of all presented. Herrick was elected president of the Puppeteers of America.

The Ulster Kiwanis "feels proud" to be able to bring to young people and adults of the community "this excellent example of the world of fantasy," a spokesman told The Freeman.

Tickets are being distributed through the pupils of the school. For others who wish to attend tickets are being offered for sale at Salzmann Bakery on Broadway, Parish Linoleum and tile office of Broadway and Robert Morehouse Floor Covering Co. on Albany Avenue Extension. The public is invited.

Paltz Orchestra To Give Concert On November 25

The College-Community Orchestra of the State University Teachers College, New Paltz, will present its fall program Tuesday, Nov. 25, in the College Auditorium at 8:15 p. m.

The program, which is open to the public without charge, will include the works of Haydn, Schubert, Brahms, Elgar, and the American composer, Roy Harris.

Under the direction of Dr. O. Lincoln Igou, professor of music at the college, the orchestra will include, as usual, college students, a considerable number of older members of the Mid-Hudson Valley musical community, and a few high school students. A number of members of the West Point Band will also be occupying key positions in this volunteer organization. This is Dr. Igou's 13th season as leader of the orchestra.

The program will open with the "Symphony in Bb, No. 102," of Franz Josef Haydn the prolific Austrian composer who served for many years as the director of the court of Count Esterhazy.

"A Serenade for Strings" of Edward Elgar, and an "Evening Piece" of Roy Harris, will complete the first half of the concert. The Elgar, Dr. Igou explained, is less familiar than his "Pomp and Circumstances" march, but he is rich in the use of those gentle pastel colors which abound in romantic writings. The Harris composition, on the other hand, he said, is one definitely conceived in the modern idiom, in which this outstanding native composer has experimented with new color and tonal combinations to create the mood of a quiet evening.

The "Symphone No. 5 in Bb Major" of Franz Schubert will open the second half of the program. This orchestral gem, according to Dr. Igou, is a delightful miniature in which one encounters a succession of the endless lyric melodies which characterize this gifted and versatile composer.

The program will conclude with two of the Hungarian Dances with Brahms first set down for four hands at the piano and which were orchestrated subsequently. From the twenty-one dances, two of the less familiar ones have been chosen: the first and third. Each presents a vivid facet of gypsy life.

Home Extension Service News

Summary Meeting

Three hundred and fifty people from all over the county attended a summary meeting on Clothing and Home Furnishings held recently at the Hurley School. The meeting was sponsored by the Home Department of the Ulster County Extension Service.

Displays of projects made by women around the county included millinery, clothing, copper enameling, braided rugs and wooden bowls. The latter three projects were displayed on tables in the auditorium. There were so many more hats than were expected that it was difficult to find room for all of them.

Mrs. Alfred Bagnall narrated a fashion show of the clothing and millinery projects as women modeled what they had made. Mrs. Percy Dederick played background music for the show.

Mrs. Thomas Goodman, vice chairman of the executive committee, opened the meeting by reading the "Homemaker's Creed." She then introduced the featured speaker, Miss Wanda Wdowka from the Butterick Pattern Company whose talk was entitled "Fit and Fashion." Miss Wdowka spoke on buying the correct pattern size, pattern alterations and the coming fashions and fabrics. In her talk she said that 35 million women in the United States each sew an average of 17 garments a year. Women who sew can use better material, have better style and workmanship for the same money as women who buy their clothes. She spoke about the coming "eased" look in fashion replacing the extreme trapaze, chemise, sac and empire styles. Dresses will be made with soft fullness and will in general be designed for more casual living. Emphasis was placed on the need for every woman to take care in selecting clothes that are particularly becoming for her in style and color. After the program Miss Wdowka spoke informally with women who had questions and wanted to see materials and the exhibits on pattern alternations.

Three county leaders spoke about the projects they taught. They were Mrs. Marthel Beutel who spoke for Mrs. William Adams on millinery, Mrs. Robert Atkinson on copper enameling and Mrs. Robert DuBois on clothing.

Flower arrangements for the stage and refreshment table were made by a committee headed by Mrs. Joseph Viano. Mrs. Carl Dedy seaded a committee in charge of refreshments. Cider and homemade cookies were served.

A meeting of Kingston Evening Unit was held on Tuesday. Theme was "Our Foreign Neighbors." An interesting and informative film of England was shown by Herbert Greenwald of Greenwald's Travel Agency.

A buffet was served.

Food Sales

WSCS

The WSCS of Trinity Methodist Church will sponsor a food sale on Friday at the parsonage, 35 Wurts, Street, instead of the date previously announced.

The sale will be conducted from 2 to 5 p. m. Mrs. John Short of Hunter Street is taking orders for those who wish to take items home.

Food may be left any time through Friday at the parsonage for the sale.

Public is invited.

MARRIED 50 YEARS—Mr. and Mrs. Herman Luedtke of 16 Mary's Avenue, who celebrated their Golden Wedding Anniversary with an open house party on Sunday, Nov. 16. The Luedtkes were married at Immanuel Lutheran Church, Livingston Street November 18, 1908. They were both born in Kingston and have lived here all their lives. The Luedtkes have one son, Norman, of this city, and three grandchildren. Many congratulatory messages were received and more than 100 relatives and friends attended the celebration. A dinner for the immediate family was held Tuesday at Leherb's. (Freeman photo)

Some Baby Facts

Did you know that after shattering birth records for four consecutive years, the stork seems to be tiring a little in 1958, having delivered 40,000 less blessed bundles through January-August than during the same period of 1957?

Although the birth rate has slid from the 1957 peak of 24.8 to an even 24 for each group of 1,000 persons, the end of the year again should find more than four million new arrivals. Births have exceeded four million for four consecutive years, the 1957 count of baby boys and girls being 4,301,000.

It would be fitting, I should think, to include a little information about babies and their diet, since so many of you are concerned with seeing to it that baby is well fed.

Each day in a baby's life is a study in progress. Changes in food are almost as exciting to the watchful mother as the first wavering smile.

Naturally baby's doctor calls the time on important decisions, such as the introduction of new foods or—for older babies—the change from strained to junior foods. Yet it is the mother who must watch over the daily food program of that fast-growing baby. Happily she does have an accurate guide in charting meals that will include all the essential nutrients (proteins, fats, carbohydrates, minerals and vitamins) for growth and good health.

The planning of nourishing, satisfying meals for babies and toddlers is made easy by following "A Daily Food Plan" as recommended in "Essentials of an Adequate Diet," Agriculture Information Bulletin, 160, Agriculture Research Service, U. S. Department of Agriculture, 1956.

This plan clearly illustrates how you can keep your baby healthy by providing the proper amounts of milk, meat, eggs, fish, vegetables, fruit and breadcereals.

Foods such as butter, margarine, oils, other fats and sugars, and unenriched, refined cereal grain products might be included for flavor and appetite appeal. They also serve as a source of needed calories not supplied by the basic foods listed above. For babies and young children, these optional foods should be used in limited quantities. This is because growth needs are high in proportion to the small volume a baby can consume.

New Book on Market

Since we are talking about babies today, there is a new book on the market "The Birth of Normal Babies." It is written by Dr. Lyon P. Strean, a research scientist who has made many discoveries in the fields of medicine and dentistry. He was associated with the early development of penicillin and cortisone and is the author of more than 50 scientific articles and several textbooks published in the United States and abroad.

Not being an authority on the subject, I cannot and will not express an opinion about the book other than to say that its findings, if true, are quite revolutionary.

The book concerns itself with those pregnancies that end in failure—in stillbirths, in miscarriages, in birth defects in the newborn child.

Dr. Strean believes that the major cause of defective babies can be attributed to the occurrence of stress, in one form or another. Stress, he says, may result from a fall, a blow, powerful medicines such as penicillin, metabolic and infectious diseases.

He also claims that proper vitamin therapy and other precautionary measures may, in many instances, prevent the unfortune consequences.

Dr. Strean is the first doctor to call attention to the importance of stress as a causative factor in the development of congenital defects in the newborn.

The book is published by Twayne Publishers Inc., 31 Union Square, New York City.

TOO MANY CHRISTMAS CARDS

Dear Mrs. Post: I am a businesswoman and have a great many business acquaintances. Each passing year I receive more and more Christmas cards. Last year I received quite a few Christmas cards from people to whom I did not send cards. I would like to know if it is necessary to send them cards this year.

Answer: Christmas card sending is a friendly and charming custom but to send vast quantities of cards to people one hardly knows I think reduces their value and the pleasure of receiving them.

Oranges to Her Doctor

Dear Mrs. Post: I was operated on several weeks ago by a very fine surgeon who was especially kind to me during my illness. I intend to go down to Florida in a week or so to recuperate. Would it be proper to send a box of oranges, or other fruit, while I am there to the doctor in appreciation of his kindness If so, should I send it to Dr. and Mrs.? I have never met his wife.

Answer: I think sending him a box of oranges is a very pleasing idea, and since you do not know his wife, it would be best to send it to the doctor alone.

Informality at a Cocktail Party

Dear Mrs. Post: Is it proper to go to a cocktail party in a suit with a blouse? I am invited to such a party in town and would like to go in early so as to keep several other appointments for which I would prefer not to dress.

Answer: No social gathering exacts less formality than a cocktail party. You may wear whatever you happen to have on—whether it be formal or informal.

Harmony Night Plays To Capacity Audience

Saturday night was a gala occasion for the local chapter of SPEBSQSA and for the near-capacity crowd that braved the rain and fog to attend the "Harmony Night" show. Despite inclement weather the audience was entertained in harmonious and hilarious fashion.

The Mid-Hudson Chapter Chorus began the program with a musical greeting to the audience, followed with "My Indiana." Under the excellent direction of Ron Gibbons, they also started the second portion of the show with a medly of "The Old Song' and "Honey," followed by "Tie Me to Your Apron Strings Again." The chorus was well received for its fine work.

After the chorus a quartet from the local chapter, the "Chordsmen," making their first public appearance, gave an indication of the progress that can be made in a short time with "Moonlight Bay" and "Whispering Hope."

Following the chorus in the second half another local quartet, the "Sweet Siders" sent the audience into gales of laughter with "The Way You Roll Your Eyes," "Yona From Arizona" and "Sweet Cider Time."

Next the "King-Tones" impressed the crowd with their solid harmony on such numbers as "Side by Side," "Wedding Bells," "Cotton Pickers Ball," "The Whiffenpoof Song," and "Sugarcane Jubilee." They also did some clowning with "Confusion" and "The Maharajah of Magador."

"The Sleepless Knights of Harmony" from Hartford, Conn., were the comedy hit of the evening. Their striped night-shirts, stocking caps and comedy routines were hilarious.

The "Bay-Statesmen" from New Bedford, Mass., also received several encores for their fine performance. These past district champs displayed the skill that has built their reputation in barbershopping. All of their renditions were vigorously applauded, especially their barbershop arrangements of "Chante" and "76 Trombones."

"Harmony Night" closed with the singing of "Keep America Singing" by the entire cast. It is the SPEBSQSA theme song.

All hats are off to three gentlemen who did excellent work. Demos MacDonald, for his fine job as master of ceremonies, Vin Zito of Hartford, who led the community singing, and Tom Seche, who as general show chairman did so much of the work which made "Harmony Night" a tremendous success.

In view of the success of this year's show, preparations will soon begin for the 1959 "Harmony Night." The local chapter expects to make it an even bigger and better one.

Potatoes usually need a warm or temperate climate in which to grow. But there is one species of potato in the mountains of Mexico that grows well at the snow line.

To Entertain Here at Thanksgiving Eve Ball

LONNIE SATTIN

SUNNY GALE

The Thanksgiving Eve Ball on Wednesday, Nov. 26 will also headline such popular names as Lonnie Sattin, young gifted singer and Sunny Gale, blues singer.

The annual event, sponsored by Congregation Ahavath Israel, will take place at Municipal Auditorium.

Heading the all-star cast of performers will be Stan Kenton and his orchestra, Corbett Monica, the man who delivers "comedy with class," and a musical and comedy dance team, The Blackburn Twins and Jerry Collins.

LONNIE SATTIN, who has been hailed by leading critics such as Earl Wilson, Jack O'Brian, Louis Sobol, Robert Sylvester, George Bourke of the Miami Herald and Herb Kelly of the Miami Beach Sun plus a host of others, has an impressive array of outstanding credits including the featured singing roles in "The Body Beautiful" on Broadway and the Spectacular "Cotton Club Revue" in Miami Beach, Las Vegas and New York.

Added to this, he has appeared in many of the leading night clubs throughout North America, including engagements at the Eden Roc and Americana hotels in Miami Beach; the Town Casino in Buffalo; the Chase Hotel in St. Louis; El Morocco in Montreal and the Capri in Havana, plus a host of others.

Lonnie has also been seen by millions of televiewers via his appearances on the Ed Sullivan, Patti Page's "Big Record," Jack Paar and Dave Garroway's "Today" shows.

SUNNY GALE, who sings as beautiful as she looks, has a style which is completely natural. She's never studied voice or had a lesson in her life, but has created a delivery which leaves listeners limp in their delight.

She puts intense emotion into each torch song, but when she sings a happy number, she's completely different, changing the mood in the twinkling of an octave. It's a voice that was born to sing...and made to be listened to.

Sunny—christened Selma was born in Clayton, N. J. and when she was four years old moved to Philadelphia which she considers her home town. She attended public schools there and in the beginning studied dancing. "At one time," says Sunny, "I thought I liked ballet better than ballads."

Sunny has a vast collection of gowns and dresses and is recognized as one of the most fashionably dressed singers in America.

Her favorite color is black. When asked what her favorite jewels are: "Well, they say diamonds are a girl's best friend; whom am I to disagree"

When it come to picking a song, Sunny has a method all her own. To her, most melodies are pretty but it is the words that count. "You have to listen for the lyrics. They're what created the mood...what makes the song happy or sad.

Her favorite type of song is a ballad, but Sunny is equally a sensation whether she sings sad or happy songs.

Tickets Available For Testimonials to Msgr. Connolly

Tickets still are available for the testimonial dinner in honor of the Rt. Rev. Msgr. Joseph F. Connolly, pastor of St. Philomena's Church.

Msgr. Connolly will be honored Thursday, Dec. 4 at 7 p. m. at the Capri Restaurant, Port Ewen, in observance of the 25th anniversary of his ordination to the priesthood.

Frank Molinaro, secretary of the committee, said tickets are available to members of the parish and those outside the parish. Other members of the committee include William Minahan, Pat Clausi, Ken Donnelly, Edward Devine and Russell Brott.

Senior Play Wins Laudatory Comments For 'Parlor Story' Which Opened Wednesday

The cast of William McCleery's "Parlor Story" outdid themselves at opening night Wednesday at the George Washington School.

They not only gave a fine performance but the entire production, complete to orchestral music, had the makings of a professional Broadway group. The students really did a fine job.

Sponsored by the senior class of Kingston High School for the purpose of defraying expenses of the class yearbook, it is quite evident that the remaining three nights will be filled to capacity.

The smoothness of the production was a product of the fine directing of Miss Madeleine Tarrant.

Play Leading Roles

Taking lead parts were Jane Anderson as Marion Burnett and Wilma Burke as Katy. Jerome Singer was cast as Charles Burnett and Sharon Horbot as Christine.

Also in the cast were Thomas Oulton, William Craft, Arleen Vollmer, Bruce Bishop and William Sill.

Equally responsible for the fine production was the production staff. Included on the staff were:

Scenery, lighting — Coach House Players, Richard Matthews, Thomas Mayone, Judson Emerick, Don Avallone;

Properties—Jean Kieth, Betsy Bechtold, Arthur Elting, Joseph Gillen, Sharon Wolslegel;

Prompters — Marilyn Carpenter, Judith Alexander, Donald Avallone;

Makeup — Peggy Sutherland, Peggy Loughran, Michel Ruckman, Arleen Vollmer, Carol Van Wagenen, Sharon Horbot, Judy Robins, William Craft, Daniel Simpson;

Publicity — Carla Carlotte;

Management — Paul G. Steinkuller, business manager, assisted by Donald Avallone, Judy Boice, Robert Bogart, George Chilson, Howard Crego, John Jordan, Peter Kelderhouse, Louis Quarantino, Gerald Sampson, Daniel Simpson and Judy Van Bramer.

Tickets Are Scarce

"Tickets for performances tonight, Friday and Saturday are fast becoming scarce," Miss Carlotte told The Freeman today.

There are only 11 tickets available for Saturday's performance and Friday night is almost completely sold out, she said.

"We hope those who have not as yet purchased tickets and were planning to come Saturday, will come tonight," Miss Carlotte said.

Orchestra Plays

The Kingston High School Orchestra, under the direction of Mark Baczynsky, played several selections before curtain time. These included "Beguine," "Greensleeves," "Romeo and Juliet," "Bluetail Fly," "Heart of Paris," and "Fiesta Rumba."

Youth Director Is To Be Speaker at Temple on Sunday

RABBI LEONARD ZION

Rabbi Leonard Zion, director of Youth and Camp Institute for Living Judaism at Great Barrington, will be the principal speaker at the congregational meeting in Temple Emanuel, Abeel Street Sunday at 8 p. m.

The subject of the meeting is a progress report on the new temple building under construction on Albany Avenue and will also be the celebration of the 85th anniversary of the Union of American Hebrew Congregations and Hebrew Union College—Jewish Institute of Religion.

Reform Judaism, one of the major denominations of the country, was formally launched with the founding of The Union of American Hebrew Congregations 85 years ago. This movement was started by Isaac Mayer Wise who wanted the faith of Judaism to be a vital factor in the lives of his people. He wanted its principles to be meaningful, and he was ready to discard any forms which prevented that from happening.

The new organization was called The Union of American Hebrew Congregations and its first great achievement was the establishment of the first school for training of rabbis on the American continent known as the Hebrew Union College which still flourishes in Cincinnati. Today it is joined with another rabbinical school known as the Jewish Institute of Religion in New York, founded by the late Dr. Stephen Wise, of which Rabbi Herbert I. Bloom is an alumnus.

Dr. Saul Goldfarb, president of the Temple, and other officers of the building fund will report on the proposed dedication set for February 14, 1959. There will be no solicitation of funds and refreshments will be served by members of the Temple Sisterhood. All members and their friends are cordially invited to join.

President, GOP Leaders to Meet On '59 Program

WASHINGTON (AP) — Republican congressional leaders will meet with President Eisenhower early next month to map next year's legislative program under a White House injunction to hold down spending.

The President set what appeared to be the administration's guidelines for the incoming Congress at a meeting Wednesday with Rep. Joseph W. Martin Jr. of Massachusetts, the House GOP leader.

Johnson Pledges Help

"The general policy will be to cut down wherever possible," Martin reported afterwards.

Later, Senate Democratic Leader Lyndon B. Johnson of Texas told a news conference the new, heavily Democratic Congress will be "prudent and careful of the taxpayers' dollar both at home and abroad."

"In some areas I think there will be an excess of appropriations above what the President asks," Johnson said. "But in a good many areas the appropriations will be less."

Martin made clear that administration objectives for the two years of the 86th Congress will be to avoid increasing the budget deficit—estimated at more than 12 billion dollars for this fiscal year—and to hold the line on the government's indebtedness.

Due About Dec. 10

The White House conference between Eisenhower and GOP congressional leaders is due around Dec. 10. It will deal chiefly with budget problems for the fiscal year starting next July.

Johnson, who met with Eisenhower Tuesday night, said the President has invited Democratic leaders to go over the legislative program with him. No date has been set for this meeting.

For the next two years, Eisenhower must deal with enlarged Democratic majorities in both House and Senate.

These Democratic gains are expected to be reflected in demands for new social, defense and farm legislation requiring more spending.

Gerosa to Make Own Albany Bid Opposing Schools

NEW YORK (AP) — City Controller Lawrence E. Gerosa says he plans to appeal personally to the 1959 State Legislature to turn down a proposed constitutional amendment enabling the city to finance new school construction.

The amendment would permit New York City to borrow up to 500 million dollars outside its debt limit for such building.

Gerosa announced his opposition to the proposal Wednesday shortly after Mayor Robert F. Wagner said he would go to the state capital to seek its approval.

The amendment, passed by the 1958 Legislature, must be approved again next year to get on the ballot next November for a statewide referendum.

Gerosa has accused the city's Board of Education of wasting 100 million dollars in school building. The board says it will reply to Gerosa's charges next week.

Patrolman Who Inherited Fortune Quits Force Again

NEW YORK (AP) — John B. Gaul, who inherited a 2½ million dollar fortune, has decided for the second time to doff his patrolman's uniform.

Gaul, 39, resigned from the police force last February to administer the estate of his late uncle, Dr. Julian A. Gaul, of Roxbury, N. Y. The uncle had made Gaul, married and father of two sons, his chief beneficiary.

Later, Gaul applied for reinstatement because litigation over the will had developed. When the will contest was settled last October, Gaul said he was going to stay on the force.

Wednesday, however, Gaul disclosed he had resigned again, with no plans other than "to live out of town and continue my education."

Sudan Head Hints Better Relations With UAR Setup

CAIRO (AP) — Sudan's new strong man said today his main interest now is in internal reorganization, and foreign policy decisions will have to wait. He hinted he will seek better relations with the United Arab Republic.

Gen. Ibrahim Abboud made his comment in a brief telephone interview from Khartoum, Sudan's capital, with The Associated Press in Cairo.

This is believed to be the first interview since his bloodless coup d'etat Monday.

Says Policy Clear

Abboud answered the phone while presiding over a meeting of his new 12-man Cabinet.

Asked about the possibility of reaching an agreement with the U.A.R. on the division of Nile waters, long an issue between the two nations, Abboud replied: "My policy is very clear and I have emphasized it in my first declaration after taking over."

Abboud declined to amplify this. In the declaration he referred to, Abboud promised to work for better relations with the U.A.R. and the elimination of dissension.

"We need two or three days to lay down the broad lines of our policy," Abboud said. "Our main interest is in internal reorganization. Later, we will study Sudan's foreign policy.

The 58-year-old general declined to answer any more questions.

President Nasser is making a strong bid to win the new Sudanese regime to his brand of Arab nationalism despite fears in Cairo that the coup was engineered by anti-Nasser elements.

Nasser Willing to Join

The U.A.R. was the first country to recognize the new regime.

Things did not go the way Nasser planned in the Sudan, but he is willing to join them if he cannot lead them.

The Cairo press is portraying the Abboud coup as an anti-imperialist maneuver designed to foil British-American plots against Sudan.

British experts in London say Abboud's coup apparently was intended to forestall any concessions to Nasser, who has been pressing Sudan about Nile River water, border demarcation and other disputes.

By CHARLES J. TIANO

Enough accolades have been heaped on the 1958 Kingston High School football team to justify its rating among the all-time great Maroon football aggregations. It is anchoring the mightiest winning skein in KHS history.

The Thanksgiving morning clash with Newburgh Academy is fraught with dramatic possibilities. Any number of things can happen, including a Newburgh victory, but from where we sit it doesn't figure to happen.

A Kingston victory would embellish the record books with such interesting items as:

1. Hobie Armstrong would complete his high school football career without ever having played in a losing game. Only the 7-7 tie with Vincentian this season mars an otherwise spotless record for the Maroon since Hobie started terrifying the opposition.

2. A victory would extend Kingston's winning streak to 24 games without a loss. The Vincentian tie, of course, came at the 20-game mark.

3. Kingston's winning streak over Newburgh would be hiked to an unprecedented six straight; a measure of satisfaction for the pre-war famine era when Kingston went 10 years before it defeated the Goldbacks.

4. A sixth DUSO League pennant for Coach Bill Burke, who also has shared two others since taking over in 1946.

5. A Thanksgiving triumph would give Kingston permanent possession of the DUSO League trophy. KHS, Newburgh and Poughkeepsie each have two legs on the trophy which must be won three times.

• Superstition Won't Work:

The contest completes Burke's 13th year at Kingston High and, for once, the Maroons will defy the old superstition.

On the basis of comparative scores and seasonal records, Kingston appears to have the edge and will rule a slight favorite. But traditional games often have a way of making a mockery of the form chart. It will take a tremendous effort by the Maroons to defeat this 1958 Newburgh team in its own lair. The Goldbacks want this victory so badly they can taste it .

Coach Burke and his good right bower, Russ Cunningham, are marvelous disciplinarians. Any incipient cases of swelling of the cranium among the boys is quickly and forcefully squelched. If the Maroons harbor any illusions that it can't happen to them, Burke might recall some recent history and G. Warren Kias can add an assist. We refer to Port Jervis' 13-6 upset of Kingston's great 1948 machine, after the Maroons had routed the Tri-Staters, 27-0 on the banks of the Neversink. That was in the days of the double round.

• That Game in 1929:

Coach Kias could remind the boys about the 1929 team which came up to the Newburgh contest undefeated, untied and unscored on. Things broke badly for Kingston in the early minutes. The Goldbacks scored a safety and went on to an 8-0 triumph over one of the top five teams in KHS history. We like to recall these two classic upsets once in a while just as a cautious reminder.

Except for the 1951 and 1952 seasons, Coach Stan Hemingway has had lean pickings against Burke-coached Kingston squads. Kingston has won 13 of the 17 games against Newburgh since Bill Burke moved northward from Highland. The Academy has won three, with one tie.

Newburgh has paid stiff price for the humiliations it heaped on Kingston in 1951 (46-13) and 1952 (39-0). The 1951 NFA aggregation, possibly one of the Academy's greatest squads, scored 28 points in the fourth quarter debacle. Mike Carpino accounted for both Kingston TDs with a 5-yard run on a blocked punt and a short plunge. The Maroons were limited to 40 yards rushing, 7 yards passing and one first down while the Spreer brothers—Richie and Bob—ran wild. One note of mild satisfaction—Kingston was the only team to score more than once against NFA that season.

• Let's Keep Marching:

Frank Stellitano raced for three TDs, as Newburgh romped to its greatest win over Kingston (39-0) in 1952. The Goldbacks scored in every period, checking the Maroon with 37 yards rushing and 73 passing.

But by and large the recent NFA-Kingston series has been a triumphal procession for the Maroons. We see no reason for interrupting it next Thursday.

Roland Augustine Is Vice-President

Kingston American Little League has elected Frank (Bing) Van Etten, of 75 Kiersted Avenue, president.

Roland Augustine was elected vice president; Joseph F. Policano, secretary and William A. Evans, treasurer.

The board of directors includes Holcomb Tomson, Gene Rios, Kenneth Heppner, William Bush, John Ray Mayone, Frank Aidala, Peter Caprotti, John Dittus, C. John Bechtold, Charles Derrenbacher, Daniel McGrane, Floyd Nehring and John Thompson.

area baseball clubs of his time. He was a pitcher and first baseman in the City Baseball League and also distinguished himself in the great era of semi-pro basketball in Ulster County.

His baseball and basketball career with leading amateur and semi-pro clubs was the outgrowth of participation in those two sports at Kingston High School.

Van Etten was a member of the famous Spinny Five, one of the area's leading independent basketball teams and at the conclusion of his playing days he became a Basketball Official.

Kundla Hedges On Comparing Mikan vs. Baylor

MINNEAPOLIS (AP) — Compare Elgin Baylor with George Mikan?

The man doing the neat professional job of sidestepping that one is Coach Johnny Kundla of the Minneapolis Lakers, a battle-scarred vet of 11 years in the National Basketball Assn.

"They're two different kinds of players," Kundla said.

"The man amazes me," said Kundla. "To think that a rookie could lead the club in points, assists and rebounds even at this stage of the season! And be way up among the leaders in the league to boot.

"I had a lot of hopes for him when he came to us from Seattle University. But I didn't dream he'd take hold so fast."

The 6-5 All-America college star has come onto the pro scene like a volcano. In 12 games he has averaged 23.8 points a game, snagged an average of 16 rebounds and made about five assists a game.

He's been in the league for 10 games and he's already one of the 10 best players," said Coach Fuzzy Levane of the New York Knickerbockers on the Lakers Eastern swing.

Elgin's spectacular coming-out is all the more noteworthy for this: He was a pivotman in college, seldom having to worry about corner shooting. With the Lakers he's a corner man.

Football Briefs

ITHACA, N. Y. (AP) — Cornell football Capt. Bob Hazzard is campaigning for a starting assignment in the Thanksgiving Day game against Penn, last on the Big Red's 1958 schedule.

Hazzard is hoping to be tagged for the berth held by regular halfback Terry Wilson, the club's leading ground gainer.

Cornell concentrated on its passing attack in workouts Wednesday. Tom Skypeck and Marcello Tino, both quarterbacks, shared the pitching duties.

SYRACUSE, N. Y. (AP)—Coach Ben Schwartzwalder of the Syracuse University football squad plans to let reserve halfback Bobby Hart see some action against West Virginia on Saturday.

Hart, a 5-foot, 10-inch sophomore from Bellevue, Ohio, received closed attention during a long workout Wednesday. He turned in a good performance in the Colgate game last Saturday.

Follow Through Is Guide

BY BILLY WELU

Top ABC Average Holder

As important as all the other actions of the bowling motion is the follow through, the final segment of the delivery.

A good, full follow through will direct the ball to the spot you have selected and enables the ball to roll better with a better hook.

If the follow through is abrupt or short, you will pull the ball inside of your spot. It may cause you to drop the ball, thereby losing accuracy and the proper "lift" — the pin-getting qualities of a good rolling ball.

The right arm should come through after the delivery of the ball until it reaches about shoulder level and straight ahead. Never pull the arm to your left side or angle it off to the right. Always stretch it out in front of you reaching for the target.

It's important to follow through on every shot whether you're trying for a strike or a spare.

Almost Penalty-Proof

TCU's Floyd 'Tickled' At Lineman of Week Tag

By HAROLD V. RATLIFF

FORT WORTH, Tex. (AP) —Big Don Flo Floyd, who plays such perfect football spearheading the mighty Texas Christian line that he has had only one small penalty called against him, was "tickled to death" today at being named national Lineman of the Week by The Associated Press.

His coach, Abe Martin, rejoiced too. "We're real proud of Donnie," Martin said. "He certainly is deserving of the award. He's done a grand job for us all fall."

It was the work of the 215-pound tackle in the game with Texas last week that earned him the honor. Martin said "this game was probably the finest of any of the TCU linemen this year. He made several of the best moves I ever had a lineman make for me at TCU."

Made 10 Tackles

Against Texas, Floyd was credited with 10 tackles and came up with two big plays, one setting up the clinching touchdown and one stopping a dangerous Texas drive as the Horned Frogs beat the Longhorns 22-8 and pulled to the top of the Southwest Conference race.

Also, during the game Floyd twice dropped Texas backs for long losses to kill budding drives.

"You know only about 10 or 11 guys a year can receive this honor," said Floyd. "I just hope I'm deserving and I do feel that the Texas game was the best of my football at TCU. I want to thank my coaches and teammates and I know some of the other fellows are as much deserving of this away."

Second This Season

Floyd won the honor in a week that saw some great games turned in by linemen over the country. He was the second tackle to be elected Lineman of the Week this season. Bill Leeka of UCLA was the other. Others getting the award have been Jim Chastain, Michigan State center; Bob Bryant Texas end; Zeke Smith, Auburn guard; Max Fugler, Louisiana State center; John Guzik, Pittsburgh guard, and Ted Aucreman, Indiana end.

Dave Hodges, Missisippi State guard, and Rod Breedlove, Maryland guard, furnished Floyd some strong competition. Hodges set up Mississippi State's touchdown against Louisiana State by recovering a fumble. Breedlove intercepted a pass to set up a touchdown and made six tackles and one assist against Miami.

Other linemen getting mention were Jim Norton, Idaho end; Opie Bandy, Tulsa tackle; Roger Johnson, Oregon State end; Ken Beck, Texas A&M tackle; Billy Gilbow, Arkansas guard; Al Ecuyer, Notre Dame guard; E. J. Holub, Texas Tech center; Bob Bryant, Texas end, and Bob Harrison, Oklahoma center.

Glove Tourney In Poughkeepsie Gets Sanctioned

William F. Ward Jr., chairman of the Junior Chamber of Commerce Golden Gloves program has received the sanction of the Metropolitan Association of the Amateur Athletic Union. The site of next year's Hudson Valley tourney will be Poughkeepsie High School, February 20-21. The winners in each weight class will compete in the New York finals in Madison Square Garden from March 1-4.

Entry and application blanks are being mailed to each of last year's competitors and several new fighters have applied for entry in the tournament.

Golden Gloves consists of two groups, the open who have fought previously, and the subnovices without previous experience.

Marlboro Coach Has Problems As Cagers Go Through Paces

Two major problems are facing Marlboro Central School basketball coach Joe Cash. The first is to fill the shoes of graduates Doug Swartz, Darryl Eckert and Frank Fino and the other to improve on last season's 5-5 UCAL league record. Both could prove to be difficult ones.

Louis DeSantis and Bob Sullivan, a pair of six footers with varsity experience, and Brian White, up from last season's jayvees, are being tutored to take the place of the three starters who graduated. They are expected to join holdovers Dom DiCapua, Dom Favata and Sam Mandia to form the backbone of the team. Anthony Fino, John Williams and Frank DeMarco, up from last year's jayvee club, are also pressing for berths in the starting lineup. Cash is also bemoaning the lack of height on the team and he expects Marlboro to field the smallest club in the league for the second straight season.

Tabs Race as Wide Open

Cash rates the UCAL circuit as a wide open race. He said Wallkill will have one of the best teams in the history of the school and tabs Onteora, the defending champion, as another threat. Highland is expected to be the sleeper this season and the Marlboro coach feels that Rondout Valley and New Paltz are both improved.

The fourteen players who will make up the Marlboro varsity are seniors Russell Atkins, Dom DiCapus, Lou DiSantis, Dom Favata and Richard Totino and juniors, Joe DiLiberto, Frank DeMarco, Anthony Fino, Charles Freligh, Sam Mandia, Phil Spinelli, Bob Sullivan, Brian White, John Williams.

Le Baron Expected To Face the Giants

WASHINGTON (AP) — Little Eddie Le Baron will be back at quarterback for the Washington Redskins in Sunday' s game at New York against the Giants.

Le Baron, smallest player in the National Football League, got in for a bit last Sunday when the Redskins fell before Cleveland. But he was still a trifle weak from a flu attack.

Coach Joe Kuharich reported today that Le Baron, league-leading passer on the basis of average gain, is in good condition and will move back into his starting berth.

Dr. MacFadden, Wood, Carl New Twaalfskill Governors

The Twaalfskill Club members heard glowing reports of progress during the 1958 season and elected three members to the Board of Governors at the annual membership meeting.

The new members of the Board are Richard Wood, Dr. Elbert F. MacFadden Jr., and W. Anderson Carl.

New by-laws and constitution were accepted with only minor changes in wording as proposed by the constitution committee.

Ostensibly because of the new swimming pool project, all activities showed a thirty three and a third percent increase, president James L. Quinn reported at the meeting. The increase was felt in areas of the club's activities, including the bar and restaurant, golfing and caddies.

The new governors will take office at the January meeting when officers will be elected.

Turner Bidding For Rare Repeat

ST. PAUL, Minn. (AP) — Gil Turner, the only man to whip Del Flanagan in the Irishman's hometown, tries to make it final tonight and in the process oust Flanagan from the welterweight title derby.

The hustling, durable Philadelphia fighter announced two days ago he aims to retire Flanagan from boxing. But Del is a slight favorite.

"I've beaten him twice, the last time in St. Paul where nobody ever beat him before," Turner said. "He can run if he wants to tonight but he isn't going to win."

Flanagan, 29-year-old jab specialist with artistic footwork, bounded back into sixth place in the ring ratings by thoroughly pasting welter champ Virgil Akins in a non-title fight last month.

He has won more than 25 fights in St. Paul. Tonight's 10-rounder might be a stepping stone to the title match he has so often sought—or might be a push back into mediocrity.

Turner, 28, is only a notch behind Flanagan.

Bob Turley Runnerup

Jackie Jensen Named Most Valuable Player

Is Selected on All But One Ballot

By DAVE O'HARA
Associated Press Sports Writer

BOSTON (AP)—Jackie Jensen, whose slugging helped the Boston Red Sox to a third place finish, today was named the American League's most valuable player in the 1958 season.

The 31-year-old outfielder ended the New York Yankees' four-year hold on the coveted award by drawing 233 points in the balloting by a 24-member committee of the Baseball Writers' Assn. of America.

New York right-hander Bob Turley, the major league's pitcher of the year, was runnerup with 191 points, followed by Cleveland's Rocky Colavito with 181 and Kansas City's Bob Cerv with 164.

Mickey Mantle of the Yankees, the 1956 and '57 MVP winner, failed to gain a first place vote and was fifth with 127 points. Washington's Roy Sievers was next with 95 votes followed by American League batting champion Ted Williams of the Red Sox with 89.

The voting was by three baseball writers in each of the American League cities between the end of the regular season and the start of the World Series. A first place vote was worth 14 points, a second 9 points, a third 8, down to 1 for 10th.

Almost Scores Sweep

Jensen, who lead the league in runs batted in with 122, earned a place on all but one ballot. He received nine first place votes, six second, three thirds, two fourths, two fifths and one eighth.

Jackie Jensen

Turley had seven first place votes, but was not named on three ballots. Colavito picked up four firsts but failed to earn a point from two voters.

Cerv, who despite injuries crashed 38 homers, drove in 104 runs and batted .305, was the only player named on all 24 ballots. He was placed on top on three ballots and had one second.

Chicago's Nellie Fox, who trailed Williams by a single point with 88, was the only other player awarded a first place vote. He was named on 17 ballots.

Jensen tapered off after a tremendous first half in which he hit 24 homers, drove in 68 runs and batted .311 to earn a starting berth in the All Star game. He wound up with 35 homers and a .286 average.

Told of his award at his home in Lake Tahoe, Nev., Jensen said: "Oh, that's wonderful. This thrills me to death. You have no idea how happy this makes me. The MVP is the ultimate to all ball players."

A Rare Distinction

Jensen is the first member of a non-pennant winner to be voted the American League MVP honors since New York's Yogi Berra in 1954.

A standout football back at the University of California in 1948, Jensen played in the Rose Bowl and the East-West charity game. He also participated in a World Series with the Yankees. He has been a standout for the Red Sox and one of baseball's top run producers. In five seasons with the Red Sox, he has driven in 555 runs.

Rounding out the top 10 in this year's voting were Sherm Lollar, Chicago White Sox catcher with 57 votes, and Boston second baseman Pete Runnels with 29. Runnels battled teammate Williams down to the wire before losing the batting crown by six points.

"While this was my best year," Jensen said, "I had hoped for a better one. But winning this (the MVP award) makes it as big as you can have."

Jensen is the third Boston player to win the MVP award. Jimmy Foxx won it in 1938, and Williams in 1946 and '49.

Upset (Stomachs) Marks First Day Of Golf Cup Play

By JACK RUTLEDGE

MEXICO CITY (AP)—The International Golf championship and Canada Cup matches got under way today, but there was an upset before they started. Upset stomachs, that is.

Almost a dozen of the 64 players from 32 countries who teed off today in the world championship of golf suffered varying degrees of "turista" — upset stomachs — on the eve of the tournament.

Ben Hogan and Sammy Snead, the favored U.S. entries, were not hit.

Pills Are Relief

Pills relieved the majority of those affected and tanks of oxygen at the ninth and 18 holes today will take care of others who have complained of the mile-and-a-half high altitude.

The brightest field yet for the International and Canada Cup matches went into action early this morning on the tough but beautiful 7,216-yard, par 72 Club de Golf Mexico course.

The two-man team with the lowest combined score will win the Canada Cup. Individual low scorer wins the International championship.

For a while Wednesday it was feared the field might be cut by illness. Several players reported for practice with upset stomachs.

They included John Panton of Scotland, Dave Thomas of Wales, Frank Phillips of Australia, Al Balding and Henry Martell of Canada, Bernard Hunt of England and Flory van Donck of Belgium.

Defending champion Torakichi (Pete) Nakamura of Japan and teammate Koichi Oho, upset victors last year over Snead and Jimmy Demaret, are on hand to defend their title. Both shot excellent rounds before today's tee-offs.

Predict Great Future for Rams' Johnny Baker

LOS ANGELES (AP) —"Little John" Baker is a tackle for the Los Angeles Rams, the largest man they ever had. He got into the organization mainly because he kept butting into a movie film when the Rams were trying to get a line on another player.

Eddie Kotal, head of the Rams' scouting system, recalled they were screening a reel on a Florida A & M - North Carolina college game.

"We were scouting a Florida back, but every time there was a kickoff or a punt, all we could see was some enormous North Carolina tackle charging down the field," said Kotal.

"He'd do his part in holding up the defense, then take off and still be the first man down to make the tackle."

Eddie was impressed by the speed and the size of the tackle. So he caught the jersey number and finally unearthed "Little John," who towers 6 foot 6½ and is now a slim 290 compared to his original 315.

Coach Sid Gillman says 22-year-old John has much to learn in pro football but expects he'll become a truly great player.

New Type Grass Will Give Cadets, Middies Dry Field

PHILADELPHIA (AP) — A fancy new batch of grass may turn Municipal Stadium into a ball carrier's paradise for the Army-Navy football game.

"The grass will give them solid footing, regardless of rain," said Leo Previti, 59, who has been in charge of manicuring the stadium turf since the annual service game was moved into the 101,000-seat amphitheater in 1936.

"We're experimenting," said Previti Wednesday. "For the first time the players will be running over a tropical grass called Bermuda U-3. An hour after a rain, the grass is dry. The grass makes a thick mat instead of the usual slippery mess in a constant rain. They'll be able to dig in their cleats no matter how wet."

Horticulture and Football

Previti, superintendent of the Stadium for 28 years, had been using a variety of Kentucky blue grass, which proved unsatisfactory in wet weather ("roots weren't deep enough").

Lt. Gen G. H. Davidson, superintendent of the U. S. Military Academy, and Col. Red Reeder, the Army turf specialist, inspected the two-acre field last week. Reeder crawled on hands and kness inspecting the tough little blades of grass. Davidson walked carefully over the playing area.

"Wonderful, wonderful," was their verdict, said Previti.

Well they might be happy, since Army's band of fleet backs will need solid footing against Navy in the big game Nov. 29. Last year, Army slipped and sputtered in a downpour and lost 14-0 to Navy.

"Navy hasn't been up to see the grass," said Previti. "They don't seem to care as much as Army does about the condition of the field."

Princeton Sets Sachs for Tilt With Dartmouth

By THE ASSOCIATED PRESS

No. 46 scored on a three-yard run. Then he went 35 yards on a pass interception for another TD. A 59-yard punt return gave him three touchdowns for the afternoon. He also threw a 20-yard pass for another score.

That's what they call a big day in college football.

That was Dan Sachs' big day—Nov. 23, 1957.

The performance clinched him an all-Ivy League berth, but more important it meant a 34-14 Princeton victory over Dartmouth for the Ivy League title.

Elephantine Memory

Players do not forget days like that, neither do coaches.

That's why Dick Colman was smiling after Sachs worked out with the Tigers Wednesday.

And that's why you couldn't blame coach Bob Blackman of Dartmouth if he did a little frowning.

Sachs has been away from practice for a month with a knee injury, but he managed to make it back for Saturday's finale with Dartmouth. The game that again will be for the league title.

Dartmouth, a ball-control team that grinds out the yards, may be planning something to offset the threat of its passing attack which was kept in storage last week as the Indians rolled over Cornell. The Dartmouth quarterbacks, Bill Gundy and Seth Moger, did plenty of throwing in a 2½ hour drill.

Singleton Ready

Yale meets Harvard in the only other league game this week, and the Elis sophomore quarterback, Tom Singleton, apparently will be ready for the favored Crimson. He practiced for the second straigh day after being out of action for a week with an injury.

Meanwhile, Harvard worked on pass defense as coach John Vovicisn mulled over his starting lineup. He said two line positions and one halfback spot were undecided. It will be either Stu Hershon or Warren Huff at right end, Terry Lenzer or Harold Anderson at right guard and Chet Boulris or Bruce MacIntyre at left half.

Sooner Defense Now Rated Best

By THE ASSOCIATED PRESS

Beating an Oklahoma football team has been a tough assignment for more than a decade. Now it's getting to be an achievement just to score against the Sooners.

Always tops offensively, Oklahoma now is the leading major college in defense against scoring. The Sooners have permitted only 42 points in 8 games for 5.3 average.

The Sooners won the national major college scoring championship in 1952, 1955 and 1956, but never have been champs in protecting their own end zone.

Army has given up 43 points in 8 games; Auburn, last year's scoring defense leader, and Syracuse 47 each.

Auburn continues to lead in total defense and rushing defense. Over-all the Tigers have yielded only 143.6 yards a game. Their rushing defense average is 69.1.

Purdue is second in total defense, Syracuse runner-up in rushing defense.

Iowa State continues to lead in pass defense with 36.4 yards a game. Brown is second.

Georgia is the top punting team, averaging 41.1 yards for 55 punts. Alabama is second.

Army and Penn State each have intercepted 24 passes. Princeton has averaged 16.5 yards a punt return. Auburn leads the kickoff returns with a 27.6 yards average.

Jockey Ted Atkinson has won the Pimlico Special three times—Capot, One Hitter and Tom Fool —All for Greentree Stable.

This Saturday is swan-song day for a lot of good football talent around the nation's college campuses and you can look for all-out efforts on the part of all concerned to leave the partisans — and some bowl scouts — with a favorable last impression.

Most of these stalwarts will be playing in post-season all star or major bowl games but this is their last partisan fling.

Rutgers bids good-bye to halfback Billy Austin, considered its greatest all-around back and one of the best ever to play in the East.

Princeton tailback Dan Sach plays his last game for Princeton when it opposes Dartmouth for the Ivy League title.

There'll be plenty at stake at Chapel Hill, N. C., and Morgantown, W. Va. At Chapel Hill, North Carolina entertains arch - rival Duke and the Tar Heels are still bowl-hoping. Senior quarterback Jack Cummings will have a lot to say. He went through a long passing drill Wednesday in preparation for the Blue Devils.

Carlton In Shape

Duke, which will try to keep Cummings from setting a host of Atlantic Coast Conference and school records, has Wray Carlton, its backfield ace of the past two seasons, as the only healthy starting back.

At Morgantown, two quarterbacks play their final regular games. West Virginia's Dick Longfellow, the Southern Conference offense leader, tries to pitch his team to its fifth victory in 10 games. His opponent, Syracuse's Chuck Zimmerman, will try to guide the Orange to a seventh straight victory, ninth in 10 games, and an Orange Bowl bid.

Maryland's guard Rod Breedlove, will bow out against Virginia. The Terps spent their final hard practice session prepping for an expected onslaught of passing from Cavalier quarterback Reece Whitley.

Iowa quarterback Randy Duncan, who will be seen again in the Rose Bowl New Year's Day, plays his final game before the home folks when the Big Ten champs take on Notre Dame. Capt. John Nocera, another senior, will be at fullback in place of Don Horn.

Bears All-Everything

Don Clark plays his final game for Ohio State when the Bucks meet Michigan.

On the West Coast, Joe Kapp, California's all-everything quarterback, uses his last game with the hopes of taking the Bears to the Rose Bowl with a victory against Stanford. Up the coast, Bobby Newman, Washington State's passing ace, could do the same if he pitches WSC to a victory over Washington and Cal loses.

The Pacific Coast Conference bowl representative would be decided by a vote. In case of a tie, the last to go to the big affair gets the nod. Washington State went in 1931, the longest of any PCC eligible.

Maryland Bars Bishop For Abusive Language

BALTIMORE (AP) — Trainer George Bishop is barred in Maryland for at least 24 days from racing horses owned by his wife or himself.

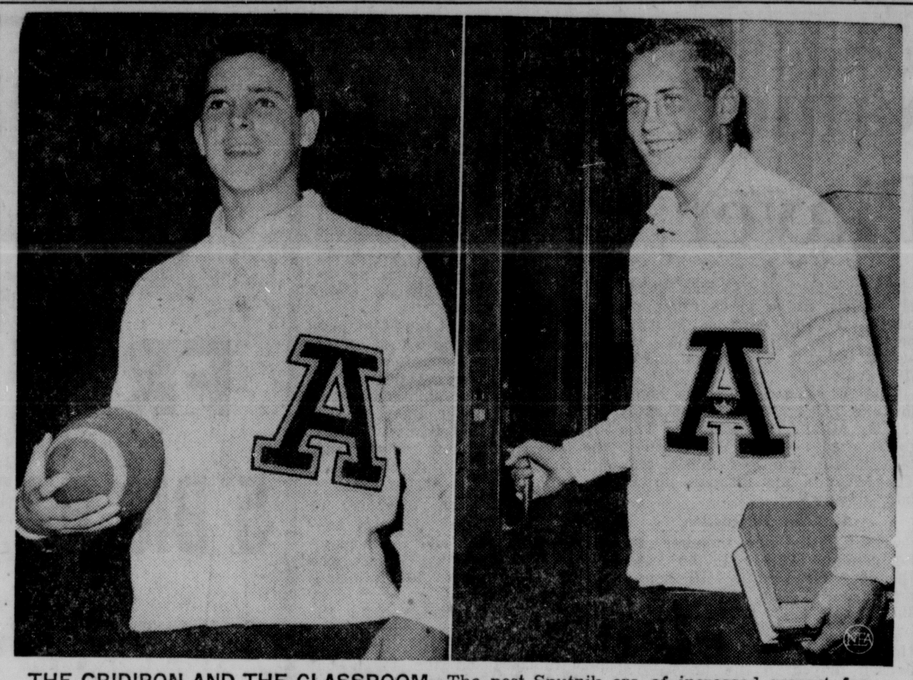
A State Racing Commission spokesman said Bishop had used abusive language to two Pimlico officials.

Such suspensions by one state are recognized by all belonging to the Thoroughbred Racing Assn.

Steward Joseph F. Flanagan, representing the commission, suspended Bishop for the remainder of the Pimlico season, which ends Dec. 13. He recommended that the commission extend the suspension until Jan. 1.

Idaho is the 12th largest state in the Union.

TREE TROUBLE—Dave Ragan spots his ball in tangled undergrowth. Close inspection shows the lie not too bad, but what about the tree? Having nothing to lose, the young touring professional makes the best shot he can under the circumstances and winds up with a good recovery onto the fairway.



THE GRIDIRON AND THE CLASSROOM—The post-Sputnik era of increased respect for learning takes concrete form at Asbury Park (N.J.) High School where good scholars as well as varsity athletes are awarded the school letter. Charles Willingham, left, wears his football letter no more proudly than does Ralph Vandersloot his for a 97 scholastic average. The scholar letter is the same size but is distinguishable by a differently colored border and a lamp of learning. A 90 or better average will win the letter.

LeBaron Leads 'Skins Against Giants Sunday

The Giants, now a game behind in the Eastern Conference race of the National Football League, meet the Washington Redskins at Yankee Stadium Sunday.

Kickoff time is 2:05. The game will not be televised. Advance sale indicates a crowd of about 50,000, if the weather is fine. The Giants will place more than 30,000 reserve, box and bleacher seats on sale at the Stadium at 11 a. m. Sunday.

Many of the 10,000 bleacher seats are on or near the 50 yard line.

The Giants defeated the Redskins 21-14 in the third game of this season, at Washington. Since 1937, the Giants lead in the series by 25 to 17, with one tie.

The Redskins boast the NFL's best passer in tiny Eddie LeBaron, who has completed 54.9 per cent of his throws for an average gain of almost 10 yards per pass. This is especially remarkable when it is noted that not a single Redskin receiver is in the top ten.

LeBaron throws to Joe Walton, former Pittsburgh All American, and to backs Johnny Olszewski, Ed Sutton, Jim Podoley and others. Nine of his heaves have gone for touchdowns.

Olszewski, meanwhile, has climbed into sixth place among the circuit's best ball carriers. He has toted the leather 81 times for 445 yards and a 5.5 yard average.

Rangers Narrow Gap on Montreal

By THE ASSOCIATED PRESS

The New York Rangers are getting help from all sides. No only are their own players catching fire in the torrid National Hockey League race, but even ex-Rangers are stepping in to led a hand.

Paced by Dean Prentice and Andy Bathgate, New York whipped Toronto 7-4 Wednesday night. And when former Ranger Ron Murphy scored twice to lead Chicago to a 3-2 victory over Boston, New York pranced into second place — only a point behind pacesetting Montreal.

Prentice scored four goals and Bathgate took over undisputed possession of the individual scoring lead with a goal and four assists as the Rangers won their fifth straight. It is their longest winning streak in 17 years.

Bathgate raised his point total to 25, breaking a tie with Eddie Litzenberger of Chicago, who was shut out.

The Hawks moved into a third place deadlock with Boston and idle Detroit. Each is only a point behind New York.

Army-Navy Game Sold Out Again

ANNAPOLIS (AP) — The Army-Navy football game is once again a sellout.

Capt. Slade Cutter, director of athletics for the Naval Academy, said today that the 98,593 tickets available were oversubscribed and some applications had to be cut.

Navy is host team this year for the game to be played Nov. 29 in Philadelphia's Municipal Stadium.

Kacher's Quick Shot Near Mark

By THE ASSOCIATED PRESS

Eddie Kachur of the Buffalo Bisons came close to setting an American Hockey League record Wednesday night. But not quite close enough.

Kachur scored a goal only eight seconds after the opening face-off. Buffalo went on to pour through three more goals in the first period and defeat the Providence Reds 5-2.

Kachur's tally was a quick one. But back on Feb. 27, 1943 Hec Kilrea of the defunct Indianapolis Capitals found the nets two seconds after the start of an AHL game.

Bruce Cline, Dick Gamble, Parker MacDonald and Bill Sweeney joined Kachur in the Buffalo scoring column. The assault was made against veteran Harvey Bennett, who replaced injured Harry Lumley in the goal. Jack Bionda and Bob Beckett found the mark for Providence.

The victory gave the Bisons a six-point lead over runner-up Hershey, which dropped a 6-3 decision to the hot Springfield Indians in the only other game scheduled.

Duke Edmundson had two goals for Springfield. In winning their fourth straight, the Indians moved to within two points of Hershey.

Spider Asks Shot At Sugar After Giardello Bout

By ALAN CLINE

SAN FRANCISCO (AP) — Spider Webb's slashing, bloody victory over Joey Giardello brought clamor today for a shot at the middleweight title from two corners.

Webb contended his seventh-round TKO Wednesday night entitled him to a fight with Sugar Ray Robinson.

Shortly after referee Vern Bybee stopped the gory Cow Palace fight, Marv Jensen issued a statement claiming his ex-champ, Gene Fullmer, rates the next crack at Robinson.

Fullmer, ranked No. 2 behind Carmen Basilio, beat the fourth-ranked Webb in September. Giardello was No. 3.

Whatever happens, Webb keeps busy. The college-educated Chicagoan collected about $13,000, including $4,000 television fees — a nice present on his 27th birthday today. Webb goes to London for his next fight, Dec. 9, against British champion Terry Downs.

After that: "I feel I should get a crack at the title."

Webb, 158¾, opened a cut under Giardello's left eye in the fourth as he moved ahead on points. In the sixth, he cut Joey badly above the same eye and the 159-pound veteran from Rosedale, N.Y., was smeared with his own blood.

Bybee called a halt after 1:30 in the seventh with both fighters covered with blood.

The victory was Webb's 30th in 34 professional fights. Giardello lost his 15th in 98.

Major League Players Renew Bid For TV and Radio Money

NEW YORK (AP) — Major league baseball players want a slice of the radio-television money melon, and apparently they won't take no for an answer.

One of the 16 player representatives told The Associated Press Wednesday the players already have discussed "the possibility of taking drastic action," should their demand for a 25 per cent cut be turned down by the club owners.

The player, who asked not to be identified, declined to say what such drastic action might be.

League representatives Robin Roberts and Eddie Yost have been authorized to ask the owners for a quick reply to their demand when the major leagues meet next month at Washington.

The players are asking for a slice of regular season revenues. They already receive 60 per cent of the 3¼ million dollars baseball receives for TV and radio rights to the All Star game and World Series. That cut goes to the players' fund.

Player representatives will meet in Washington Dec. 1 to decide a course of action.

A report sent to all major league players by their attorney, J. Norman Lewis, showed more than a 10-million-dollar increase in the clubs' gross income from 1950 through 1956. The report stated that player salaries increased only $230,000 during that span.

A New Bowl

TALLAHASSEE, Fla. (AP) — Prairie View A. & M. College will be Florida A. & M. University's opponent in the 26th annual Orange Blossom Football game in Miami Dec. 13.

Selection of the Prairie View, Tex., school as the Rattlers' opponent was announced by university officials here Wednesday. Both Negro schools are unbeaten this season.

OUT OF DOORS with Field & Stream

By JOE STETSON
Dog Editor

You can't be too careful when you tie down a dog.

Not many years ago a well-known Great Dane breeder tied her Dane to the foot of the bed in her hotel room and returned to find him hanging out the window.

A few years back a valuable field trial winner was left in a fenced-in enclosure on a long line—left long to give the dog as much freedom as possible. It was long enough to enable him to reach the fence at its nearest point, but not long enough to reach the ground on the other side when he managed to climb the fence.

Not wishing to leave an unentered dog in a car with the windows closed, a dog show exhibitor left the windows open and tied the dog to the steering wheel. I need not fill you in on the result.

Never a Witness

I have never witnessed the actual hanging of a dog, but do not believe the neck is broken in most instances. How, then, do they come to their bitter end? Undoubtedly by a combination of strangulation and/or death from exhaustion or heart failure in the struggle to obtain relief from their predicament.

It behooves everyone, whenever a dog is being fastened, to make certain that the dog cannot, by the greatest stretch of the imagination, find itself suspended by the lead alone.

A dog should be tied down rather than tied up. When a dog is tied to something higher than his length from the floor or ground, he may somehow get himself entangled and hung. If there is a window involved, be sure he is fastened to something immovable short of the window.

Tie to the floor of a car rather than something closer to the window and with a short lead.

Air Force Quiet On 'Bias' Bowl

WASHINGTON (AP) — The Air Force declined yesterday to say whether its undefeated Academy football team would play in a post-season bowl game where spectators are racially segregated.

Officials of the Sugar Bowl in New Orleans have rated the Air Force among leading candidates for their New Year's Day game. Louisiana law requires segregated seating, however, and the Air Force withdrew for this season from a game previously scheduled with Tulane at New Orleans.

A spokesman at the Pentagon said the question of playing in the Sugar Bowl was hypothetical because no invitation has been received.

Pro Career for Barbara Romack

SACRAMENTO, Calif. (AP) — Barbara Romack, Women's National Amateur golf champ in 1954, has turned pro.

The 26-year-old Sacramento golfer announced she will take part in the Ladies' PGA tournaments starting in January. She signed a contract with the McGregor Co. of Cincinnati, a sporting goods firm.

Miss Romack won the Canadian title in 1953 and has been on the U. S. Curtis Cup team three times. She was runnerup in the British Amateur in 1955.

Democrats Look For 700 Having $1,000 to Donate

WASHINGTON (AP) — A new exclusive club may be in the making—open only to Democrats with a thousand dollars to spare.

The Democratic National Committee expects to discuss the club, and other fund raising possibilities, at its Dec. 6 meeting.

The party is about $700,000 in the red. If 700 Democrats joined a proposed "700 Club" for $1,000 each, they would wipe out the debt.

Kenneth M. Birkhead, the committee's finance director, said efforts would be made to recruit club members from among Democrats wealthy enough to contribute $1,000 each. The biggest drive would be made in those states that had the biggest Democratic gains in the Nov. 4 elections.

About $600,000 of the Democratic deficit is a legacy of the 1956 elections, when Adlai Stevenson was defeated by President Eisenhower.

The Republicans, who lost this year, had all their bills paid on Nov. 1.

In 1929, a sales tax was in use in only two states of the Union.

Luciano Syracuse All-American Bet

SYRACUSE, N. Y. (AP)—Tackle Ron Luciano bounced from a hospital bed into contention for a place on the All-America football squad.

The college career of the Syracuse University senior from Endicott is checkered with illness and injury.

Top Lineman

But he has emerged as one of the nation's top linemen and a definite candidate for selection as an All-America tackle.

Luciano is 21 years old, stands 6-3 and weighs 235 pounds. Syracuse Coach Ben Schwartzwalder says he is "the best lineman I've ever had."

Cornell coach Lefty James echoes "the best lineman we have faced."

In earning those tributes, Luciano has had more physical setbacks than usual for college footballers.

He has suffered a knee injury in his sophomore year and was out of action most of that season. He underwent an operation for removal of cartilage that winter.

In his junior year, he suffered a broken sternum—a small chest bone. He was plagued by throat infections and last winter had his tonsils removed.

Then The Virus

His senior year brought a virus infection that made him miss the Penn State game. Syracuse won but Penn State gained 176 yards, the most ground of any club that faced the Orange this season.

Luciano starred in the Pittsburgh game and the opposition was held to 101 yards on the ground. After the game, Luciano went from the gridiron to the hospital, that time in a "generally fatigued" condition.

He has since returned to action with performances that have kept him a national figure on the collegiate football scene.

Luciano is a major in geography and averages B-minus marks. He hopes to play some professional football and then go into teaching.

TOKYO (AP) — This advertisement appeared in the English language newspaper Mainichi:

"Smoking, drinking, carousing, Japanese-speaking Caucasian gentleman wishes to meet smoking, drinking, carousing, Japanese-speaking lady. Object: smoking drinking, carousing."

A girl clerk at the paper said the advertiser was a "handsome man who looked like a movie actor." She said he picked up five replies.

Cunha Selects Siena Starters

Three Troy cagers and one each from Cohoes and Albany will comprise Siene College's starting lineup in the season's opener against Canisius, Monday, Dec. 1, at the Albany Armory.

Coach Dan Cunha announced that Captain Jack Weaver, Pat Martone and Gerry Brehm, all of Troy; John Legasse, Cohoes, and John Smith, Albany, will take the court at opening whistle.

Smith, a soph, is talled at 6-5; Legasse, 5-11 and Martone, 6-1, are juniors, while Weaver, 5-9 and Brehm are seniors.

Gold Worthy Wins Hollywood Park Pace

INGLEWOOD, Calif. (AP)—Wayne (Curly) Smart is the hero of the hour among sulky fans after over the favored Widower Creed in an unprecedented match race for pacers at Hollywood Park.

The non-betting race Wednesday was for a $10,000 purse with the winner getting $6,750 and the loser $3,250. It also settled the championship of the American pacing classic.

A crowd of 10,000 which had turned out for the final day of the Western Harness Assn. meeting, saw Smart drive Gold Worthy in by a length and a quarter. The time for the mile was a relatively slow 2:00 3-5. Gold Worthy is owned by Dr. A. B. Thompson of Pulaski, N. Y.

Each horse had won a leg of the classic — Widower Creed the first heat and Gold Worthy the third. Wednesday's event would have been a three horse race-off except that Shadow Wave, winner of the second heat, developed a bad left fore leg and was declared.

Celtics Having Big Troubles

By THE ASSOCIATED PRESS

The Boston Celtics, overwhelming choices to repeat as Eastern Division champs in the National Basketball Assn., are having their troubles.

Although Bob Cousy, Bill Sharman and Bill Russell — Boston's big three — had 73 points among them, the Celtics dropped a 119-103 verdict to the Cincinnati Royals Wednesday night. It was the only game on the NBA slate.

Jack Twyman, one of the few veterans on the Cincinnati squad, scored 45 points as the Royals came from behind and put an end to their losing streak at seven games. They hadn't won in 3½ weeks.

The setback dropped the Celtics three games behind leading New York and 1½ behind runner-up Syracuse.

It takes eight to nine times as long to drill and equip a well at sea as it does on dry land.

Spaak Bids NATO Not Reject Friendly Appeal

PARIS (AP)—Secretary General Paul-Henri Spaak warned North Atlantic Alliance legislators today not to reject a friendly nation's appeal for help against internal subversion and external pressure.

The Soviet Union will use subversion and pressure in the future in Asia and Africa, Spaak predicted. He said the same tactics might be applied again in Europe if the North Atlantic Alliance relaxes its vigilance.

The parliamentary group's Political Committee approved a resolution declaring that the West should resist Soviet withdrawal from the Berlin occupation authority as a "flagrant unilateral renunciation of international agreements."

Town of Ulster Receives $1000 For Recreation

The Town of Ulster has been allocated $1,000 in state aid for a recreation project for a 12-month period, the New York State Youth Commission announced today.

An application for state aid submitted by Alexander J. Banyo indicates that the town will spend a total of $3,030 during the year to provide a recreation program. Activities include music instructions, supervised recreation and movies.

Facilities to be used include Chambers Lake Katrine, East Kingston Schools and DeWitt Lake.

The agency responsible for the conduct of the program is Town Board of Ulster of which Banyo is chairman. Director of recreation is George Fernandez.

The Town of Ulster is one of more than 1,000 municipalities that have participated in the State Youth Commission's annual $8,000,000 youth program. This is the eighth year that the town and the state have joined in a program to provide wholesome recreation activities for the youth of community.

British Official Accused

LONDON (AP) — Ian Douglas, third-ranking official in the British Foreign Office, was accused in Magistrates Court today of committing a homosexual act with a private in the Coldstream Guards.

The hearing was adjourned until Dec. 10 to permit the police to arrange legal representation.

Neither Harvey, who is undersecretary for fortign affairs, nor the soldier, Walter Plant, 19, entered a plea. Each was released on bail of 25 pounds ($70).

The tall, graying official, a dignified man of 44, and Plant were arrested Wednesday night in St. James' Park opposite Buckingham Palace. They were charged with committing an act of gross indecency.

Rare Birth

WHIPSNADE, England (AP) —A blesbok, a rare South African antelope, was born at the zoo in this Bedfordshire community. It is the first to be born in Britain for nearly 50 years.
